The Ladies' Book of Etiquette and Manual of Politeness by ...

Journalist Tanya Sweeney describes The Ladies' Book of Etiquette as the "definitive tome" of 19th-century etiquette. According to journalist Jessica Leigh Hester, Hartley's 19th-century etiquette advice can still be instructive in the 21st century, particularly in regard to RSVPs, tasteful dress, avoidance of gossip in places where it can easily be overheard, and loud amateur music at parties. [8]

Florence Hartley - Wikipedia

The Ladies' Book of Etiquette, and Manual of Politeness: A ...

The code of etiquette in Japan governs the expectations of social behavior in the country and is considered very important. Like many social cultures, etiquette varies greatly depending on one's status relative to the person in question. Many books instruct readers on its minutiae. Some conventions may be very regional practices, and thus may not exist in all regions of Japan.

This charmingly instructive 1860 guide offers timeless advice for proper behavior in every situation, from traveling abroad and hosting a dinner party to choosing clothes and attending a wedding.

This book provides rules for the etiquette to be observed in the street, at table, in the ball room, evening party, and morning call; with full directions for polite or response, dress, conversation, manly exercises, and accomplishments. Man was not intended to live like a bear or a hermit, apart from others of his own nature, and, philosophy and reason will each agree with me, that man was born for sociability and finds his true delight in society. Society is a word capable of many meanings, and used here in each and all of them. Society, par excellence; the world at large; the little clique to which he is bound by early ties; the companionship of friends or relatives; even society tete a tete with one dear sympathizing soul, are pleasant states for a man to be in. All in all this is a great book on etiquette. A great place to learn the rules of etiquette.

An introduction to the basics of good manners, from meeting and greeting people to proper telephone and mealtime behavior.

A complete manual for those who desire to understand the rules of good breeding, the customs of good society, and to avoid incorrect and vulgar habits. Such as: Clear and Comprehensive Directions for Correct Manners, Dress, and Conversation; Instructions for Good Behavior at Dinner Parties, and the Table, with Hints on the Art of Carving and Taking Wine at Table Together with the Etiquette of the Ball and Assembly Room, Evening Parties Department in the Street and when Traveling And the Usages to be Observed when Visiting or Receiving Calls In addition to this readers will also master the etiquette of courtship, marriage, domestic duties, and fifty-six rules to be observed in general society.

Etiquette exists in some form in all countries, has existed and will exist in all ages. This book offers a complete guide and insight into norms of polite society. It is a practical reference book including everyday situations and numerous tips and recipes for the complexion creams, pastes, home remedies and various household chores. Useful knitting guides also included in this practical guide for a successful woman of polite society.

Regardless of time period, some things hold true: kindness is timeless. Invasion of privacy; divorce; relationship issues; encounters between people from different places and cultures; new technologies developed at dizzying speeds . . . the hectic pace of life in the late nineteenth century could make the mind reel. Wait a minute—the nineteenth century? Many of the issues people faced in the 1880s and '90s surprisingly remain problems in today's modern world, so why not take a peek at some Victorian advice about negotiating life's dizzying twists and turns? Gathered from period magazines and Hill's Manual of Social and Business Forms, a book on social conduct originally published in 1891, this volume provides timeless guidance for a myriad of situations, including: The husband's duty: Give your wife every advantage that it is possible to bestow. Suggestions about shopping: Purchasers should, as far as possible, patronize the merchants of their own town. (Buy local!) Suggestions for travel: Having paid for one ticket, you are entitled to only one seat. It shows selfishness to deposit a large amount of baggage in the surrounding seats and occupy three or four. Unclassified laws of etiquette: Never leave home with unkind words. This advice is accompanied by watercolors and illustrations throughout. Though these are tips originate from nineteenth-century ideas, you'll find that they certainly do still apply.

School, clubs, soccer practice, piano lessons, study groups, latte with friends, dinner with grandparents, sleepovers, birthday parties, shopping—young ladies today are always on the go, their busy lives filled with activities and socializing. Girls interact with more people and in more places than ever before. But all of those opportunities to build friendships, make a good impression, and enjoy exciting experiences can go awry if she hasn't learned the basics of good conduct, respectful interaction, and thoughtful behavior. While the formal rules of etiquette are not taught the way they once were, good manners are as critical today as they ever were. 50 Things Every Young Lady Should Know provides a modern update on the ageless idea that girls should know appropriate and courteous responses to any given situation. Good manners aren't just some quaint idea and old-fashioned concept from the past. They're an essential aspect of every young lady's path to adulthood and the skills she will need to thrive in whatever she chooses to do. In an ever-changing world, good manners never go out of style.
