The Last Command, for the most part, is a return to form for the trilogy. While I don't think it's quite as good as the first book, I was happy enough with what I got to be generous with my rating. NEW YORK TIMES BESTSELLER • Grand Admiral Thrawn faces the ultimate test of his loyalty to the Empire in this epic Star Wars novel from bestselling author Timothy Zahn. "If I were to serve the Empire, you would command my allegiance." Such was the promise Grand Admiral Thrawn made to Emperor Palpatine at their first meeting. Since then, Thrawn has been one of the Empire's most effective instruments, pursuing its enemies to the very edges of the known galaxy. But as keen a weapon as Thrawn has become, the Emperor dreams of something far more destructive. Now, as Thrawn's TIE defender program is halted in favor of Director Krennic's secret Death Star project, he realizes that the balance of power in the Empire is measured by more than just military acumen or tactical efficiency. Even the greatest intellect can hardly compete

with the power to annihilate entire planets. As Thrawn works to secure his place in the Imperial hierarchy, his former protégé Eli Vanto returns with a dire warning about Thrawn's homeworld. Thrawn's mastery of strategy must guide him through an impossible choice: duty to the Chiss Ascendancy, or fealty to the Empire he has sworn to serve. Even if the right choice means committing treason. Praise for *Thrawn: Treason* "Another excellent addition to the new canon . . . *Thrawn: Treason* will reward you thoroughly for your time."—GeekMom "If you've ever enjoyed a Thrawn story—whether that was *Heir to the Empire* and its sequels or Zahn's new novels—you'll find more of what you enjoy in *Treason*."—Dork Side of the Force

When Grand Admiral Thrawn takes command of what is left of the Imperial fleet and launches a massive campaign against the New Republic, Han and Lando Calrissian race to find proof of treason inside the highest Republic Council. Reprint.

In the first half of a two-volume story, the New Republic's efforts to forge peace with the Empire is thwarted by a cabal of warlords led by the notorious, and reputedly dead, Grand Admiral Thrawn. Reprint.

Timothy Zahn's upcoming novel *Scoundrels*, starring Han Solo, Chewbacca, and Lando Calrissian, returns to the excitement of the classic Star Wars films. In this thrilling prequel eBook novella, *Winner Lose All*, Lando and a pair of unlikely allies find themselves involved in a dangerous game. Fortunately, Lando can survive against the odds—a skill that he will need in spades. Lando Calrissian's no stranger to card tournaments, but this one has a truly electrifying atmosphere. That's because the prize is a rare sculpture worth a whopping fifty million credits. If Lando's not careful, he's going to go bust, especially after meeting identical twins Bink and Tavia Kitik, master thieves who have reason to believe that the sculpture is a fake. The Kitiks are beautiful, dangerous, and determined to set things right—and they've convinced Lando to help them expose the scam. But what they're up against is no simple double cross, nor even a twisted triple cross. It is a full-blown power play of colossal proportions. For an unseen mastermind holds all the cards and has a fail-proof solution for every problem: murder.

The fast-paced sequel to *Specter of the Past* pits Han, Luke, and Leia against the cunning Major Tierce, who is intent on cultivating discord within the New Republic and raising the evil Admiral Thrawn from the dead. Reprint.

THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. "I have sensed a disturbance in the Force." Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor's favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it's not the first time Vader and Thrawn have joined forces. And there's more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth'raw'nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.
