If you notice a hole in the upper left-hand corner of your Farmers’ Almanac, don’t return it to the store! That hole isn’t a defect; it’s a part of history. Starting with the first edition of the Farmers’ Almanac in 1818, readers used to nail holes into the corners to hang it up in their homes, barns, and outhouses (to provide both reading material and toilet paper).

As surely as the Sun rises in the east and maple leaves turn color in autumn, The Old Farmer’s Almanac is back—and it’s better than ever! Recognized for generations by its familiar yellow cover, America’s best-loved annual and oldest continuously published periodical (now in its 224th year!) promises to be “useful, with a pleasant degree of humor,” once again fulfilling both the mission set forth by its founder, Robert B. Thomas, and readers’ expectations. This edition is packed with wit, wisdom, tips, advice, facts, fun, and recipes, including: • traditionally 80 percent–accurate weather forecasts • how to make sausages at home • “creatures from hell” • grow your own beer (ingredients) • time- and money-saving tips • unmasked mysteries of plant seed dispersal • bale, key, and concrete block gardens • quirky origins of American horse breeds • history, lore, and more about birthstones Plus, Moon phases and other celestial sightings, tides, gardening tables, best days to do things, and more. Added value this year: • 96 full-color pages • full-color winter and summer weather maps • updated Reference section Often imitated, but never equaled. Accept no substitutes!

As surely as the Sun rises in the east and maple leaves turn color in autumn,The Old Farmer’s Almanacis back—and it’s better than ever! Recognized for generations by its familiar yellow cover, America’s best-loved annual and oldest continuously publ

The timeless reference book returns with full color pages; color weather-forecast maps; weather predictions; astronomical data; gardening advice; recipes; articles on fishing, raising animals, laughter, and more; ideas, hints, and charts that provide simple solutions for everyday challenges; and much more.

Provides weather predictions for the entire United States and includes such features as the best days for fishing, recipes from the Wild West, and tips for tightwads.

"Fitted for Boston and the New England states, with special corrections and calculations to answer for all the United States."

Presents a compilation of practical advice and folklore, featuring weather forecasts for the United States, planting tables, health remedies, horoscopes, recipes, games and puzzles and other entertaining and useful information, all in an attractive layout with dozens of full-color pages.

In celebration of the Almanac’s 225th anniversary (in 2017), Almanac readers, fans, and enthusiasts share their favorite recipes for home-cooked meals, potlucks, holidays, special occasions, and simply snacking, with the story of each recipe’s origin and why it is special.

It’s another new year celebrating everything under the Sun, including the Moon, with The Old Farmer’s Almanac, America’s oldest continuously published periodical! Always timely, topical, and distinctively “useful, with a pleasant degree of humor,” the Almanac has been beloved for centuries by people from all walks of life. As the nation’s iconic calendar, the 2019 edition will forecast cultural, culinary, and other life-changing trends; preview notable astronomical events; provide time- and money-saving tips for gardeners of all varieties; set the hook for best fishing days; forecast traditionally 80 percent–accurate weather; and cover a range of related topics, including anniversaries, folklore, husbandry, home remedies, recipes, amusement, contests, and more—too much more to mention—all in the inimitable way it has done since 1792.

The All-Seasons Garden Guide is the annual spring companion to the Almanac. Its large, full-colour pages are devoted exclusively to gardening, including general information, tips, and advice from experts for growing vegetables, flowers, and fruit.
