The Shadow Of The High King
The Shadow of the High King is a bold, smoothly flowing, and action-packed debut which combines believable characters in a grim, early Medieval setting that brims
The opinions expressed in this review are however my own: it would be an affront to Mr. Dorrian's artistic integrity if I wasn't honest about his first published novel.

The Shadow of the High King by Frank Dorrian

In Jungian psychology, the shadow (also known as id, shadow aspect, or shadow archetype) is either an unconscious aspect of the personality that the conscious ego does not identify in itself, or the entirety of the unconscious, i.e., everything of which a person is not fully conscious. In short, the shadow is the unknown side. From one perspective, the shadow "is roughly equivalent to the ...

When the Twin Towers were attacked on September 11, 2001, students had just started their day at Stuyvesant High School, a few blocks away.

A dangerous story is bubbling and almost all the Narrators are scared to tell it. Cracks in the World of Stories are spreading, and the ominous Shadow High is gaining power. Only one young, brave Narrator, Brooke Page, is ready to tell this tale. As the first cracks show, Frankie and Draculaura are accidentally transported to Ever After High, where they meet Raven Queen and Apple White. After the girls recover from the shock of learning that fairytales and monsters are real, they discover that the Evil Queen has escaped her mirror prison in search of the ultimate power, hidden in Shadow High. Frankie, Raven, Draculaura, Apple, and Brooke must stop the Evil Queen and save the World of Stories from the evil that lurks in Shadow High! ©2017 Mattel. All Rights Reserved.

This work analyzes the sources of Japanese growth and the nature and scale of its current economic problems. It examines Japanese investment, manufacturing, research and development, the 1997-99 Asian economic crisis, and the steps being taken to address the mounting crisis.

Another exciting adventure from the #1 New York Times best-selling series!
The darkest secrets are the hardest to bring to light... Sylvestri Yarrow is on a streak of bad luck with no end of sight. She's been doing her best to keep the family cargo business going after her mom's death, but between mounting debt and increasing attacks by the Nihil on unsuspecting ships, Syl is in danger of losing all she has left of her mother. She heads to the galactic capital of Coruscant for help, but gets sidetracked when she's drawn into a squabble between two of the Republic's most powerful families over a patch of space on the frontier. Tangled up in familial politics is the last place Syl wants to be, but the promise of a big payoff is enough to keep her interested... Meanwhile, Jedi Knight Vernestra Rwoh has been summoned to Coruscant, but with no idea of why or by whom. She and her Padawan Imin Cantaros arrive at the capital along with Jedi Master Cohmsic Vixus and his Padawan, Reath Silas—and are asked to assist with the property dispute on the frontier. But why? What is so important about an empty patch of space? The answer will lead Vernestra to a new understanding of her abilities, and take Syl back to the past...and to truths that will finally come out of the shadows. Don't miss any of the adventure and excitement of Star Wars: The High Republic!

"Love The Wheel of Time? This is about to become your new favorite series." --B&N SF & Fantasy Blog
A young man with forbidden magic finds himself drawn into an ancient war against a dangerous enemy in book one of the Licanus Trilogy, the series that fans are heralding as the next Wheel of Time. As destiny calls, a journey begins. It has been twenty years since the godlike Augurs were overthrown and killed. Now, those who once served them -- the Gifted -- are spared only because they have accepted the rebellion's Four Tenets, vastly limiting their powers. As a Gifted, Davian suffers the consequences of a war lost before he was even born. He and others like him are despised. But when Davian discovers he wields the forbidden power of the Augurs, he and his friends Wirr and Asha set into motion a chain of events that will change everything. To the west, a young man whose fate is intertwined with Davian's wakes up in the forest, covered in blood and with no memory of who he is... And in the far north, an ancient enemy long thought defeated begins to stir. The Licanus Trilogy is a series readers will have a hard time putting down—a relentless coming-of-age epic from the very first page. "Storytelling assurance rare for a debut . . . Fans of Robert Jordan and Brandon Sanderson will find much to admire."-- Guardian
The Licanus Trilogy
The Shadow of What Was Lost
An Echo of Things to Come
The Light of All That Falls

How students get the materials they need as opportunities for higher education expand but funding shrinks. From the top down, Shadow Libraries explores the institutions that shape the provision of educational materials, from the formal sector of universities and publishers to the broadly informal ones organized by faculty, copy shops, student unions, and students themselves. It looks at the history of policy battles over access to education in the post – World War II era and at the narrower versions that have played out in relation to research and textbooks, from library policies to book subsidies to, more recently, the several " open " publication models that have emerged in the higher education sector. From the bottom up, Shadow Libraries explores how, simply, students get the materials they need. It maps the ubiquitous practice of photocopying and what are—in many cases—the more marginal ones of buying books, visiting libraries, and downloading from unauthorized sources. It looks at the informal networks that emerge in many contexts to share materials, from face-to-face student networks to Facebook groups, and at the processes that lead to the consolidation of some of those efforts into more organized archives that circulate offline and sometimes online—the shadow libraries of the title. If Alexandra Elbakyan's Sci-Hub is the largest of these efforts to date, the more characteristic part of her story is the prologue: the personal struggle to participate in global scientific and educational communities, and the recourse to a wide array of ad hoc strategies and networks when formal, authorized means are lacking. If Elbakyan's story has struck a chord, it is in part because it brings this contradiction in the academic project into sharp relief—universalist in principle and unequal in practice. Shadow Libraries is a study of that tension in the digital era. Contributors Bal ázs Bod ó, Laura Czernewicz, Mirosław Filiciak, Mariana Fossatti, Jorge Gemetto, Eve Gray, Evelin Heidel, Joe Karaganis, Lawrence Liang, Pedro Mizukami, Jessica Reis, Alek Tarkowski

The Shadow Club starts simply enough: the kids who are tired of being second-best get together and, for the first time, talk about how they feel. But soon the members decide to play practical jokes on the first-place winners they envy, and things begin to spin dangerously out of control. "This is a provocative novel . . . The plot is ingeniously simple and the course of events compelling. Brik enough to snag a popular audience, but forceful in impact, it will leave readers thinking." (Booklist, starred review)

The third novel in the Bluford Series.

Perrin Aybara must return to Emond's Field to face the occupying Whitecloaks, while Rand enters the Aiel Waste and the forbidden city of Rhuidean
