The Rising is the third book in the End Time series. It will not work well as a stand alone since it assumes you have read the first two books. This picks up pretty much right after the events of book two. Being the third book, it's hard to talk plot without spoiling the first two books.

Daniel Greene has hit a home-run with “The Rising” which continues the fast-paced action with edge of the seat suspense found in “End Time” and “The Breaking.” “The Pastor” makes his debut in chapter one and reminded me of the cult leaders Jim Jones (Jonestown Massacre, 1978) and David Koresh (Branch Davidians, Waco Siege 1993).

3/20/2017. The signs of the "End Times," also called "the end of the age," and the "Return of Christ" are clearly laid out in Scripture. All we need to do is look at what Christ said when he was asked that question. To summarize in advance, the signs of the end times will include the presence of false christs and false prophets, false teaching, war, persecution, apostasy, lawlessness, earthquakes, famine, plagues, increase in selfishness, denial of what is good, mocking of Jesus, an increase ...

The end time (also called end times, end of time, end of days, last days, final days, doomsday, or eschaton) is a future described variously in the eschatologies of several world religions (both Abrahamic and non-Abrahamic), which teach that world events will reach a climax.

Indeed, perhaps the most widespread belief among Christians pondering the end-times is Rapture before Tribulation. According to this Pretribulation view, Christ will not let his bride, the multitude of believers, be ravaged through the seven years of worldwide calamity, tyranny and death, including the demonic rule of the Antichrist, who is predicted to force all humanity to worship him on pain of death.

Steele's family home lies in burnt ruins on the shore of Lake Michigan. His group hunts for his missing mother in the apocalyptic wilderness filled with the dead. Instead he finds a group of refugees badly in need of his skills learned in the shadow war on terror, for they are persecuted at every step by the Chosen, a group of fanatics hell-bent on creating God's Kingdom in the rubble of society. Dr. Joseph Jackowski finds himself in a dangerous battle against both the deadly virus and the clock inside the bowels of the Cheyenne Mountain Complex. His team struggles as their own members fall victim to the virus in a race to discover a vaccine. Colonel Kinnick rushes his paltry forces into the rocky passes of Colorado to hold the dead off long enough for a vaccine to be found. If he fails, the Vice President will burn the entire Western Seaboard into the blazing inferno of a nuclear holocaust. With every fleeting moment, the whole world draws closer to being overcome by the virus. In the most epic installment of The End Time Saga yet, Daniel Greene brings the brutalized remainders of humanity even closer to the edge of defeat. Who will rise? The living or the dead?

End Times Empire Rising will challenge your current understanding about the End Times in a comprehensive and significant way. We must always remember our battle, at its most basic level, is spiritual. In The Prophecy Collection, popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what's happening--and to prepare for the future--through three important works: The End Times Survival Guide The Coming Apostasy (coauthored with Jeff Kinley) Russia Rising As we prepare for the Lord's coming, it's time to understand the biblical truths you need to know in order to face an increasingly decaying, darkening world.
