Legend : A Nate Temple Supernatural Thriller - Book 11 This story isn't one of my favorites. The story was surrounded by lies, upon lies, terrible deaths and deception, slow moving and sometimes confusing with who really was who. Nate continues to wallow about his lack of powers, magic or Fae.

Legend (The Temple Chronicles, #11) by Shayne Silvers

Nate Temple, outwardly a womanising extremely wealthy young man, but all is not quite what it seems. There's a great deal of humour amidst the action, magic and mayhem. The characters are larger than life, realistic (apart from the wizard and werewolf part) and very appealing. A really refreshing difference to the typical tale in this genre.

And with the entire wedding party on the bloodthirsty Grimm's hit-list, and his family fortune in jeopardy, Nate realizes they can't run and they can't hide. So, time to do magic and stuff... But with every flavor of supernatural thug teaming up to help the Grimms, Nate realizes that friends have become enemies and enemies have become friends, and he's forced to cross lines that are better left uncrossed. When magic, claws, and teeth dance to the song of war, the only thing left to learn is who lives and who dies. And if Nate can live with the consequences. No wonder a guy is terrified to propose... You will find that my stories focus on the ancient myths, characters, and stories we all know, fear, and love. Then twist them up and toss them back like an empty beer can. Q: What order should I read the books in? A: I've written the series with the intent that they should be read in order to get the full effect of the bigger picture; however the stories can be read in any order if you are looking for a quick, fast-paced romp through Adrenaline-ville. I suggest the following sequence: Obsidian Son Blood Debts Fairy Tale - Prequel (FREE to email subscribers) Grimm Silver Tongue Q: So, why should readers give these books a try? A: Because the Nate Temple series is a present day thrill-ride that takes no prisoners. Dragons, Angels, Demons, Greek Legends, Wizards, werewolves, and a whole slew of other supernatural 'Freaks' abound in my stories. Obsidian Son has hit #1 Bestseller on Kindle for Urban Fantasy and Paranormal. The plot twists and turns until the last page, and my twisted sense of humor will have you laughing out loud at things you really shouldn't be laughing at. I mean, the first chapter in the series depicts the legendary, murderous Minotaur as a reformed Buddhist, and Nate cowtips him... Come on!

A Wizard, an Angel, and a Horseman of the Apocalypse walk into a bar... The ancient pact between mankind, Heaven, and Hell has been broken. And this upstart wizard's quest for vengeance may have just kicked off Armageddon. So, time for a drink... or maybe two. Already plagued with sinister night terrors that could qualify him as a card-carrying psychopathic insomniac, Nate can barely even manage to put his pants on in the morning, let alone pick teams for the Apocalypse. But when he's framed as a demon sympathizer, condemned by the Armies of Heaven, and hunted down by both his allies and the Four Horsemen, this wizard doesn't think it can get any worse... Then they take away his magic. And a wizard without magic stands no chance against the forces of Heaven and Hell... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the second installment of The Nate Temple Supernatural Thriller series.

Temple's all-consuming quest to avenge his parents is temporarily put on hold when shape-shifting dragons invade St. Louis. And perhaps cow-tipping the Minotaur for answers might not have been Nate's smartest opening move, because now every flavor of supernatural thug from our childhood nightmares is gunning for him. Nate learns that the only way to save his city from these creatures is to murder his best friend... Nate's choice will throw the world and his own conscience into cataclysmic chaos: avenge his parents or become a murderer to save his city. Because to do either, he's going to have to show the world that magic is very, very real, and that monsters are very, very hungry... To survive, he might just need to take a page from the book, *How to Win Friends and Influence Monsters*. If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the first installment of The Nate Temple Supernatural Thriller series.

My resume is pretty full: I've cow-tipped the Minotaur, decimated a gang of weredragons, sucker-punched an Angel, and eaten pancakes with the Four Horsemen of the Apocalypse... I've kidnapped one of the most powerful wizards on the planet, and slaughtered the Brothers Grimm. I'm kind of a big deal. But I never thought I'd find myself at a crossroads, a pawn in a deadly game that I hadn't known existed, willing to sell my soul to save the life of someone I loved... That's when I learned true fear, because the world I thought I knew was all just smoke and mirrors, and I was just a puppy playing amongst wolves... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the fifth installment of The Amazon Bestselling Nate Temple Supernatural Thriller series.

A little boy must know his legend-his origin. And he must learn the painful truth that his entire life has been meticulously planned and laid out like the steps to a choreographed dance. Let's discover what dangers a little boy can get into when his imagination is more real than reality itself? When the powers of life and death can be heard in the absent humming of a little boy playing in the woods with his cat? Because behind every Song is a Mask waiting to be born. Or destroyed?
