For all of you, I recommend Merlin: The Lost Years, Book 1 by T.A. Barron. It's one of those books that is just fanciful enough to enchant even the most recalcitrant reader, but plenty fanciful for those who like a good escape. I read it for the first time as an adult a few years ago, and enjoyed it alot.

Part adventure tale and part grimoire, The Lost Books of Merlyn remains true to the Druids' method of wrapping important knowledge in a story. Monroe's tale of the British Celts, their conflict with the Romans, and the last days of King Arthur, recounts the demise of the Druids but reveals the hope of their resurrection today.

2 Responses to "Merlin Book Series - List of Currently Available Books" Michelle Nelson - October 9, 2011 at 7:55 am. I am enjoying the Merlin series of books and have got the first four in series one and the 11th book in series one can you tell me if I can get the other episodes of the first series in books Thank you Michelle

If you're involved in any form of Celtic Wicca or Witchcraft, or if you just want to know more about the ancient Celtic Priests, the Druids, you need The Lost Books of Merlyn by Douglas Monroe. But you're not the only one who wanted this book. After his first book appeared, he received over 20,000 letters asking for more! That's the purpose of this book. The Lost Books of Merlyn is a series of writings which have come down to us as attributed through the pen of Merlyn, or ? more precisely ? as having originally been in his keeping. Merlyn (upon whom the mythical Merlin was based) was a Druid, and the Druids were the priest-priest-initiators of their people. So this book is a reconstruction of the ancient philosophy, beliefs, and methods for personal transformation you can use today. The book is composed of three parts, each one based on old Celtic legends, in the form of a story. Why was it written that way? "Because that is the way the Druids, the Celts, would have done it ? that is the way they taught." The three sections are "The Battle of the Trees," "The Book of Pheryllt," and "The Gorchan of Maeldrew." When these stories were originally told, the people knew the meanings of their symbolism. Not so, today. Therefore, at the end of each section is a grimoire explaining the meanings and, at the same time, sharing rituals,

oracles, and magical methods. You'll learn about tree oracles, Celtic signs of power, and the Druidic pantheon of deities. You'll discover how to contact Faery folk, the power of words, and charms of protection. Revealed, too, is how to make and use dowsing rods to find ley lines, and the secrets of magical dance and music. Also, you'll find out the secrets of the "Charm of Making" and the proof that it was ancient before it was popularized in a movie. This just barely scratches the surface of the book. You'll find that the wisdom here will touch you and help you on your path. Read it and learn.

This is the third and final volume of Douglas Monroe's Merlyn series. The Dark Age of Druidism of Merlyn was entirely based upon the teachings of the Pheryllt, a British Megalithic Priesthood whose practices and philosophies set the essence of what later Druidism would become - set, quite literally, in stone. Drawing once again upon the 16th Century Book of Pheryllt in addition to countless other volumes from Plato to Einstein, the author clearly establishes that the answers to nature's deepest questions lie well within our capacity to grasp - providing we understand how to look at the completed picture. Does the mind possess supernormal abilities? Does individuality survive bodily death? Is rebirth the evolutionary design of a Creator? As a young military commander in training, Arthur now faces his deepest trials as he challenges Merlyn with these three ultimate questions. Alongside him, begin your own quest to search out - and find! - answers to these and many other age-old mysteries.

This magical account of King Arthur's last night on earth, rediscovered in a collection of T. H. White's papers at the Harry Ransom Center at the University of Texas at Austin, spent twenty-six weeks on the New York Times bestseller list following its publication in 1977. While preparing for his final, fatal battle with his bastard son, Mordred, Arthur returns to the Animal Council with Merlyn, where the deliberations center on ways to abolish war. More self-revealing than any other of White's books, Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become The Once and Future King. The Book of Merlyn has been cited as a major influence by such illustrious writers as Kazuo Ishiguro, J. K. Rowling, Helen Macdonald, Neil Gaiman, and Lev Grossman. "Arriving from beyond the curve of time and apparently from the grave, The Book of Merlyn stirs its own pages, saying, wait: you didn't get the whole story. . . . It gives us a final glimpse of those two immortal characters, Wart and Merlyn, up close, slo-mo, with a considered and affectionate scrutiny. The book is an elegiac posting from a master storyteller of the twentieth century. Its reissue in our next century is just as welcome as when it first arrived forty years ago. . . . Certainly the moral questions about the military use of force perplex the world still. . . . The

efficacy of treaties, the trading of insults among the potentates of the day, the testing of weapons, the weaponizing of trade—these strategies are still front and center. Rather terrifyingly so. We do well to revisit what that old schoolteacher of children, Merlyn, has been trying to point out to us about power and responsibility.” —Gregory Maguire, from the foreword

King Arthur would get advice from his magician, Merlyn, in the mythic stories. The real Arthur (who lived over 500 years before the period of the mythic Arthur) was trained by a Druid bard and poet named Merlyn. The result was an unprecedented period of peace that lasted for twenty years. In Douglas Monroe's *The 21 Lessons of Merlyn*, you'll read delightful stories based on the historic Arthur and Merlyn. Each one is followed by lessons based on the never-before-published 16th century manuscript entitled *The Book of Pheryllt*. In a metaphoric sense, you'll see how Arthur learned his lessons. In a practical sense, you be learning the same sort of lessons that Arthur may have learned. This is truly a complete course in authentic Celtic Druidism and magick. Filled with lore, philosophy, wisdom, rituals, and more, you'll be able to apply many of these concepts to improve your life. If you are looking for accurate information, this is the place to start! Douglas Monroe has studied magick since he was ten years old and has taught in the United States, Britain, and South America, and is the founder of the New Forest Centre for Magickal Studies. His own illustrations and charts fill the book and clarify the deep teachings of the ancient Druids. From learning about Stonehenge to the Rite of the 3 Rays for protective purification; from learning the four herbs that will aid in conserving male sexual energy to discovering the secrets of calling the Dragon (the power of the ley lines); this book is like a full course meal in a cafeteria of magick. If you are really interested in gaining a thorough understanding of the real tradition of the Druids — what they believed, what they practiced and how to incorporate it into your life — then join with 120,000 other people. Get this book today!

Kate Gordon accompanies her father on a quest for a sunken Spanish galleon that contains a treasure beyond price—a mysterious drinking horn which legend states may have been responsible for Merlin's death. Now, to save her father's life, Kate must enter an undersea world of bizarre creatures and terrifying foes, and succeed where Merlin failed.

A young boy who has no identity nor memory of his past washes ashore on the coast of Wales and finds his true name after a series of fantastic adventures.

A prequel to the bestselling Merlin saga starring Shim, a young giant who must embark on a dangerous adventure when he's shrunk to the size of a man's knee. *"An excellent jumping-in point for new readers as well as pleasurable reading for established fans...Simply delightful."--Kirkus Reviews (starred review) Read it before you see it! The Merlin saga is soon to be a major motion picture! Shim has only ever known a world of peace. Unusually big and strong even for a young giant, he lives on the magical isle of Fincayra, immersed in nature as well as tales of wizards, mer folk, and dragons. Suddenly that world explodes in chaos. A terrible attack forces Shim and his mother to flee -- and take a hazardous journey to reach the only person who could possibly help them, the mysterious Domnu. But when a wager goes horribly wrong, Shim shrinks down to a tiny fraction of his size. Now only as tall as a man's knee, he finds himself lost in a deadly swamp. Worse yet, he has forgotten something important, something truly essential. But what? As small as he is now, Shim must find giant-size courage. He embarks on a perilous quest to discover what happened, what secret he forgot, and what it really means to be a giant. Combining his trademark passion, adventure, and spiritual depth, T. A. Barron tells the origin story of this beloved character from his highly acclaimed, international bestselling series, The Merlin Saga. As the Prequel to the Saga, this story is as big as a giant... and as magical as Merlin.

Arthur McCallum, a young English policeman, discovers the truth about his own destiny when he and Melchior, apprentice to the wizard Merlin, battle the evil forces of Mordred, in a modern version of the Arthurian legend
