The Reluctant Land: Society, Space, and Environment in ...

The Reluctant Land describes the evolving pattern of settlement and the changing relationships of people and land in Canada from the end of the fifteenth century to the Confederation years of the late 1860s and early 1870s. It shows how a deeply indigenous land was reconstituted in European terms, and, at the same time, how European ways were recalibrated in this non-European space. It also ...

Reluctant European by Stephen Wall: Brexitland by Maria ...

The Reluctant Fundamentalist is an example of a dramatic monologue and autodiegetic narration. Critic M. S. E. Madiou, in "Mohsin Hamid Engages the World in The Reluctant Fundamentalist," offers a perverse reading of Hamid's novel calling it "metafictional."

Winner, 2008 K.D. Srivastava Prize for Excellence in Scholarly Publishing, UBC Press The Reluctant Land describes the evolving pattern of settlement and the changing relationships of people and land in Canada from the end of the fifteenth century to the Confederation years of the late 1860s and early 1870s. It shows how a deeply indigenous land was reconstituted in European terms, and, at the same time, how European ways were recalibrated in this non-European space. It also shows how an archipelago of scattered settlement emerged out of an encounter with a parsimonious territory, and suggests how deeply this encounter differed from an American relationship with abundance. The book begins with a description of land and life in northern North America in 1500, and ends by considering the relationship between the pattern of early Canada and the country as we know it today. Intended to illuminate the background of modern Canada, The Reluctant Land is an intelligent discussion of people and place that will be welcomed by scholars and lay readers alike.

Canada is a bounded land – a nation situated between rock and cold to the north and a border to the south. Cole Harris traces how society was reorganized – for Indigenous and non-Indigenous people alike – when Europeans resettled this distinctive land. Through a series of vignettes that focus on people ' s experiences on the ground, he exposes the underlying architecture of colonialism, from first contacts, to the immigrant experience in early Canada, to the dispossession of First Nations. In the process, he unearths fresh insights on the influence of Indigenous peoples and argues that Canada ' s boundedness is ultimately drawing it toward its Indigenous roots.

This book traces the historical roots of marginalization of Dalits, Adivasis, Muslims and Women in Indian Society and appraises the role of the State in combating the widespread discrimination faced by them in society, economy, politics and governance, and in their own struggles for dignity and social justice. Please note: This title is co-published with Aakar Books, New Delhi. Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh, Maldives and Sri Lanka.

Imagine the God of the universe whispering in your ear. " What shall we create out of your life that will serve My purpose? " The path of authenticity is not a solo endeavor but a calling to a partnership with God that requires utter honesty, trust, commitment, and wisdom. God guides your path with a two-fold promise. " You know I love you as you are, but together, we can make of your life what I created you to be. " Following the petitions of our Lord ' s Prayer, Dr. Richard Parrott examines a family of authentic partners, the family of Abraham and Sarah, their son Isaac, grandson Jacob, and great-grandson Joseph. This fresh telling of the story reveals practical answers to the question, " How can my partnership with God be genuine, mature, and significant? " The Reluctant Journey is an honest and practical guide for relating to God. As authentic Christians, we can live true in Christ and our love for him each day, choosing His best for us so that together, we advance His kingdom " on earth as it is in heaven. " Features include: Truths from the Lord ' s Prayer Stories of the founders of our faith Thought-provoking questions for spiritual conversation or reflection

The biblical narrative of the Exodus and of Moses, the reluctant prophet who was chosen to lead it, deals with the critical formative event in the history of ancient Israel. However, the narrative also contains a number of enigmatic passages as well as some seemingly unrelated episodes. In this book, the author undertakes to unravel the enigmas and show how the various disparate elements contribute to the narrative. The focus in The Exodus and the Reluctant Prophet is on what the biblical text is telling us, explicitly as well as implicitly, about the world in which the ancient Israelites became transformed from a mass of ethnically related people into a nation bound by a divine covenant, and the extraordinary role that the Exodus played in the process. In the effort to comprehend and explain the highly complex biblical text, the author has consulted a wide range of commentaries and studies written over a period of some two millennia that have sought to understand the biblical texts from a wide variety of perspectives, many of which are presented for the reader's consideration, including many sources inaccessible to those without a working knowledge of Hebrew.

Written in clear, lively prose by one of the foremost scholars of social welfare, this book analyzes the evolution of the American welfare state from colonial times to the present-placing social policy in its political, cultural, and societal context. Part of the BROOKS/COLE EMPOWERMENT SERIES, THE RELUCTANT WELFARE STATE, 8th Edition, aims to help students develop the core competencies and practice behaviors outlined in the 2008 Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). Rather than passively reading about social welfare history, students are asked to interact with the issues, oppressed populations, ethical choices, social and ideological conflicts, advocates, and policies in preceding eras and in the contemporary period-analytically and ethically. The author examines how social welfare policy connects to an empowerment perspective, showing how vulnerable populations, as well as social reformers, have achieved progressive reforms through policy advocacy. Not every eleven year old can defend his mother with a sword! The Rapier Robbers attack on Chteau St. Croix brings acclaim to Jordan and Julien. Their parents experience a startling surprise. Their sons have been practicing with their rapiers! The robbery also helps the boys realize how careful they must be to protect the secret that only they knowthe swords can take them through time. Jordan and Julien St. Croix return for their second adventure in The Reluctant Prince. The boys are eleven year old cousins born on the same day. They accidentally discovered the swords secret during their first adventure, The Enchanted Rapiers. Now, the swords beckon them into the past once more. Jordan trips across a cryptic clue while searching for something to read. That leads them to a hidden room filled to the brim with unknown objects. They explore the treasure trove. The cousins discover something startling. They are described in a diary from 450 years in the past! The discovery throws them headlong into their second trip through time. Far in the past, they meet some unusual people. First, they find a small boy who needs love and encouragement to grow into the person he must become. The cousins also must mold Tyson, the Barons son. He cannot become the next Baron St. Croix until he learns humility. Finally, they encounter a very lonely ten year old prince. This young man must learn independence and strength of will as he faces the possibility of becoming the next King of France. Swordfights and chivalry abound as the cousins charge from one exciting scrape into another. Permettez l'aventure de continuer!

In twelve engaging essays, William Fulton chronicles the history of urban planning in the Los Angeles metropolitan area, tracing the legacy of short-sighted political and financial gains that has resulted in a vast urban region on the brink of disaster. Looking at such diverse topics as shady real estate speculations, the construction of the Los Angeles subway, the battle over the future of South Central L.A. after the 1992 riots, and the emergence of Las Vegas as "the new Los Angeles," Fulton offers a fresh perspective on the city's epic sprawl. The only way to reverse the historical trends that have made Los Angeles increasingly unliveable, Fulton concludes, is to confront the prevailing "cocoon citizenship," the mind-set that prevents the city's inhabitants and leaders from recognizing Los Angeles's patchwork of communities as a single metropolis.

""Here are the details of an amazing life. . . . This is a book well worth reading."" --Very Revd John Miller ""A work rich in human interest, redolent of the grace of God, and completely honest in describing both the author's struggles with a sense of call to ministry, and the highs and lows of subsequent pastoral experience."" --Angus Morrison, Church of Scotland Moderator, 2015-16
