THE VICTORIAN FRAME OF MIND is divided in to three parts in which Houghton examines Victorian emotional, intellectual and moral attitudes. He bases these discussions on the premise that 1830-1870 was an "age of transition," and that the Victorian English were the first to think of their own time as "an era of change FROM the past TO the future."

It is now forty years,ö Walter Houghton writes, ösince Lytton Strachey decided that we knew too much about the Victorian era to view its culture as a whole.öá Recently the tide has turned and the Victorians have been the subject of sympathetic öperiod pieces,ö critical and biographical works, and extensive studies of their age, but the Victorian mind itself remains blurred for usà bundle of various and often paradoxical ideas and attitudes.á Mr. Houghton explores these ideas and attitudes, studies their interrelationships, and traces their simultaneous existence to the general character of the age.á His inquiry is the more important because it demonstrates that to look into the Victorian mind is to see some of the primary sources of the modern mind.

Here Ekbert Faas examines the complex interrelationships among the fields of early psychiatry, poetry, and aesthetics through an in-depth study of the Victorian dramatic monologue and its Romantic antecedents. Discussing the work of over thirty major and minor poets, he focuses on what Victorian critics viewed as an unprecedented psychological school of poetry related to early psychiatry and rooted in the poetic "science of feelings" (Wordsworth). This broad historical perspective enables Faas to redefine our current terminology regarding the dramatic monologue and to document the extent to which early psychiatry shaped the poetry, poetics, and

general frame of mind of the Victorians. "In the nineteenth century, English poetry began to explore the psyche in ways contemporaries recognized as new. Wordsworth and Coleridge pioneered what Arnold, Tennyson, and Browning continued. Professor Faas painstakingly documents this, and reactions to it, with reference to simultaneous psychiatric work. Fascinating."--Encounter Originally published in 1989. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

TRAVEL BACK IN TIME WITH THE BBC'S RUTH GOODMAN We know what life was like for Victoria and Albert. But what was it like for a commoner - like you or me? How did it feel to cook with coal and wash with tea leaves? Drink beer for breakfast and clean your teeth with cuttlefish? Catch the omnibus to work and do the laundry in your corset? How to be a Victorian by Ruth Goodman is a radical new approach to history; a journey back in time more personal than anything before. Moving through the rhythm of the day, this astonishing guide illuminates the overlapping worlds of health, sex, fashion, food, school, work and play. Surviving everyday life came down to the gritty details, the small necessities and tricks of living and Ruth will show you how. If you liked A Time Traveller's Guide to Medieval England or 1000 Years of Annoying the French, you will love this book.
