As descendants of the House of Life, the Kanes have some powers at their command; but the devious gods haven't given them time to master their skills at Brooklyn House, a training ground for young magicians. And now their most threatening enemy yet--the Chaos snake, Apophis--is rising. If they don't prevent him from breaking free in a few days' time, the world will end. In other words, it's a typical week for the Kane family. To have any chance of battling the forces of Chaos, the Kanes must revive the sun god, Ra. But that would be a feat more difficult than any magician has ever accomplished. First they have to search the world for the Book of Ra, then they have to learn how to chant its spells. Oh, and did we mention that no one knows where Ra is, exactly? Narrated by two different wisecracking voices, featuring a large cast of new and unforgettable characters, and with adventures spanning the globe, this second installment of the Kane Chronicles is nothing short of a thrill ride.

In this exciting second installment of the three-book series, Carter and Sadie, offspring of the brilliant Egyptologist Dr. Julius Kane, embark on a worldwide search for the Book of Ra, but the House of Life and the gods of chaos are determined to stop them. This non-stop thrill ride is adapted and brought to life by Orpheus Collar, who developed the first Kane Chronicles graphic novel and worked on *The Lightning Thief*; *The Graphic Novel*; *The Lost Hero*, *The Graphic Novel*; and many other titles including *The Amazing Spider-Man* and *Ultimate X-Men*.

He's b-a-a-ack! Despite their best efforts, Carter and Sade Kane can't seem to keep Apophis, the chaos snake, down. Now Apophis is threatening to plunge the world into eternal darkness, and the Kanes are faced with the impossible task of having to destroy him once and for all.

On curse. Two heroes. Five days to save the world. Ever since the Gods of Ancient Egypt were unleashed on the modern world, Carter Kane and his sister, Sadie, have been in big trouble. As descendants of the magical House of Life, they command certain powers. But now a terrifying enemy - Apophis, the giant snake of Chaos - is rising. If Carter and Sadie don't destroy him, the world will end in five days' time. And, in order to battle the forces of Chaos, they must revive the sun god Ra - a feat no magician has ever achieved. Because first they must search the world for the three sections of the Book of Ra, then they have to learn how to chant its spells . . . Can the Kanes destroy Apophis before he swallows the sun and plunges the earth into darkness . . . ?

Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist, Dr. Julius Kane. One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. From the creator of the hit Percy Jackson series.

A collection fit for the (Egyptian) gods! All three books in the blockbuster Kane Chronicles trilogy are together at last! This series will be treasured by readers of all ages, whether they're experiencing Sadie and Carter's amazing adventures for the first time or are faithful fans eager to devour the saga all over again.
