The Modern Survival Manual is based on first hand experience of the 2001 Economic Collapse in Argentina. In it you will find a variety of subjects that the author considers essential if a person wants to be prepared for tougher times: -How to prepare your family, yourself, your home and your vehicle -How to prepare your finances so that you don't suffer what millions in my country went through -How to prepare your supplies for food shortages and power failures -How to correctly fight with a chair, gun, knife, pen or choke with your bare hands if required -Most important, how to reach a good awareness level so that you can avoid having to do all that These are just a few examples of what you will find in this book. It's about Attitude, and being a more capable person and get the politically correct wimp out of your system completely.

Tornadoes, floods, and terrorism—frightening events like these are in the news every day, and it ' s likely you already know someone who ' s been affected by such a terrifying ordeal. Modern Survival is the ultimate guide for all you need to know about surviving in the modern world. Barry Davies, who spent eighteen years in the British Special Air Service, teaches readers how to go on living with the bare necessities when everything you knew as normal suddenly slips away. Don ’ t be a target. Fight back, protect yourself, and beat the odds with the essential manual no one in the twenty-first century should be without. BE A SURVIVOR, NOT A STATISTIC!

Ninja master and survival expert Hakim Isler presents modern day survival strategies based on the techniques of Japan's ancient ninja. If you find yourself in an unexpected extreme situation—while wilderness camping, hiking or adventuring off the beaten path—a fundamental understanding of your surroundings can make the difference between life and death. By harnessing the powers of nature, the ninja built a legendary reputation as survivalists with an ability to thrive in even the most inhospitable situations. By studying their ancient philosophy and techniques, alongside modern science, you can prepare yourself to survive in any outdoor environment. The basis for ninja survival skills comes from the Buddhist philosophy of the five elements: Earth, Water, Fire, Wind and the Void. By understanding how the elements relate to the human body, the formula for survival

becomes clear. Earth — protection from the harsh elements using trees, leaves, dirt, grass, and vines to build shelter Water — effectively cool off when overheated and avoid dehydration Fire — properly use fire to warm the body and to purify water by boiling it Wind — harness the power of wind to ventilate shelters, smoke meat and help build fires Void — apply knowledge and creativity while developing a survival plan Isler has over 20 years of experience as a martial artist, Special Forces soldier and security expert. With over 135 full-color photos and 60 illustrations detailing these time-tested methods, this book offers insights that are extremely practical. The foreword by Ninjutsu master Stephen K. Hayes masterfully connects the past to the present by providing unique and valuable insights for surviving mentally in the outdoors.
