Another classic from the author of the internationally bestselling The Outsiders Continue celebrating 50 years of The Outsiders by reading this companion novel. That Was Then, This is Now is S. E. Hinton's moving portrait of the bond between best friends Bryon and Mark and the tensions that develop between them as they begin to grow up and grow apart. "A mature, disciplined novel which excites a response in the reader . . . Hard to forget."—The New York Times

Usually easygoing and affable, fifteen-year-old Tex undergoes a startling personality change when his rodeo-riding father reveals the truth about Tex's birth, unwittingly pushing the boy to the point of murder.

The classic YA story of a boy, a horse, and pursuit of a dream. TAMING THE STAR RUNNER written by celebrated novelist S.E. Hinton, now available as an eBook for the first time. With an absent mother and a domineering step-father, Travis uses his tough-guy exterior to hide his true passion: writing. After a violent confrontation with his step-father, Travis is sent to live on his uncle ' s horse ranch - exile to a born-and-bred city kid. Angry and yearning for a connection, Travis befriends Casey, the horse-riding instructor at the ranch, and the un-tamable horse in her stable: the Star Runner. When a friend from the city visits with stories of other kids from the neighborhood facing jail time, Travis is more determined than ever that he needs to escape the life of juvenile delinquency he seems destined for. When the offer of a book deal comes through, Travis is hopeful that this is his chance to escape, if only his step-father will stop standing in the way of his dreams. From the author of THE OUTSIDERS, S.E. Hinton once again writes about what it feels like to be unaccepted, and the power in being true to yourself. " Hinton continues to grow more reflective in her books, but her great understanding, not of what teenagers are but of what they can hope to be, is undiminished. " —Kirkus Reviews An ALA Best Books for Young Adults An ALA Quick Pick

Originally published in hardcover in 1972, A Day No Pigs Would Die was one of the first young adult books, along with titles like The Outsiders and The Chocolate War. In it, author Robert Newton Peck weaves a story of a Vermont boyhood that is part fiction, part memoir. The result is a moving coming-of-age story that still resonates with teens today.

From the bestselling author of Blink and The Tipping Point, Malcolm Gladwell's Outliers: The Story of Success overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. Outliers will change the way you think about your own life story, and about what makes us all unique. 'Gladwell is not only a brilliant storyteller, he can see what those stories tell us, the lessons they contain' Guardian 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' The Times

Eight-year-old Margaret Pokiak has set her sights on learning to read, even though it means leaving her village in the high Arctic. Faced with unceasing pressure, her father finally agrees to let her make the five-day journey to attend school, but he warns Margaret of the terrors of residential schools. At school Margaret soon encounters the Raven, a black-cloaked nun with a hooked nose and bony fingers that resemble claws.

She immediately dislikes the strong-willed young Margaret. Intending to humiliate her, the heartless Raven gives gray stockings to all the girls — all except Margaret, who gets red ones. In an instant Margaret is the laughingstock of the entire school. In the face of such cruelty, Margaret refuses to be intimidated and bravely gets rid of the stockings. Although a sympathetic nun stands up for Margaret, in the end it is this brave young girl who gives the Raven a lesson in the power of human dignity. Complemented by archival photos from Margaret Pokiak-Fenton 's collection and striking artworks from Liz Amini-Holmes, this inspiring first-person account of a plucky girl 's determination to confront her tormentor will linger with young readers.

Based on extensive, long-term fieldwork in the borderlands of Afghan and Tajik Badakhshan, this book explores the importance of local leaders and local identity groups for the stability of a state 's borders, and ultimately for the stability of the state itself. It shows how the implantation of formal institutional structures at the border, a process supported by United Nations and other international bodies, can be counterproductive in that it may marginalise local leaders and alienate the local population, thereby increasing overall instability. The study considers how, in this particular borderland where trafficking of illegal drugs, weapons and people is rampant, corrupt customs and border personnel, and imperfect new institutional arrangements, contributed to a complex mix of oppression, hidden protest and subtle resistance, which benefitted illicit traders and hindered much needed humanitarian work. The book relates developments in this region to borderlands elsewhere, especially new borders in the former Soviet bloc, and argues that local leaders and organisations should be given semi-autonomy in co-ordination with state border forces in order to increase stability and the acceptance of the state.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.
