The Vanity Fair Diaries is the story of an Englishwoman barely out of her 20s who arrives in New York City with a dream. Summoned from London in hopes that she can save Condé Nast’s troubled new flagship Vanity Fair , Tina Brown is immediately plunged into the maelstrom of the competitive New York media world and the backstabbing rivalries at the court of the planet’s slickest, most glamour-focused magazine company.

Named one of the best books of 2017 by Time, People, Amazon.com, The Guardian, Paste Magazine, The Economist, Entertainment Weekly, & Vogue Tina Brown kept delicious daily diaries throughout her eight spectacular years as editor-in-chief of Vanity Fair. Today they provide an incendiary portrait of the flash and dash and power brokering of the Excessive Eighties in New York and Hollywood. The Vanity Fair Diaries is the story of an Englishwoman barely out of her twenties who arrives in New York City with a dream. Summoned from London in hopes that she can save Condé Nast’s troubled new flagship Vanity Fair, Tina Brown is immediately plunged into the maelstrom of the competitive New York media world and the backstabbing rivalries at the court of the planet’s slickest, most glamour-focused magazine company. She survives the politics, the intrigue, and the attempts to derail her by a simple stratagem: succeeding. In the face of rampant skepticism, she triumphantly reinvents a failing magazine. Here are the inside stories of Vanity Fair scoops and covers that sold millions—the Reagan kiss, the meltdown of Princess Diana’s marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. In the diary’s cinematic pages, the drama, the comedy, and the struggle of running an ‘it’ magazine come to life. Brown’s Vanity Fair Diaries is also a woman’s journey, of making a home in a new country and of the deep bonds with her husband, their prematurely born son, and their daughter. Astute, open-hearted, often riotously funny, Tina Brown’s The Vanity Fair Diaries is a compulsively fascinating and intimate chronicle of a woman’s life in a glittering era.

The irreverent diaries of Tina Brown’s eight spectacular years as editor-in-chief of Vanity Fair provide a vivid portrait of the flash and dash of the Eighties in New York and Hollywood.

‘Indiscreet, brilliantly observed, frequently hilarious’ Evening Standard ‘Hang on – it’s a wild ride’ Meryl Streep It’s 1983. A young Englishwoman arrives in Manhattan on a mission. Summoned in the hope that she can save Condé Nast’s troubled new flagship Vanity Fair, Tina Brown is plunged into the maelstrom of competitive New York media. She survives the politics and the intrigue by a simple stratagem: succeeding. Here are the inside stories of the scoops and covers that sold millions: the Reagan kiss, the meltdown of Princess Diana’s marriage to Prince Charles, the sensational Annie Leibovitz cover of a gloriously pregnant, naked Demi Moore. Written with dash and verve, the diary is also a sharply observed account of New York and London society. In its cinematic pages the drama, comedy and struggle of raising a family and running an ‘it’ magazine come to life.

Astute, open-hearted, often riotously funny, Tina Brown’s The Vanity Fair Diaries is a compulsively fascinating and intimate chronicle of a woman’s life in a glittering era.

Years after her death, Princess Diana remains a mystery. Was she “the people’s princess,” who electrified the world with her beauty and humanitarian missions? Or was she a manipulative, media-savvy neurotic who nearly brought down the monarchy? Only Tina Brown, former Editor-in-Chief of Tatler, England’s glossiest gossip magazine; Vanity Fair; and The New Yorker could possibly give us the truth. Tina knew Diana personally and has far-reaching insight into the royals and the Queen herself. In The Diana Chronicles, you will meet a formidable female cast and understand as never before the society that shaped them: Diana’s sexually charged mother, her scheming grandmother, the stepmother she hated but finally came to terms with, and bad-girl Pergie, her sister-in-law, who concealed wounds of her own. Most formidable of them all was her mother-in-law, the Queen, whose admiration Diana sought till the day she died. Add Camilla Parker-Bowles, the ultimate “other woman” into this combustible mix, and it’s no wonder that Diana broke out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect.

The Vanity Fair Diaries: 1983-1992 (2017) by Tina Brown is a personal account of the famous magazine editor’s tenure as editor-in-chief of Vanity Fair, culled from excerpts of her own private journals. Beginning when she was drafted for the job and tracing her steps as she resuscitated the ailing magazine, Brown examines key moments in both the magazine’s history and in her own life...Purchase this in-depth analysis to learn more.

Offers the history of “Vanity Fair” by presenting how the magazine displayed American culture in the many decades of its operation, including the Jazz Age, the Depression, the Reagan Years, and the Information Age.

From one of our preeminent journalists and modern historians comes the epic story of Barack Obama and the world that created him. In Barack Obama: The Story, David Maraniss has written a deeply reported generational biography teeming with fresh insights and revealing information, a masterly narrative drawn from hundreds of interviews, including with President Obama in the Oval Office, and a trove of letters, journals, diaries, and other documents. The book unfolds in the small towns of Kansas and the remote villages of western Kenya, following the personal struggles of Obama’s white and black ancestors through the swirl of the twentieth century. It is a roots story on a global scale, a saga of constant movement, frustration and accomplishment, strong women and weak men, hopes lost and deferred, people leaving and being left. Disparate family threads converge in the climactic chapters as Obama reaches adulthood and travels from Honolulu to Los Angeles to New York to Chicago, trying to make sense of his past, establish his own identity, and prepare for his political future. Barack Obama: The Story chronicles as never before the forces that shaped the first black president of the United States and explains why he thinks and acts as he does. Much like the author’s classic study of Bill Clinton, First in His Class, this promises to become a seminal book that will redefine a president.

Looking back at the last thirty-five years of Vanity Fair stories on women, by women, with an introduction by the magazine’s editor in chief, Radhika Jones Gail Sheehy on Hillary Clinton. Ingrid Sischy on Nicole Kidman. Jacqueline Woodson on Lena Waithe. Leslie Bennetts on Michelle Obama. And two Maureens (Orth and Dowd) on two Tinas (Turner and Fey). Vanity Fair’s Women on Women features a selection of the best profiles, essays, and columns on female subjects written by female contributors to the magazine over the past thirty-five years. From the viewpoint of the female gaze come penetrating profiles on everyone from Gloria Steinem to Princess Diana to Whoopi Goldberg to essays on workplace sexual harassment (by Bethany McLean) to a post-#MeToo reassessment of the Clinton scandal (by Monica Lewinsky). Many of these pieces constitute the first draft of a larger cultural narrative. They tell a singular story about female icons and identity over the last four decades—and about the magazine as it has evolved under the editorial direction of Tina Brown, Graydon Carter, and now Radhika Jones, who has written a compelling introduction. When Vanity Fair’s inaugural editor, Frank Crowninshield, took the helm of the magazine in 1914, his mission statement declared, “We hereby announce ourselves as determined and bigoted feminists.” Under Jones’s leadership, Vanity Fair continues the publication’s proud tradition of highlighting women’s voices—and all the many ways they define our culture.

In the 1960s, Andy Warhol’s paintings redefined modern art. His films provoked heated controversy, and his Factory was a hangout for the avant-garde. In the 1970s, after Valerie Solanas’s attempt on his life, Warhol become more entrepreneurial, aligning himself with the rich and famous. Bob Colacello, the editor of Warhol’s Interview magazine, spent that decade by Andy’s side as employee, collaborator, wingman, and confidante. In these pages, Colacello takes us there with Andy: into the Factory office, into Studio 54, into wild celebrity-studded parties, and into the early-morning phone calls where the mysterious artist was at his most honest and vulnerable. Colacello gives us, as no one else can, a riveting portrait of this extraordinary man: brilliant, controlling, shy, insecure, and immeasurably influential. When Holy Terror was first published in 1990, it was hailed as the best of the Warhol accounts. Now, some two decades later, this portrayal retains its hold on readers—as does Andy’s timeless power to fascinate, galvanize, and move us.
