There's more to winning battles than fists and feet For world-renowned professional fighter Georges St-Pierre, the greatest asset is not physical strength or athleticism—it's a sense of purpose. arts, and his long, painful recovery from a career-threatening injury, Georges never lost sight of his ambition to become the greatest martial artist of all time. In *The Way of the Fight*, Georges for the first time reveals what propelled him not only to become a champion but to embrace obstacles as opportunities to build character. Georges's story is interwoven with fascinating insights from those who know him best: his mother, who tells of his drive to master new skills, even as a child. His mentor Kristof Midoux, who describes a young fighter with an extraordinary sense of discipline. His Brazilian Jiu-Jitsu teacher John Danaher, who witnessed the development of an indomitable work ethic. His coach Firas Zahabi, who worked alongside the champion through a potentially career-ending

look at the life of the UFC world champion—his journey from years of bullying to the very top of the world of mixed martial arts. As the world's most popular UFC fighter, Georges "Rush" St-Pierre seems almost impossibly tough and dominant. But long before he was "GSP," as his millions of fans know him, he was just a kid harassed by bullies. But he was also a kid who, thanks to years of practicing martial arts, invented his own way of life. He became a black belt in karate at the age of 12. In his later teens, working as a garbage collector to finance his unique and innovative training methods, GSP learned from repeated losses and ultimately found a way to triumph in a highly competitive field. Along the way, he discovered a simple truth: never stop reaching for your goal. With

startling honesty, GSP relates the true story of growing up in the martial arts and discovering that his passion for learning and constant improvement makes him happy. By way of fighting, he's discovered how to succeed; by way of injury, how to maintain perspective on that success. This book highlights the lessons that brought him there, the unique system he invented to combine various forms of fighting arts, and the key people who helped make him world champion.

In 1974 in Kinshasa, Zaïre, two African American boxers were paid five million dollars apiece to fight each other. One was Muhammad Ali, the aging but irrepressible "professor of boxing." The other was George Foreman, who was as taciturn as Ali was voluble. Observing them was Norman Mailer, a

commentator of unparalleled energy, acumen, and audacity. Whether he is analyzing the fighters' moves, interpreting their characters, or weighing their competing claims on the African and American souls, Mailer's grasp of the titanic battle's feints and stratagems—and his sensitivity to their deeper symbolism—makes this book a masterpiece of the literature of sport. Praise for *The Fight* “Exquisitely refined and attenuated . . . [a] sensitive portrait of an extraordinary athlete and man, and a pugilistic drama fully as exciting as the reality on which it is based.”—The New York Times “One of the defining texts of sports journalism. Not only does Mailer recall the violent combat with a scholar's eye . . . he also makes the whole act of reporting seem as exciting as what's occurring in the ring.”—GQ “Stylistically, Mailer

was the greatest boxing writer of all time.”—Chuck Klosterman, *Esquire* “One of Mailer’s finest books.”—Louis Menand, *The New Yorker* Praise for Norman Mailer “[Norman Mailer] loomed over American letters longer and larger than any other writer of his generation.”—*The New York Times* “A writer of the greatest and most reckless talent.”—*The New Yorker* “Mailer is indispensable, an American treasure.”—*The Washington Post* “A devastatingly alive and original creative mind.”—*Life* “Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance.”—*The New York Review of Books* “The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and

become richer in wisdom with each new book.”—Chicago Tribune “Mailer is a master of his craft. His language carries you through the story like a leaf on a stream.”—The Cincinnati Post

In this counter intuitive book, author Dr. Greg Smalley maintains that fighting is actually good for a marriage. Couples will learn how to fight their way to a better marriage, using the skills, concepts, and exercises shared in this remarkable book.

The winners of the Nobel Prize in Economics upend the most common assumptions about how economics works in this gripping and disruptive

portrait of how poor people actually live. Why do the poor borrow to save? Why do they miss out on free life-saving immunizations, but pay for unnecessary drugs? In *Poor Economics*, Abhijit V. Banerjee and Esther Duflo, two award-winning MIT professors, answer these questions based on years of field research from around the world. Called "marvelous, rewarding" by the Wall Street Journal, the book offers a radical rethinking of the economics of poverty and an intimate view of life on 99 cents a day. *Poor Economics* shows that creating a world without poverty begins with understanding the daily decisions facing the poor.

defense More than three million Americans are involved in a violent physical encounter every year. In these situations, knowledge is power, and few teachers are better equipped to deliver that knowledge than Lawrence Kane and Kris Wilder. Veteran martial arts instructors and masters in their field, Kane and Wilder have teamed up with DC Comics artist Matt Haley to produce a step-by-step guide revealing the secrets of surviving-and preventing-violent encounters. The defense begins by scanning the environment for dangerous situations and using verbal de-escalation to defuse tense situations. If a fight is unavoidable, the authors offer clear guidance for being the victor, along with advice on legal implications, including how to handle a police interview after the attack.

From award-winning poet Saeed Jones, *How We Fight for Our Lives*—winner of the Kirkus Prize and the Stonewall Book Award—is a “moving, bracingly honest memoir” (The New York Times Book Review) written at the crossroads of sex, race, and power. One of the best books of the year as selected by The New York Times; The Washington Post; NPR; Time; The New Yorker; O, The Oprah Magazine; Harper’s Bazaar; Elle; BuzzFeed; Goodreads; and many more. “People don’t just happen,” writes Saeed Jones. “We sacrifice former versions of ourselves. We sacrifice the people who dared to raise us. The ‘I’ it seems doesn’t exist until we are able to say, ‘I am no longer yours.’” Haunted and haunting, *How We Fight for Our Lives* is a stunning

coming-of-age memoir about a young, black, gay man from the South as he fights to carve out a place for himself, within his family, within his country, within his own hopes, desires, and fears. Through a series of vignettes that chart a course across the American landscape, Jones draws readers into his boyhood and adolescence—into tumultuous relationships with his family, into passing flings with lovers, friends, and strangers. Each piece builds into a larger examination of race and queerness, power and vulnerability, love and grief: a portrait of what we all do for one another—and to one another—as we fight to become ourselves. An award-winning poet, Jones has developed a style that's as beautiful as it is powerful—a voice that's by turns a river, a blues, and a

nightscape set ablaze. How We Fight for Our Lives is a one-of-a-kind memoir and a book that cements Saeed Jones as an essential writer for our time.
