The Murder of Sonny Liston is a classic of the genre . . . The cast of characters in these pages is a casino-packed assembly of the showbiz stars of a neon era who performed on that fabled Strip, heroes of the prize-ring, shadowy figures of a Mafia underworld, money-grubbing hangers-on, showgirls, straight and crooked cops.

Las Vegas, the 1970s. Richard Nixon was launching America's first war on heroin; boxing was in its glory days; The Strip was being transformed from a playground for the mob to a mecca for corporate dollars. Sonny Liston was cashing in on his fading notoriety in the casinos, dealing drugs, working as an enforcer for a crime syndicate, and trying to break into Hollywood as an action star. On January 5, 1971, Liston was found dead in his home, with heroin in his blood. Accidental OD-- or murder? Assael treats Liston's death as a cold case, and takes a fresh look at Liston and the town he called home.

The basis for SHOWTIME Sports Documentary Pariah: The Lives and Deaths of Sonny Liston A daring investigation into the mysterious death of Heavyweight Champion Sonny Liston, set against the dawn of the 1970s, when the mob was fighting to keep control of the Las Vegas Strip, Richard Nixon was launching America's first war on heroin, and boxing was in its glory days. On January 5, 1971, Sonny Liston was found dead in his home—of an apparent heroin overdose. But no one close to Liston believed that his death was accidental. Digging deep into a life that Liston tried hard to hide, investigative journalist Shaun Assael treats the boxer's death as a cold case. The result is a page-turning whodunit that evokes a glorious and grimy era of Las Vegas. Elvis Presley was playing two shows a night at the International. Howard Hughes was running his empire from the penthouse suite of the Desert Inn. And middle America was flocking to the Strip, transforming it from an exclusive playground for the mob to a mecca for corporate dollars. But the city was also rotting from within. Heroin was pouring over the border from Mexico, and the segregated Westside was on the cusp of a race war. The cops, brutally violent,

were barely holding it together. Driving through town with the top of his pink Cadillac down, Sonny Liston was the one celebrity who was unafraid to bridge the two sides of Las Vegas. Cashing in on his fading notoriety in the casinos, he was dealing drugs, working for a crime syndicate, and trying to break into Hollywood—all with a boxer's faith that he could duck any threat, slip any punch. Heroin addiction was the only knockout blow he didn't see coming. The Murder of Sonny Liston takes a fresh look at the legendary boxer, the town he called home, and one of America's most enduring mysteries.

On January 5th 1971, former heavyweight champion Sonny Liston was found dead at his Las Vegas home. Liston's death, labelled an overdose, has long hung over Las Vegas and the boxing world, leaving unanswered questions about his ties to mob kingpins, drug lords, billionaire hoteliers and powerful promoters. Against the backdrop of the pivotal era in the history of Las Vegas when the mob turned a sleep desert oasis into a gambling paradise, The Murder of Sonny Liston is both a riveting murder hunt and a stunning portrait of a city that was home to the Rat Pack, race riots and glittering high-rises along the strip.

A biography of the controversial fighter follows Liston from the mean streets, where he was a petty criminal, to the heavyweight championship and his life as a pawn of organized crime. By the author of Power on Earth. 40,000 first printing.

Against the backdrop of the pivotal era in the history of Las Vegas when the mob turned a sleep desert oasis into a gambling paradise, The Murder of Sonny Liston is both a riveting murder hunt and a stunning portrait of a city that was home to the Rat Pack, race riots and glittering high-rises along the strip.

A biography of the controversial fighter follows Liston from the mean streets where he was a petty criminal, to the heavyweight championship and the tragic end of his life.

Boxing and the Mob explores the heavy influence of the mob on boxing in the 1930s through the early 1960s. It profiles boxers such as Abe Attell and Sonny Liston and infamous mobsters including Owney Madden and Frankie Carbo. In addition, this book details many of the most notorious fixed boxing matches in the sport's history.

Sheds new light on Liston's tragic life and his extraordinary boxing career.

In 1962, boxing writers and fans considered Cassius Clay an obnoxious self-promoter, and few believed that he would become the heavyweight champion of the world. But Malcolm X, the most famous minister in the Nation of Islam—a sect many white Americans deemed a hate cult—saw the potential in Clay, not just for boxing greatness, but as a means of spreading the Nation's message. The two became fast friends, keeping their interactions secret from the press for fear of jeopardizing Clay's career. Clay began living a double life—a patriotic "good Negro" in public, and a radical reformer behind the scenes. Soon, however, their friendship would sour, with disastrous and far-reaching consequences. Based on previously untapped sources, from Malcolm's personal papers to FBI records, *Blood Brothers* is the first book to offer an in-depth portrait of this complex bond. Acclaimed historians Randy Roberts and Johnny Smith reconstruct the worlds that shaped Malcolm and Clay, from the boxing arenas and mosques, to postwar New York and civil rights-era Miami. In an impressively detailed account, they reveal how Malcolm molded Cassius Clay into Muhammad Ali, helping him become an international symbol of black pride and black independence. Yet when Malcolm was barred from the Nation for criticizing the philandering of its leader, Elijah Muhammad, Ali turned his back on Malcolm—a choice that tragically contributed to the latter's assassination in February 1965. Malcolm's death marked the end of a critical phase of the civil rights movement, but the legacy of his friendship with Ali has endured. We inhabit a new era where the roles of entertainer and activist, of sports and politics, are more entwined than ever before. *Blood Brothers* is the story of how Ali redefined what it means to be a black athlete in America—after Malcolm first enlightened him. An extraordinary narrative of love and deep affection, as well as deceit, betrayal, and violence, this story is a window into the public and private lives of two of our greatest national icons, and the tumultuous period in American history that they helped to shape.

"Current fans and recovering Hulkamaniacs alike should find [*Sex, Lies, and Headlocks*] as gripping as the *Camel Clutch*." —Maxim *Sex, Lies, and Headlocks* is the ultimate behind-the-scenes look at the backstabbing, scandals, and high-stakes gambles that have made wrestling an enduring television phenomenon. The man behind it all is Vince McMahon, a ruthless and entertaining visionary whose professional antics make some of the flamboyant characters in the ring look tame by comparison. Throughout the book, the authors trace McMahon's rise to power and examine the appeal of the industry's biggest stars—including Ed "Strangler" Lewis, Gorgeous George, Bruno Sammartino, Ric Flair, and, most recently, Stone Cold Steve Austin and The Rock. In doing so, they show us that while WWE stock is traded to the public on Wall Street, wrestling remains a shadowy world guided by a century-old code that stresses secrecy and loyalty. With a new afterword, this is the definitive book about the history of pro wrestling. "Reading this excellent behind-the-scenes look at wrestling promoter McMahon . . . is almost as entertaining and shocking as watching the most extreme antics of McMahon's comic-book style creations such as Steve Austin and The Rock." —Publishers Weekly "A quintessentially American success story of a cocky opportunist defying the odds and hitting it big . . . Sparkling cultural history from an author wise enough to let the facts and personalities speak for themselves." —Kirkus Reviews
