want to know when he gets back from a stint of torture and chip-shop bombing in Northern Ireland: he loves his cat more than life itself. The Lieutenant of Inishmore is a brilliant satire on terrorism, a powerful corrective to the beautification of violence in contemporary culture, and a hilarious farce. laughter, disgust, and fear, he might be best known as part of a long line of Irish playwrights who faced controversy due to their art. Much like Synge, Shaw, and O'Casey, McDonagh has faced criticism and even outrage due to the violence and misunderstood portrayals of the Irish in his plays. Though the violence in plays like *The Pillowman* and *The Lieutenant of Inishmore* has been labeled gratuitous, we might better understand the purpose of that violence by examining them in light of Michel Foucault's concepts of knowledge and power. Foucault's approaches best highlight one of McDonagh's most important themes: the establishment of a power dynamic between characters. Foucault's analysis of the development and interaction of power structures in society, *Discipline and Punish: The Birth of the Prison*, clarifies the violence of McDonagh's plays, and might add depth

"Mr McDonagh is destined to be one of the theatrical luminaries of the 21st century" (The New Republic) In 1934, the people of Inishmaan learn that the Hollywood director Robert Flaherty is coming to the neighbouring island to film his documentary Man of Aran. No one is more excited than Cripple Billy, an unloved boy whose chief occupation has been gazing at cows and yearning for a girl who wants no part of him. For Billy is determined to cross the sea and audition for the Yank. And as news of his audacity ripples through his rumour-starved community, The Cripple of Inishmaan

becomes a merciless portrayal of a world so comically cramped and mean-spirited that hope is an affront to its order. With this bleak yet uproariously funny play, Martin McDonagh fulfills the promise of his award-winning *The Beauty Queen of Leenane* while confirming his place in a tradition that extends from Synge to O'Casey and Brendan Behan.

I'm just as good as bloody Pierrepoint. In his small pub in Oldham, Harry is something of a local celebrity. But what's the second-best hangman in England to do on the day they've abolished hanging? Amongst the cub reporters and sycophantic pub regulars, dying to hear Harry's reaction to the news, a peculiar stranger lurks, with a very different motive for his visit. Don't worry. I may have my quirks but I'm not an animal. Or am I? One for the courts to discuss. Martin
