JANIE WHO? It's hard enough being the new kid in school. It's even tougher when all of your new classmates live in big houses and wear expensive clothes, while your parents have little and are risking everything just to give you a chance at a better life. Now Janie's about to do something that will make her stand out even more among the rich kids at Satterthwaite School. Something that will have everyone wondering just who Janie Sams really is. And something that will mean totally unexpected changes for Janie and her family.

Having been moved to an affluent area, Janie Samms feels out of place amongst all the rich kids in her school and so devises a way to cope with her new surroundings by doing something totally original. Simultaneous.

Sukie is worried -- her parents are acting strange. When she runs in the house, her dad asks, "If all your friends jumped off a bridge, would you jump off a bridge too?" When she eats peas with her fingers, Mom yells, "You'll put an eye out with that thing!" What is going on? Have her parents been replaced by aliens? Are they robots with broken circuits? She and her older brothers decide to investigate. And what they discover leads to a kids-against-parents WAR! This very funny book casts a new light on family rules.

I ' m the new kid. I am tuf. This morning I beat up a kid. It ' s only the first day of school for Dexter, but he ' s already mad at the principal, and the secretary,

and the janitor, and the kids who laugh at him. When his teacher tells the class to write a story, Dexter writes about how tough he is—and how he 's already gotten into a fight. Is any of Dexter 's story true? Why was the other boy crying before Dexter hit him? And why would the other boy still want to be Dexter 's friend? Even Dexter doesn 't know the answers to some of those questions. But as he deals with family problems, a persistent teacher, and a boy who 's strangely interested in floor wax, he discovers many surprises hidden in his own tale.

This retelling of the beloved fairy tale finds 15-year-old Ella discovering that accepting the Prince's proposal ensnares her in a suffocating tangle of palace rules and royal etiquette.

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

Allowing herself to be hypnotized, fifteen-year-old Kira reveals memories of another time and place that may eventually cost her and her mother their lives.

"After a terrible fire destroys her home and kills her twelve sister-princesses, Desmia must rise above those who intend to manipulate her and seize power for themselves--and find out the truth"--
