The Middle East is in Western Asia. Spaniards are a Latin European people of the Iberian Peninsula, which is in Western Europe. That is nowhere near the Middle East. That said, the Spanish culture and genome both have a lot of Middle Eastern influences - owing to the fact that it was Muslim ruled for many centuries and had a large Jewish presence.

Despite considerable research on the Jewish diaspora in the Middle East and North Africa since 1800, there has until now been no comprehensive synthesis that illuminates both the differences and commonalities in Jewish experience across a range of countries and cultures. This lacuna in both Jewish and Middle Eastern studies is due partly to the

fact that in general histories of the region, Jews have been omitted from the standard narrative. As part of the religious and ethnic mosaic that was traditional Islamic society, Jews were but one among numerous minorities and so have lacked a systematic treatment. Addressing this important oversight, this volume documents the variety and diversity of Jewish life in the region over the last two hundred years. It explains the changes that affected the communities under Islamic rule during its "golden age" and describes the processes of modernization that enabled the Jews to play a pivotal role
