The Death & Life of John F. Donovan is a Canadian drama film, co-written, co-produced, and directed by Xavier Dolan, in his English -language debut. It stars Kit Harington, Jacob Tremblay, Natalie Portman, Susan Sarandon, Kathy Bates, Thandie Newton, Ben Schnetzer, and Jared Keeso.

Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

New York Times Bestseller Winner of the Los Angeles Times Book Prize Winner of the J. Anthony Lukas Award "Nimbly splices together history, science, reporting and personal experiences into a taut and cautiously hopeful narrative.... Egan's book is bursting with life (and yes, death)." —Robert Moor, *New York Times Book Review* The Great Lakes—Erie, Huron, Michigan, Ontario, and Superior—hold 20 percent of the world's supply of surface fresh water and provide sustenance, work, and recreation for tens of millions of Americans. But they are under threat as never before, and their problems are spreading across the continent. *The Death and Life of the Great Lakes* is prize-winning reporter Dan Egan's compulsively readable portrait of an ecological catastrophe happening right before our eyes, blending the epic story of the lakes with an examination of the perils they face and the ways we can restore and preserve them for generations to come.

Traces the life and career of the British actor, discusses his major roles, and depicts his complex and often difficult personality

Ghosts are speaking to Alex, but can he bring them justice? Alex is a troubled teen with a checkered past, a broken home, and a surprising ability: psychometry. When he touches items murder victims held in their final moments, he relives the events in gruesome detail. But who will believe a troubled teen, especially when murders implicate the town's founding family? If you like amazing supernatural stories that are intense, powerful, and fraught with emotion, then you'll love Weston Kincade's suspenseful coming-of-age trilogy, *A Life of Death*. Ghosts are speaking, and they want answers. Heed the call. Buy *A Life of Death*.

In an illustrated, accessible text, the author explains the life cycle of stars, from dense molecular clouds to the enigmatic nebulae some stars leave behind in their violent ends.

Gripping and provocative, *The Life and Death of Sophie Stark* tells a story of fame, love, and legacy through the propulsive rise of an iconoclastic artist.

A Pulitzer Prize-winning reporter traces the career of the NHL enforcer to reveal how a series of concussions led to his accidental death and subsequent investigations into systematic violence in contact sports. 50,000 first printing.

A biography of the Oglala leader who relentlessly resisted the white man's attempt to take over Indian lands.

Horror has taken hold upon me because of the wicked that forsake thy law – Psalm 119:53 Updated, Modern English. Illustrated. The life of Mr. Badman forms a third part to *The Pilgrim's Progress*, but it is not a delightful pilgrimage to heaven. On the contrary, it is a wretched downward journey to the infernal realms. The author's goal is to warn poor, thoughtless sinners, not with smooth words they can ignore, but with words that thunder against their consciences regarding the danger of their souls and the increasing wretchedness into which they are madly hurrying. The one who is in imminent but unseen danger will bless the warning voice if it reaches his ears, however rough and startling it may sound. The life of Badman was written in an age when abandonment of moral principles, vice, gluttony, intemperance, habitual lewdness, and the excessive unlawful indulgence of lust marched like a ravaging army through our land, headed by the king, along with officers from his polluted peers. Is this book not also written for today, then?
