The Message of the Qur'an is an English translation and interpretation of the 1924 Cairo edition of the Qur'an by Muhammad Asad, an Austrian Jew who converted to Islam. It is considered one of the most influential Quranic translations of the modern age. The book was first published in Gibraltar in 1980, and has since been translated into several other languages. Asad meant to devote two years to completing the translation and the commentary but ended up spending seventeen. In the opening, he ded

One of my favourite translations, with an emphasis on the spiritual message of the Holy Qur'an. Highly informative and readable. I preferred the Kindle version: it's easy to travel with, and it's very easy to jump from text to notes and back again. It's great to be able to bookmark one's position in the book.

This is a message from the Lord of the Worlds, the Creator of mankind and of all creation. And He informs us (ch. 51 v. 56) that our PURPOSE in this world is to worship Him alone. What sets ISLAM apart from all other religions is that it makes God exclusive. A Muslim MUST reject all false objects of worship/idols and single out ALLAH for worship.

Thus, the message of the Quran is universal and eternal. The divine sets the standards through messages delivered to human beings. It was left to individuals to seek the path of unity, dignity, universality, justice and peace not the path to argue with each who is better than the other or who would qualify for the grace of God and who would not.

The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness

to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes.

In this introduction to the Qur'an, Fazlur Rahman unravels its complexities on themes such as God, society, revelation, and prophecy.

This volume rejects the notion that Islam's sacred text is error free and cannot be critically evaluated. The study of the Koran must develop and mature. Scholars of Islam are of course familiar with the book's many errors and contradictions, but these inherent flaws have rarely been revealed to a wider public. The Origins of the Koran is an attempt to remedy this deficiency by bringing together classic critical essays which raise key issues surrounding Islam's holy book. Divided into four parts, this important anthology begins with Theodor Nöldeke's first truly scientific study of the Koran. Part Two focuses on the difficulty of establishing a reliable Koranic text, while Part Three examines the Jewish, Christian, and Zoroastrian sources of Muhammad's revelation. Part Four is a consideration of the

controversial interpretations of contemporary scholar John Wansbrough, who questions the historical reliability of the earliest Islamic sources. This superb collection, which includes additional selections from Leone Caetani, Arthur Jeffery, David Margoliouth, Andrew Rippin, C.C. Torrey, and more, will prove indispensable to scholars and all those interested in the textual underpinning of one of the fastest growing religions in the world. Ibn Warraq is the highly acclaimed author of *Why I Am Not a Muslim and Defending the West*. He is also the editor of *The Origins of the Koran, What the Koran Really Says, Leaving Islam, The Quest for the Historical Muhammad, and Which Koran'*.
