The final of 1956 saw Manchester City win 3 – 1 against Birmingham City. Roughly 15 minutes before the end of the game, Man City's goalkeeper Bert Trautmann (a German who had been taken as a prisoner of war by the British in 1945) injured his neck when he made a save at the feet of Birmingham's Peter Murphy. Despite being in terrible pain he continued to play till the end of match and collected his winners' medal still clutching his neck.

Roberto Mancini was the man tasked with getting the best out of the multi-million pound squad assembled during Hughes' 18-month reign. But Cook admits the Italian was not their first choice.

A novel about the remarkable life of the Irishman Patrick O'Connell, appointed as manager of FC Barcelona at the outbreak of the Spanish Civil War in 1936, and generally recognised as the man who saved the club from bankruptcy.

Written by Terry Stevens.The Stories Behind 50 of the World's Great Destinations.This book will give tourists and travelers a description of each of the 50 destinations with a personal explanation giving an insight as to why, and how, these destinations consistently deliver high quality visitor experiences. It aims to show the visitor how good management and an understanding of the importance of hospitality underpins the success of each destination. Tourists are now very interested in knowing more about how the places they visit are organized and how they get things right.Including a detailed analysis of international best practice in destination management written with deep insight and research supported by extensive bibliography. This will be a major reference book on successful destination management based on Terry's 40 years working in the industry in over 55 countries.- This is not a typical language-driven, promotional bucket-list guidebook. Stevens gives these destinations real world context. He tells us its personality, its mood and not just the reason for being but its reason for resilience, perseverance and ultimate success." Peter Greenberg, Travel Editor/CBS News

This set reissues 28 books on Romanticism originally published between 1940 and 2006. Routledge Library Editions: Romanticism provides an outstanding collection of scholarship which explores not only Romantic literature but the Romantic Movement as a whole, including art, philosophy and science.

First published in 1981. A Concordance to the Poems of John Keats intended to provide the user with a volume suitable to the varying and increasingly specialised interests of scholarship. This title offers a high degree of inclusiveness that attends to the poems and plays, the emended and authoritative headings, and virtually all of the variant readings considered substantive in the riches of the Keats manuscript materials. This title will be of interest to students of literature.

The compelling story of the great Irish pioneers who left their homeland and in the process profoundly influenced their adoptive countries. From the first voyages of Saint Brendan in the early sixth century, an estimated 10 million people have left the Irish shores for other countries, and today, more than 80 million people worldwide claim Irish descent. In the centuries after the fall of Rome, Irish missionaries carried the word of the Christian God throughout Europe, while soldiers and mariners from across the land ventured overseas in all directions. The advent of the British Empire ignited a slow but extraordinary exodus from Ireland. These "Wild Geese" who opted to live outside of the Protestant state took their chances in the Spanish and French empires, as well as in the fledgling New World. These immigrants played an important role wherever they went: rising to high political and military positions in France and Spain, impacting the foundation of the United States, and fighting in the Civil War that followed it nearly eighty years later. Other Irish would come to the fore in business, science, engineering, and the arts, while some were destined for infamy as mobsters and gunslingers. Historian Turtle Bunbury explores the lives of these men and women, great and otherwise, whose pioneering journeys beyond the Irish shore have played a profound role in world history and have left their indelible mark far beyond Ireland. Throughout The Irish Diaspora, Bunbury takes these overlooked events and characters and weaves them into an entertaining, and often surprising, history of the Irish abroad.
