This book contains fun facts about basketball. You'll learn about a very famous basketball coach. You'll also learn a few things about great basketball players. This book also contains information on a few plays of the game. If you need to do a book report for school on basketball, this book is a great tool to use. Millions of people love watching basketball games. It's one of the greatest sports ever invented. If you are pretty good at playing basketball, you could get an opportunity to play on a professional basketball team one day. Now that would be amazing!

Welcome to hell! I mean, Tompkin's Academy. Where students go missing, demons hunt freely, and the school does nothing to stop it. Oh, and dating the hot captain of the basketball team could be the deadliest mistake I've ever made. I thought my life was over the moment my father sent me and my twin brother to this boarding school in the middle of nowhere. Turns out, I was right. Now I'm surrounded by supernatural forces with a desire to kill and a demonic voice inside my head that wants to control me and force me to use my newfound powers for evil. With darkness greeting me at every turn, I'm determined to fight it and bring down the monsters in this school even if it's the last thing I do. Perfect for fans of THE MORTAL INSTRUMENTS and FALLEN ACADEMY. Books in this supernatural academy trilogy: 1. Tompkin's School: For The Extraordinarily Talented 2. Tompkin's School: For The Dearly Departed 3. Tompkin's School: For The Resurrected MORE BOOKS OF THE TRANSITIONED UNIVERSE: The Unforgivable Act (A Beaumont Bros. Circus Mystery #1) The Detective's Nightmare (A Beaumont Bros. Circus Mystery #1) The Yuletide Killer (A Beaumont Bros. Circus Mystery #3) Timur's Escape

How to make perfect samples! How to manufacture your garments! How to buy materials for your designs! How to outsource to a manufacturer! Knockoffs: dealing with counterfeiters and protecting your intellectual capital!

A family story for the twenty-first century, based on the phenomenally popular Texts from Bennett Tumblr blog, this epistolary novel chronicles the year that Bennett and the rest of his freeloading family moved into his cousin Mac's household. Hardworking Kansas City rapper Mac Lethal has a problem, and its name is Bennett. His wannabe gangsta cousin is seventeen, uses drugs and foul language, claims to be 13 percent black, and swears he speaks "da female language." (Strangely that last one sort of seems true.) But as different as they are, when Bennett and his mom lose their home, Mac's got their backs. They're family after all. Sure, it takes patience to live with the eternally smoked-out Bennett and the pill-popped Aunt Lily, but he can handle it. You know who can't? Mac's very pretty, very WASPy, very uptight girlfriend. So as his once-peaceful household gets completely crazy, Mac learns that wanna-be-Crips are thicker than water, that his little cousin—flawed, irreverent, and basically a Saturday morning cartoon gone horribly wrong—has become his mentor, and that he really has no

File Type PDF The Kurious Kid Presents Basketball Awesome Amazing Spectacular Facts Of Basketball Kurious Kids

idea what's up with girls.

Collects outrageous philosophies and whimsical rants by the syndicated radio personality and podcaster, detailing personal anecdotes with complaints about such topics as Lady Gaga, public restrooms, and peanut butter and jelly sandwiches.

New York Puerto Ricans have been an integral part of hip hop culture since day one: from 1970s pioneers like Rock Steady Crew's Jo-Jo, to recent rap mega-stars Big Punisher (R.I.P.) and Angie Martinez. Yet, Puerto Rican participation and contributions to hip hop have often been downplayed and even completely ignored. And when their presence has been acknowledged, it has frequently been misinterpreted as a defection from Puerto Rican culture and identity, into the African American camp. But nothing could be further from the truth. Through hip hop, Puerto Ricans have simply stretched the boundaries of Puerto Ricanness and latinidad.

A Tribe Called Quest • Beastie Boys • De La Soul • Eric B. & Rakim • The Fugees • KRS-One • Pete Rock & CL Smooth • Public Enemy • The Roots • Run-DMC • Wu-Tang Clan • and twenty-five more hip-hop immortals It's a sad fact: hip-hop album liners have always been reduced to a list of producer and sample credits, a publicity photo or two, and some hastily composed shout-outs. That's a damn shame, because few outside the game know about the true creative forces behind influential masterpieces like PE's It Takes a Nation of Millions. . . , De La's 3 Feet High and Rising, and Wu-Tang's Enter the Wu-Tang (36 Chambers). A longtime scribe for the hip-hop nation, Brian Coleman fills this void, and delivers a thrilling, knockout oral history of the albums that define this dynamic and iconoclastic art form. The format: One chapter, one artist, one album, blow-by-blow and track-by-track, delivered straight from the original sources. Performers, producers, DJs, and b-boys—including Big Daddy Kane, Muggs and B-Real, Biz Markie, RZA, Ice-T, and Wyclef—step to the mic to talk about the influences, environment, equipment, samples, beats, beefs, and surprises that went into making each classic record. Studio craft and street smarts, sonic inspiration and skate ramps, triumph, tragedy, and take-out food—all played their part in creating these essential albums of the hip-hop canon. Insightful, raucous, and addictive, Check the Technique transports you back to hip-hop's golden age with the greatest artists of the '80s and '90s. This is the book that belongs on the stacks next to your wax. • Brian Coleman's writing is a lot like the albums he covers: direct, uproarious, and more than six-fifths genius. • Jeff Chang, author of Can't Stop Won't Stop • All producers and hip-hop fans must read this book. It really shows how these albums were made and touches the music fiend in everyone. • DJ Evil Dee of Black Moon and Da Beatminerz • A rarity in mainstream publishing: a truly essential rap history. • Ronin Ro, author of Have Gun Will Travel

Green-Wood Cemetery was founded in 1838 and soon became one of America's foremost tourist attractions. It is the resting place for many notables, including Tiffany, Steinway, and Currier and Ives, but the cemetery also has a hidden baseball history. Green-Wood is home to almost two hundred baseball pioneers: members of the Knickerbocker, Atlantic, and Excelsior Clubs of the nineteenth century; Brooklyn's beloved Charles Ebbets; stadium owners; ball makers; and "the Father of Baseball," Henry Chadwick. The first baseball monument appeared at Green-Wood in 1862 to honor the game's first martyr and star, James Creighton Jr., initiating baseball's tradition of honoring its own with stone or bronze memorials. Green-Wood Cemetery has since served as a model for other tributes, including those found at the National Baseball Hall of Fame and Yankee Stadium's Monument Park. Baseball Legends of Brooklyn's Green-Wood Cemetery, through painstaking

File Type PDF The Kurious Kid Presents Basketball Awesome Amazing Spectacular Facts Of Basketball Kurious Kids

research, brings these baseball legends back to life with a compelling array of rare images that tell the story of the game's birth in Brooklyn, New York City, and Hoboken.

Ego Trip's Book of Rap Lists is more popular than racism! Hip hop is huge, and it's time someone wrote it all down. And got it all right. With over 25 aggregate years of interviews, and virtually every hip hop single, remix and album ever recorded at their disposal, the highly respected Ego Trip staff are the ones to do it. The Book of Rap Lists runs the gamut of hip hop information. This is an exhaustive, indispensable and completely irreverent bible of true hip hop knowledge.

Goin' Off chronicles the rise and fall of Cold Chillin' and its partnership with Warner Bros. Records. It follows the careers of the label's recording artists through first-hand accounts of industry players, producers, MCs, and DJs: Roxanne Shanté was a 14-year-old battle rapper who spawned the diss record; MC Shan engaged in a legendary cross-borough feud with KRS-One; Kool G Rap was a foundational participant in what the media dubbed "gangsta rap"; Big Daddy Kane's quick-witted lyricism changed the way people rhyme; the collegiate Masta Ace sought to uplift his community during the height of the crack epidemic; The Genius (aka GZA) co-founded the rap dynasty Wu-Tang Clan; and the enigmatic Biz Markie had the world singing along to his hit anthem "Just a Friend." Plagued by corporate censorship and a landmark sample-related lawsuit in the 1990s, Cold Chillin' folded, leaving behind a legacy shrouded in controversy and a catalog that influenced multiple generations of rap artists.
