The Warren Line is the lineage of witches to which the Halliwell family belongs. The line started with Melinda Warren, daughter of Charlotte Warren, in the late 17th century. They are the most powerful line of witches in history. One of the things that have made the Charmed Ones and all witches in the line so strong is their bond as a family.

Brynn will just have to hope that her aunts' magic and her own investigative skills will lead her to answers--and maybe back to the gift she once thought herself ready to give up forever.
