In the next book in the Half Moon Hollow paranormal romance series, Libby (a widow-turned-vampire) struggles with her transition, and finds out it sucks to be the only vampire member of the PTA... Widow Libby Stratton arranged to be turned into a vampire after she was diagnosed with late-stage cancer. It wasn't the best idea she's ever had, but she was desperate—she's not about to leave her seven-year-old son to be raised by her rigid, overbearing in-laws. On top of transition issues, like being ignored at PTA meetings and other mothers rejecting her son's invitations for sleepovers, Libby must deal with her father-in-law's attempts to declare her an unfit mother, her growing feelings for Wade—a tattooed redneck single dad she met while hiding in a closet at Back to School Night—and the return of her sire, who hasn't stopped thinking about brave, snarky Libby since he turned her. With the help of her new vampire circle, Libby negotiates this unfamiliar quagmire of legal troubles, parental duties, relationships, and, as always in Molly Harper's distinct, comedic novels, “characters you can't help but fall in love with” (RT Book Reviews).

A standalone novella introducing a new side of Half Moon Hollow—featuring a freewheeling courier and the stuffy vampire she has to transport. Miranda Puckett has failed at every job she's ever had. Her mother just wants her to come home, join the family law firm, and settle down with Jason, the perfect lawyer boyfriend. But when Jason turns out to be a lying cheater, Miranda seizes on a job that gets her out of town: long-distance vampire transportation. Her first assignment is to drive vampire Collin Sutherland from Washington to sleepy Half Moon Hollow without incident—no small feat for a woman whom trouble seems to follow like a

faithful hound dog! And she has to do it without letting her passenger—the most persnickety, stuffy, devastatingly handsome vamp she’s ever met—drive her crazy. As she and Collin find disaster on the roads, they also find an undeniable spark between them. Could Miranda have found the perfect job and the perfect guy for her?

The first in the Half-Moon Hollow series is “wry, delicious fun” (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Maybe it was the Shenanigans gift certificate that put her over the edge. When children’s librarian and self-professed nice girl Jane Jameson is fired by her beastly boss and handed twenty-five dollars in potato skins instead of a severance check, she goes on a bender that’s sure to become Half Moon Hollow legend. On her way home, she’s mistaken for a deer, shot, and left for dead. And thanks to the mysterious stranger she met while chugging neon-colored cocktails, she wakes up with a decidedly unladylike thirst for blood. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She’s forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn’t enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What’s a nice undead girl to do?

for the same Kentucky Tourism Commission job, sparks fly—turns out Kentucky really is for lovers. Sadie Hutchins loves her job at the Kentucky Tourism Commission. She's a shoo-in for the director's job when her boss retires at the end of the year...until hotshot Josh Vaughn shows up to challenge her for the position. Josh is all sophisticated polish while Sadie's country comfort, and the two have very different ideas of what makes a good campaign. So when their boss pits them against each other in a winner-takes-all contest, they're both willing to fight dirty if it means getting what they want. But it turns out, what Josh and Sadie want could be each other—and Josh's kisses are the best Kentucky attraction Sadie's found yet!

“Molly Harper writes characters you can't help but fall in love with” (RT Book Reviews), but how did Andrea and Dick Cheney fall in love? Join Half-Moon Hollow's favorite couple for a trip down memory lane—to a time when Mr. Wainwright was newly dead, Jane Jameson was a newbie vampire, and a budding paranormal romance was not yet uncorked... Half-Moon Hollow's supernatural social event of the season—Zeb's Titanic-themed werewolf wedding—is coming up, and Dick Cheney (not that Dick Cheney!) needs a date. But Andrea's had enough of clever, handsome, and rakish to last a lifetime, and Dick Cheney is certainly not the sort of man you bring home to mom (not that Andrea's deadist parents are speaking to her ever since she dropped out of college and became a blood surrogate.) Shameless, relentless, roguish, with a Stetson-worthy swagger, a naughty sparkle in his eyes, and a constant smirk—oh, and fangs—no, Dick is the last person (er...vampire) Andrea wants to date.

But the infuriatingly irresistible man who lives quietly on the edge of a criminal underworld knows exactly what he wants, and once he surprises Andrea with a thrilling hot and dirty kiss behind the paranormal bookshop, she knows what she wants too: Dick. All it takes to ignite their unconventional courtship is a near-undeath experience that confronts Dick with a choice between turning Andrea, losing her forever, or tapping into his countless shady resources in this hilarious and heartwarming novella that revisits the early days of Molly Harper's Nice Girls series—one that “makes me laugh and laugh” (USA TODAY).

The “enchanted” (Publishers Weekly) Jane Jameson series is back with a new paranormal romantic comedy about a werewolf yearning to find her own place world, and the group of admittedly unique vampires who help her find love. Tylene McClaine, black sheep of the McClaine Half-Moon Hollow werewolf pack, has spent a lifetime blocking out the criticisms of her boisterous pack. They say she's too bookish, too obstinate, and worst of all, too picky when it comes to finding a nice werewolf boy and settling down. But when she meets vampire and Half-Moon Hollow music teacher, Alex Bonfils, Tylene starts to wonder if she could create the life she's always wanted. She takes every precaution to meet her sexy vamp in secret, but when a vandal around town starts targeting vampire businesses, she fears her family might have found her out. When the damage in town escalates, Tylene and Alex join forces with Jane Jameson, Dick Cheney, and the whole vampire gang to find the culprit save Half-Moon Hollow before it's too late!

A comedic paranormal romance about a vampire concierge, set in Molly Harper's popular world of Half-Moon Hollow. Iris Scanlon, Half-Moon Hollow's only daytime vampire

conciierge, knows more about the undead than she'd like. Running their daylight errands—from letting in the plumber to picking up some chilled Faux Type O—gives her a look at the not-so-glamorous side of vamps. Her rules are strict; relationships are purely business, not friendship—and certainly not anything more. Then she finds her newest client, Cal, poisoned on his kitchen floor, and her quiet life turns upside down. Cal—who would be devastatingly sexy, if Iris thought vampires were sexy—offers Iris a hefty fee for hiding him at her place. And even though he's imperious, unfriendly, and doesn't seem to understand the difference between “employee” and “servant,” she agrees. But as they search for who wants him permanently dead, Iris is breaking more and more of her own rules...particularly those about nudity. Could it be that what she really needs is some intrigue and romance—and her very own stray vampire?

In Molly Harper's newest paranormal romantic comedy, Ben, Gigi's old boyfriend, must find a way to save his new love after a freak Ultimate Frisbee accident. But will she want to live after she finds out how Ben had to save her? In this exciting addition to Molly Harper's beloved Half-Moon Hollow series, the focus is on Gigi's ex-boyfriend Ben. When his new girlfriend is killed in a freak Ultimate Frisbee accident, he's determined to save her, no matter the cost, even if it means bringing her into the darkness of vampire life!

The “enchanted” (Publishers Weekly) Jane Jameson series returns with this fun and witty paranormal romance following a vampire consultant who has nefarious plans to oust Jane from her role as the head of Half-Moon Hollow's vampire council. Ever since Jane Jameson took over running the Vampire Council for Half-Moon Hollow, things have been a little unorthodox and that doesn't sit well with the head office.

Who would have thought vampires were so into bureaucracy and tradition? Enter a vamp from corporate who's determined to unseat Jane and get the council back on track—which means no more of this Kentucky neighborliness and mixing with humans, werewolves, witches, or anything else. But Jane's not interested in going back to the bad old days when the council was mired in corruption and tended to "accidentally" eat people now and again, but she might be in over her head this time. Good thing there's a pretty new face in town who just might be the perfect distraction and help save Jane's career.
