The definitive guide to running productive meetings Facilitating With Ease! has become the go-to handbook for those who lead meetings, training, and other business gatherings. Packed with information, effective practices, and invaluable advice, this book is the comprehensive handbook for anyone who believes meetings should be productive, relevant, and as short as possible. Dozens of exercises, surveys, and checklists will help transform anyone into a skilled facilitator, and clear, actionable guidance makes implementation a breeze. This new fourth edition includes a new chapter on questioning, plus new material surrounding diversity, globalization, technology, feedback, distance teams, difficult executives, diverse locations, personal growth, meeting management, and much more. With in-depth, expert guidance from planning to closing, this book provides facilitators with an invaluable resource for learning or training. Before you run another meeting, discover the practices, processes, and techniques that turn you from a referee to an effective facilitator. This book provides a wealth of tools and insights that you can put into action today. Run productive meetings that get real results Keep discussions on track and facilitate the exchange of ideas Resolve conflict and deal with difficult individuals Train leaders and others to facilitate effectively Poorly-run meetings are an interruption in the day, and accomplish little other than putting everyone behind in their "real" work. On the other hand, a meeting run by an effective facilitator makes everyone's job easier; decisions get made, strategies are improved, answers are given, and new ideas bubble to the surface. A productive meeting makes everyone happy, and results in real benefits that spread throughout the organization. Facilitating With Ease! is the skill-building guide to running great meetings with confidence and results.

A proven approach for helping leaders and teams work together to achieve better decisions, greater commitment, and stronger results More than ever, effective leadership requires us to work as a team, but many leaders struggle to get the results they need. When stakes are high, you can't get great results by just changing what you do. You also need to change how you think. Organizational psychologist and leadership consultant Roger Schwarz applies his 30+ years of experience working with leadership teams to reveal how leaders can drastically improve results by changing their individual and team mindset. Provides practical guidance to help teams increase decision quality, decrease implementation time, foster innovation, get commitment, reduce costs and increase trust Outlines 5 core values leadership teams can adopt to exponentially improve results Author of The Skilled Facilitator and The Skilled Facilitator Fieldbook Get the results you and your team need. Start by applying the practical wisdom of Smart Leaders, Smarter Teams.

"The best book on collaboration ever written!" —Diane Flannery, founding CEO, Juma Ventures And now this classic book is even better—much better. Completely revised and updated, the second edition is loaded with new tools and techniques. Two powerful new chapters on agenda design A full section devoted to reaching closure More than twice as many tools for handling difficult dynamics 70 brand-new pages and over 100 pages significantly improved

Help them make the most out of every meeting. Rambling group discussions, tangential concerns, difficult attendees, and unclear objectives can all derail a facilitated event—and often do. But more than just learning how to avoid the pitfalls, effective facilitators ease the way for groups to achieve desired outcomes, redirect them to constructive paths, and rally commitment to action plans. Expert trainer and facilitator Kimberly Devlin has designed interactive half-day, one-day, and two-day workshops to develop the essential skills of facilitating meetings that inspire, engage, and get results. Complete with all the activities, handouts, assessments, and presentation slides you will need to accelerate learning, these programs make planning your next workshop easy, whether you are new to facilitation or a seasoned pro. About the Series The ATD Workshop Series is written for trainers by trainers, because no one knows workshops as well as the practitioners who have done it all. Each publication weaves in today's technology and accessibility considerations and provides a wealth of new content that can be used to create a training experience like no other.

" Collaboration Explained is a deeply pragmatic book that helps agile practitioners understand and manage complex organizational and team dynamics. As an agile coach, I've found the combination of straightforward advice and colorful anecdotes to be invaluable in guiding and focusing interactions with my teams. Jean's wealth of experience is conveyed in a carefully struck balance of reference guides and prose, facilitating just-in-time learning in the agile spirit. All in all, a superb resource for building stronger teams that's fit for agile veterans and neophytes alike." —Arlen Bankston, Lean Agile Practice Manager, CC Pace "If Agile is the new 'what,' then surely Collaboration is the new 'how.' There are many things I really like about Jean's new book. Right at the top of the list is that I don't have to make lists of ideas for collaboration and facilitation anymore. Jean has it all. Not only does she have those great ideas for meetings, retrospectives, and team decision-making that I need to remember, but the startling new and thought-provoking ideas are there too. And the stories, the stories, the stories! The best way to transfer wisdom. Thanks, Jean!" —Linda Rising, Independent Consultant The Hands-On Guide to Effective Collaboration in Agile Projects To succeed, an agile project demands outstanding collaboration among all its stakeholders. But great collaboration doesn't happen by itself; it must be carefully planned and facilitated throughout the entire project lifecycle. Collaboration Explained is the first book to bring together proven, start-to-finish techniques for ensuring effective collaboration in any agile software project. Since the early days of the agile movement, Jean Tabaka has been studying and promoting collaboration in agile environments. Drawing on her unsurpassed experience, she offers clear guidelines and easy-to-use collaboration templates for every significant project event: from iteration and release planning, through project chartering, all the way through post-project retrospectives. Tabaka's hands-on techniques are applicable to every leading agile methodology, from Extreme Programming and Scrum to Crystal Clear. Above all, they are practical, grounded in a powerful understanding of the technical, business, and human challenges you face as a project manager or development team member. · Build collaborative software development cultures, leaders, and teams · Prepare yourself to collaborate—and prepare your team · Define clear roles for each participant in promoting collaboration · Set your collaborative agenda · Master tools for organizing collaboration more efficiently · Run effective collaborative meetings—including brainstorming sessions · Promote better small-group and pair-programming collaboration · Get better information, and use it to make better decisions · Use non-abusive conflict to drive positive outcomes · Collaborate to estimate projects and schedules more accurately · Strengthen collaboration across distributed, virtual teams · Extend collaboration from individual projects to the entire development organization
