The creatures of legend are real—and it's up to twins Zac and Lu to save them in this fun-filled middle grade adventure perfect for fans of Fablehaven and The Hotel Between. Twins Zac and Lu grew up on their mother's stories of the Wildewoods, an imaginary land where mythical beasts roam free. These creatures fill the pages of Zac's sketchbooks and inspire Lu's love of animals, and on most days, they're the only thing the twins have in common. When their mother dies, a heartbroken Lu and Zac are shipped off to England to spend the summer with relatives they've never met. But it doesn't take the twins long to uncover the incredible secret tucked away in the forest behind their ancestral home: their mother's wonderful tales about unicorns and dragons and centaurs weren't make-believe after all. Their family serves as keepers of the Wildewoods, the last place on earth where these mythical creatures can live safe from human harm. But there are also many dangers in these lands—as well as a terrible curse. When Zac and Lu fall victim to it, their only hope is finding the very last living phoenix left in the world. But will breaking the curse mean the end of the Wildewoods?

New York Times and USA Today bestselling authors Mercedes Lackey and James Mallory teamed up to write The Obsidian Trilogy, set in a wondrous world filled with magical beings, competing magic systems, and a titanic struggle between good and evil. That world proved so popular with the creators and readers alike that Lackey and Mallory have returned to it with The Phoenix Unchained, Book One of The Enduring Flame, the opening volume of a new epic fantasy trilogy. After a thousand years of peace, much Magick has faded from the world. The Elves live far from humankind. There are no High Mages, and Wild Mages are seen only rarely. Bisochim, a powerful Wild Mage, is determined to reintroduce Darkness to the world, believing that it is out of Balance. Tiercel, a young Armethalian nobleman, is convinced that High Magic is not just philosophy. He attempts a spell—and draws the unwelcome attention of Bisochim. Tiercel survives Bisochim's attack and begins trying to turn himself into a High Mage. Next in line to be Harbormaster of Armethalieh, Harrier instead finds himself regularly saving Tyr's life and meeting magickal people and creatures. To Harrier's dismay, it seems that he must become a hero. In The Phoenix Unchained, Harrier and Tiercel begin a marvelous journey to uncover their destinies. Along the way, they meet a charming female centaur, several snooty Elves, and the most powerful dragon their world has ever known. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
