Little changes can make a big, big difference! In The Little Book of Big Change, psychologist Amy Johnson shows you how to rewire your brain and overcome your bad habits—once and for all. No matter what your bad habit is, you have the power to change it. Drawing on a powerful combination of neuroscience and spirituality, this book will show you that you are not your habits. Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your habit—over and over. This book offers a number of small changes you can make in your everyday life that will help you stop your bad habit in its tracks. If you want to understand the science behind your habit, make the decision to end it, and commit to real, lasting change, this book will help you to finally take charge of your life—once and for all.

If this little book has made its way into your life, you can trust that it wasn't by accident. This happy coincidence is a nudge from the Universe to remind you that you are awesome.Each chapter is filled with tiny bursts of insight to nourish your heart, warm your Soul, and help you to remember your true-self.If you find yourself asking big, deep life questions like, "What's my purpose?" and "Why am I here?" then you'll want to curl up with The Little Book of Big Knowing. Inside you'll be reminded:-Why you are here.-Who you are at your core.-Why your dreams matter to more than just you.Can you feel the gentle tug on your heart to know more? It's time. Take a breath, and lean in.

From the Big Bang to the future of our planet, The Little Book of Big History divides history into manageable but comprehensive time frames, encompassing the cosmos, the stars, life and everything in between. Big History is the attempt to understand and condense the entire story of the cosmos, from the Big Bang to the current day. Combining methods from history, astronomy, physics and biology to draw together the big story arcs of how the universe was created, why planets formed and how life developed, this creates a unique perspective from which to understand the place of mankind in the universe. Excited by the alternative 'framework for all knowledge' that is offered by this approach, Bill Gates is funding the Big History Project, which aims to bring the subject to a wider audience around the world. The Little Book of Big History breaks down the main themes of Big History into highly informative and accessible parts for all readers to enjoy. By giving a truly complete timeline of world events, this book shines a whole different light on history as we learned it and makes us think of our history - and our future - in a very different way.

An inspiring and illuminating guide to true self care, from the sage teacher and breakout star of the critically acclaimed drama, Queen Sugar, from Executive Producers Oprah Winfrey and Ava DuVernay for OWN. Featured on Essence Magazine's Culture List In all your years of schooling, did you ever take a single class that explained how to navigate the hurt, drama, and fear that come with living? Tina Lifford sure didn ' t. She learned the hard way—through experience as both a Hollywood actress and as the founder of the personal development network The Inner Fitness Project. Now, she brings together her own hard-won insights as well as those of her clients in this helpful and transformative guide. A blend of personal anecdotes and meaningful, practical—and most important, actionable—advice, The Little Book of Big Lies is the life skills class you need to nurture the inner you and move beyond the past. In fourteen raw, personal stories, Tina teaches you how to change your self-perception—to see yourself in the best possible light, to love and honor what you see, and to forge a new sense of what ' s possible in every aspect of your life. But make no mistake, The Little Book of Big Lies is not a " rah-rah " quick fix for fear and pain. Like physical fitness, building and maintaining emotional strength requires continued effort. This invaluable book is the foundation you need to start building inner health and well-being so you can thrive. Tina guides you on a journey of self-discovery that will help you turn shame into self-acceptance, self-rejection into self-love, blame into freedom, and old hurt into power. Wise and powerful, The Little Book of Big Lies will completely change how you think and live.

An exploration of some of the most important and enduring ideas in human history - from religion, science, philosophy, medicine, psychology, politics, economics and art - each presented in brief, accessible form. 'Big' ideas are those concepts and theories that have radically transformed our understanding of the world we live in, our place in that world and the ways we have shaped the past and will shape the future. They are the ideas that have had a huge impact on human civilization - and they come from all disciplines of human ingenuity. Topics covered range widely and include Creation Mythology, Existentialism, The Elements, Relativity, Space Travel, Geometry, Ethics, Behaviourism, Genetics, Warfare, The Nation State, Anarchism, Capitalism, Classical Art and Architecture, The Renaissance - and much more. This concise, accessible and multi-faceted book provides an essential introduction to 150 of the most important principles of Western thought.

Simple Guidance to Change your Life and Inspire Better Health, Wellness, and Fulfillment In a world full of people who are searching for big change, The Little Book of Big Life Change explores nine key elements of well-being and offers a wide-spanning, complete approach to regaining balance in our lives. Interweaving science with experience and ancestral wisdom, health and wellness guide Carrie Ciula helps us understand the ways that we can be living in a state of imbalance and shows us how to hone in on a few all-important, but often pushed-aside parts of life: nutrition, breath, movement, rest, cleansing, thought, unity, purpose, and love. This book will help you: Better understand the food you eat Decrease the amount of unwanted substances surrounding you Become aware of your thoughts and how they affect the way you feel Be mindful of what you buy And so much more Anyone who feels as though they aren't fully experiencing the life that they are here to experience, or who is drawn to improving their sense of joy and fulfillment, will be guided toward a deeper knowing that true balance happens as we learn to support the feeling of being content, connected, and complete within one's self—the feeling of being whole.

From the author of the popular Introvert Doodles and Kind of Coping, Maureen "Marzi" Wilson is tackling all kinds of big feelings with over 175 relatable, supportive, and light-hearted comics in her signature style. We've been conditioned to think that the most acceptable response to "How are you?" is, "I'm fine." But our emotions are much more complicated than that! Sometimes we feel a little annoyed, or elated, or afraid. And you know, that's okay! In The Little Book of Big Feelings, Maureen "Marzi" Wilson takes us on a journey of self-acceptance and validation. After all, our emotions are only reactions to experiences that we can learn from; there's no such thing as a "bad" emotion. It's okay to be scared, it's alright to feel hopeful, and it's perfectly fine to feel both at the same time. There is a wide range of human emotions, and it's time we start embracing each one!
