It's the 11th outing for the unorthodox Harry Hole and we meet him having achieved some semblance of contentment in his new life as police lecturer. But he is drawn back to the frontline in the hunt for a serial killer - one with vampire-ish proclivities.

#1 International Best Seller In this electrifying new thriller from the author of *Police* and *The Snowman*, Inspector Harry Hole hunts down a serial murderer who targets his victims . . . on Tinder. The murder victim, a self-declared Tinder addict. The one solid clue—fragments of rust and paint in her wounds—leaves the investigating team baffled. Two days later, there 's a second murder: a woman of the same age, a Tinder user, an eerily similar scene. The chief of police knows there 's only one man for this case. But Harry Hole is no longer with the force. He promised the woman he loves, and he promised himself, that he 'd never go back: not after his last case, which put the people closest to him in grave danger. But there 's something about these murders that catches his attention, something in the details that the investigators have missed. For Harry, it 's like hearing “ the voice of a man he was trying not to remember. ” Now, despite his promises, despite everything he risks, Harry throws himself back into the hunt for a figure who haunts him, the monster who got away. **STARRED REVIEW** "Exceptional . . . Nesbo depicts a heartbreakingly conflicted Harry, who both wants to forget the horrors he 's trying to prevent and knows he has to remember them in all their grim detail." --Publishers Weekly

Brilliant, audaciously rogue police officer, Harry Hole from *The Snowman* and *The Thirst*, is back and in the throes of a new, unanticipated rage--once again hunting the murderer who has haunted his entire career. Harry Hole is not in a good place. Rakel--the only woman he's ever loved--has ended it with him, permanently. He's been given a chance for a new start with the Oslo Police but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer who Harry helped put behind bars. And now, Finne is free after a decade-plus in prison--free, and Harry is certain, unreformed and ready to take up where he left off. But things will get worse. When Harry wakes up the morning after a blackout, drunken night with blood that's clearly not his own on his hands, it's only the very beginning of what will be a waking nightmare the likes of which even he could never have imagined.

From the author of the best-selling Harry Hole series comes an electrifying tale of vengeance set amid Oslo's brutal hierarchy of corruption. Sonny Lofthus has been in prison for almost half his life: serving time for crimes he didn't commit. In exchange, he gets an uninterrupted supply of heroin—and a stream of fellow prisoners seeking out his Buddha-like absolution. Years earlier Sonny 's father, a corrupt cop, took his own life rather than face exposure. Now Sonny is the center of a vortex of corruption: prison staff, police, lawyers, a desperate priest—all of them focused on keeping him stoned and jailed. When Sonny discovers a shocking truth about his father 's suicide, he makes a brilliant escape and begins hunting down the people responsible for his and his father 's demise. But he's also being hunted, and by enemies too many to count. Two questions remain: who will get to him first, and what will he do when he 's cornered?

HARRY HOLE IS BACK! The blistering new **NUMBER ONE** bestseller! **THERE'S A NEW KILLER ON THE STREETS...** A woman is found murdered after an internet date. The marks left on her body show the police that they are dealing with a particularly vicious killer. **HE'S IN YOUR HOUSE... HE'S IN YOUR ROOM** Under pressure from the media to find the murderer, the force know there's only one man for the job. But Harry Hole is reluctant to return to the place that almost took everything from him. Until he starts to suspect a connection between this killing and his one failed case. **HE'S OUT FOR BLOOD** When another victim is found, Harry realises he will need to put everything on the line if he's to finally catch the one who got away. 'An expertly plotted, compelling and gripping white-knuckle ride... Nesbo deserves to be crowned the king of all crime thriller writers' *Sunday Express* on **THE SON** 'Nesbo deploys all the key ingredients of a cracking good thriller with expertise and verve. The ticking clock, the tension expertly ratcheted ever upwards, the changing scenery, the constantly shifting goalposts and the effortless, triumphant outpacing of the reader's ability to guess what's going to happen will keep you gripped to the last page' *Guardian* on **THE LEOPARD** 'The undisputed king of Scandinavian crime fiction' *The Times* 'Scandinavian crime thrillers don't come much darker or more tense than the best-selling Harry Hole series, and this tenth outing for the Norwegian detective is the best yet' *Sunday Mirror* on **POLICE**

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø 's New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he 's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he 'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

In the heat of a sweltering Oslo summer, a young woman is found murdered in her flat—with one of her fingers cut off and a tiny red star-shaped diamond placed under her eyelid. An off-the-rails alcoholic barely holding on to his job, Detective Harry Hole is assigned the case with Tom Waaler, a hated colleague whom Harry believes is responsible for the murder of his partner. When another woman is reported missing five days later, and her severed finger turns up adorned with a red star-shaped diamond ring, Harry fears a serial killer is at work. But Hole's determination to capture a fiend and to expose Waaler's crimes is leading him into shadowy places where both investigations merge in unexpected ways, forcing him to make difficult decisions about a future he may not live to see.

A tense and atmospheric standalone thriller about two brothers, one small town, and a lifetime of dark secrets, from bestselling author Jo Nesbø “ I read *The Kingdom* and couldn 't put it down ... Suspenseful ... Original ... This one is special in every way. ” —Stephen King **A KIRKUS REVIEWS BEST MYSTERY AND THRILLER OF THE YEAR** Roy and Carl, brothers from a small mountain town, have spent their whole lives hiding from the darkness in their pasts—Roy by staying put and staying quiet, and Carl by running far away. Roy believed his little brother was gone for good. But Carl has big plans for his hometown. And when he returns with a mysterious new wife and a business opportunity that seems too good to be true, simmering tensions begin to surface and unexplained deaths in the town 's past come under new scrutiny. Soon powerful players set their sights on taking the brothers down by exposing their role in the town 's sordid history. But Roy and Carl are survivors, and no strangers to violence. As the town 's long-buried past begins to surface, Roy will be forced to choose between his own flesh and blood and a future he had never dared to believe possible.

A veritable crime lover 's delight from a true master of mystery and suspense. Experience the #1 New York Times best-selling author as never before in this dark and thrilling short story collection that takes us on a journey of twisted minds and vengeful hearts. Jo Nesbø is known the world over as a consummate mystery/thriller writer. Famed for his deft characterization, hair-raising suspense and shocking twists, Nesbø 's dexterity with the dark corners of the human heart is on full display in these inventive and enthralling stories. A detective with a nose for jealousy is on the trail of a man suspected of murdering his twin; a bereaved father must decide whether vengeance has a place in the new world order after a pandemic brings about the collapse of society; a garbage man fresh off a bender tries to piece together what happened the night before; a hired assassin matches wits against his greatest adversary in a dangerous game for survival; and an instantly electric connection between passengers on a flight to London may spell romance, or something more sinister. With Nesbø 's characteristic gift for outstanding atmosphere and gut-wrenching revelations, *The Jealousy Man* confirms that he is at the peak of his abilities.

With *Headhunters*, Jo Nesbø has crafted a funny, dark, and twisted caper story worthy of Quentin Tarantino and the Coen brothers. **FIRST TIME PUBLISHED IN THE U.S. NOW A MAJOR MOTION PICTURE FROM MAGNOLIA PICTURES.** Roger Brown is a corporate headhunter, and he 's a master of his

profession. But one career simply can't support his luxurious lifestyle and his wife's fledgling art gallery. At an art opening one night he meets Clas Greve, who is not only the perfect candidate for a major CEO job, but also, perhaps, the answer to his financial woes: Greve just so happens to mention that he owns a priceless Peter Paul Rubens painting that's been lost since World War II—and Roger Brown just so happens to dabble in art theft. But when he breaks into Greve's apartment, he finds more than just the painting. And Clas Greve may turn out to be the worst thing that's ever happened to Roger Brown. **BONUS MATERIAL:** This edition includes an excerpt from Jo Nesbø's *The Redeemer*.

Inspector Harry Hole returns from Hong Kong hot on the trail of a serial killer in this installment of Jo Nesbø's New York Times bestselling series. Inspector Harry Hole has retreated to Hong Kong, escaping the trauma of his last case in squalid opium dens, when two young women are found dead in Oslo, both drowned in their own blood. Media coverage quickly reaches a fever pitch. There are no clues, the police investigation is stalled, and Harry—the one man who might be able to help—can't be found. After he returns to Oslo, the killer strikes again, Harry's instincts take over, and nothing can keep him from the investigation, though there is little to go on. Worse, he will soon come to understand that he is dealing with a psychopath who will put him to the test, both professionally and personally, as never before.
