himself how to trade everything from shares to Bitcoin and made enough money to realise his dream and quit his day job while still in his 30s. In The Crypto Trader, Glen will show you exactly how he made huge profits trading Bitcoin, Ethereum, Ripple and more, so that you can do it too - without risking your shirt. Glen publicly called the top of the market in December 2017 and took his profits before the crash. But there are still tons of trading opportunities out there and Glen continues to trade crypto successfully. Inside you'll see his multi-hundred-percent gains on a raft of cryptocurrencies and learn how he builds his profits and holds onto them. Glen reveals all his trading strategies, the proven methods and rules that make him one of the most followed traders in the world on social media. (He is also frequently interviewed by the BBC, Forbes and LBC, and is a contributing expert on cryptocurrency at the London School of Economics.) It took Glen years of study and trial and error to become a consistent money maker. He learnt his trading lessons the hard way - so you don't have to. With The Crypto Trader by your side, you'll learn how to grab opportunities, make money - and keep it.

Take a bite out of the markets with the Naked Trader in his 100% all-new book about TRADING PSYCHOLOGY! This book is for anyone who really wants to consistently make money trading shares. Trading and investing can be tough – most fail. The human mind is to blame. It 's prone to emotion, cluttered with distractions like Twitter and social media, easily trapped by scams. But it 's possible to make money in the markets – and to do so reliably. Robbie Burns, aka The Naked Trader, has been trading successfully from his home for 15 years – making over £2m tax-free (while eating a lot of toast and watching Game of Thrones). He 's also met and helped thousands of fellow traders at his seminars, seen every possible trading meltdown, and knows exactly what can go wrong – but also how to put it right. In Trade Like a Shark, Robbie uses his unique firsthand experience and the real-life stories traders have shared with him to expose exactly how the human mind can play havoc with your trading. At the same time he reveals his tried-and-tested methods for overcoming it, showing how to be a shark, gobbling up money from the 'fish' who are full of fear, greed and other emotions. (And also why modelling yourself on Mr Spock can work wonders.) If you 've run into problems trading in the stock market – or just want to reinforce good habits – there is no better or wittier guide to

refined by Mark Fisher after many years of successful trading, provides price points at which to buy and sell as determined by the opening range of virtually any stock or commodity. This comprehensive guide details a widely used system that is profitably implemented by many computer and floor traders at major New York exchanges. The author's highly accessible teaching style provides readers of The Logical Trader with a full examination of the theory behind the ACD Method and the examples and real-world trading stories involving it. Mark B. Fisher (New York, NY), an independent trader, is founder of MBF Clearing Corp., the largest clearing firm on the NYMEX. Founded in 1988, MBF Clearing has grown from handling under one percent of the volume on the NYMEX to nearly twenty percent of the trades today. A 1982 summa cum laude graduate from the Wharton School of Business, University of Pennsylvania, Fisher also received his master's degree in finance and accounting from Wharton. New technology and the advent of around the clock trading have opened the floodgates to both foreign and domestic markets. Traders need the wisdom of industry veterans and the vision of innovators in today's volatile financial marketplace. The Wiley Trading series features books by traders who have survived the market's ever changing temperament and have prospered--some by reinventing systems, others by getting back to basics. Whether a novice trader, professional or somewhere in-between, these books will provide the advice and strategies needed to prosper today and well into the future.
