The Parting Ways explores the emergence of new end-of-life rituals in America that celebrate the dying and reinvent the roles of family and community at the deathbed. Denise Carson contrasts her father ' s passing in the 1980s, governed by the structures of institutionalized death, with her mother ' s death some two decades later. Carson ' s moving account of her mother ' s dying at home vividly portrays a ceremonial farewell known as a living wake, showing how it closed the gap between social and biological death while opening the door for family and friends to reminisce with her mother. Carson also investigates a variety of solutions--living funerals, oral ethical
