“ A moving evocation of the small-town South in the mid-twentieth century ” that “ belongs on the shelf with the works of Flannery O ' Connor, Carson McCullers, and Eudora Welty ” (Orlando Sentinel). John Kennedy Toole—who won a posthumous Pulitzer Prize for his best-selling comic masterpiece *A Confederacy of Dunces*—wrote *The Neon Bible* for a literary contest at the age of sixteen. The manuscript languished in a drawer and became the subject of a legal battle among Toole ' s heirs. It was only in 1989, thirty-five years after it was written and twenty years after Toole ' s suicide at thirty-one, that this amazingly accomplished and evocative novel was freed for publication. “ Heartfelt emotion, communicated in clean direct prose . . . a remarkable achievement. ” —Michiko Kakutani, *The New York Times* “ John Kennedy Toole ' s tender, nostalgic side is as brilliantly effective as his corrosive satire. If you liked *To Kill A Mockingbird* you will love *The Neon Bible*. ” —Florence King “ Shockingly mature. . . Even at sixteen, Toole knew that the way to write about complex emotions is to express them simply. ” —Kerry Luft, *Chicago Tribune*

The accomplished and evocative first novel by the Pulitzer Prize-winning author of *A Confederacy of Dunces*. John Kennedy Toole wrote *The Neon Bible* for a literary contest at the age of sixteen. The manuscript was finally published twenty years after Toole's death. *The Neon Bible* opens with the narrator, a young man named David, on a train, leaving the small Southern town he's grown up in for the first time. What unspools is the tender and tragic coming-of-age story of a lonely child, a story that revolves around David's unorthodox friendship with his great-aunt Mae - a former stage performer who is fiercely at odds with the conservative townspeople - and the everyday toll of living in an environment of religious fanaticism. From the opening lines of *The Neon Bible*, David is fully alive, naive yet sharply observant, drawing us into his world through the sure artistry of John Kennedy Toole.

Written by the Pulitzer Prize-winning author of the bestselling cult classic *A Confederacy of Dunces*, John Kennedy Toole, when he was only sixteen, *The Neon Bible* is a sweet, moving, and memorable coming-of-age story

Traces the life and early death of the author of the Pulitzer Prize-winning *A Confederacy of Dunces*, recounting Toole's upbringing in New Orleans, the crushing difficulties he faced while trying to publish his posthumously acclaimed novel and his untimely suicide.

"A green hunting cap squeezed the top of the fleshy balloon of a head. The green earflaps, full of large ears and uncut hair and the fine bristles that grew in the ears themselves, stuck out on either side like turn signals indicating two directions at once. Full, pursed lips protruded beneath the bushy black moustache and, at their

corners, sank into little folds filled with disapproval and potato chip crumbs."

The phenomenal success of John Kennedy Toole's comic masterpiece, *A Confederacy of Dunces*, is now legendary, a story that has long beckoned a deeper exploration into the life, imagination, and demise of the writer responsible for one of American literature's most memorable characters -- Ignatius J. Reilly. In *Ignatius Rising*, Ren é Pol Nevils and Deborah George Hardy present the first biography of Toole, drawing upon scores of interviews with contemporaries of the writer and acquaintances of his influencing mother, Thelma, as well as unpublished letters, documents, and photographs. Frank yet sympathetic, Ignatius Rising deftly describes a life that is dark, tragic, bizarre, and amazing -- but luminous with the gift of laughter, a life not unlike those of Toole's beloved characters, now loved the world over.

A rich new novel that explores the true story of *A Confederacy Of Dunces* and the remarkable life of its author, John Kennedy Toole. I, John Kennedy Toole is the novelized true story of the funny, tragic, riveting narrative behind the making of an American masterpiece. The novel traces Toole ' s life in New Orleans through his adolescence, his stay at Columbia University in New York, his attempts to escape the burden of his demanding mother and his weak father, his retreat into a world of his own creation, and finally the invention of astonishing characters that came to living reality for both readers (and the author himself) in his prize-winning *A Confederacy of Dunces*. The other fascinating (and mostly unknown) part of the story is how after a decade of rebuke and dismissal the novel came to a brilliant author, Walker Percy, and a young publisher, Kent Carroll, who separately rescued the book, then published it with verve and devotion. The novel that almost never came to be went on to win a Pulitzer Prize and continues to sell at a satisfying rate as it winds its way to the 2 million mark. That audience is the happy ending for this brilliant, unrepentant writer, whose only reward before his untimely death was his unending belief in his work and his characters.

Nadine Gordimer is one of our most telling contemporary writers. With each new work, she attacks - with a clear-eyed lack of sentimentality, and an understanding of the darkest depths of the human soul - the inextricable link between personal life and political, communal history. The revelation of this theme in each new work, not only in her homeland South Africa, but the twenty-first century world, is evidence of her literary genius: in the sharpness of her psychological insights, the stark beauty of her language, the complexity of her characters and the difficult choices with which they are faced. In *No Time Like the Present*, Gordimer brings the reader into the lives of Steven Reed and Jabulile Gumede, a 'mixed' couple, both of whom have been combatants in the struggle for freedom against apartheid. Once clandestine lovers under racist law forbidding sexual relations between white and black, they are now in the new South Africa. The place and time where freedom - the 'better life for all' that was fought for and promised - is being created but also challenged by political and racial tensions, while the hangover of moral ambiguities and the vast and growing gap between affluence and mass poverty, continue to haunt the present. No freedom from personal involvement in these or in the personal intimacy of love. The subject is contemporary, but Gordimer's treatment is timeless. In *No Time Like the Present*, she shows herself once again a master novelist, at the height of her prodigious powers.
