One of the most recognizable features of anime is the eyes. They're big, they're expressive, and they're often exaggerated to show emotion. Anime eyes are only made up of a few basic shapes and they don't have a lot of detail, so they're actually pretty simple to draw. In this Master Guide To Drawing Anime book, you will discover the ways to make different eyes for your characters. Besides, you will also given many examples of many other ways to help you design your own characters. It is your day to start drawing attractive and beautiful eyes for your anime characters!

Packed with tutorials and enticing projects, this stylish compilation from bestselling author Christopher Hart demystifies the entire process of drawing manga s irresistibly edgy fashions. From classic outfits to new Tokyo trends, hairstyles to figures and poses, Chris explores this popular Japanese genre in depth: mixing and matching outfits, creating complementary color schemes, drawing patterns on fabric, and more. A troubleshooting guide helps beginners solve common problems."
