Each of us has a unique combination of these elemental energies behind our personal characteristics--everything from the color of our eyes to our behaviors and emotional temperament. What tattvas are dominant in your make-up can also be influenced by your surroundings and by karma. Essential oils, in addition to working biologically and chemically, also work at the energetic level, making them ideal for working with the tattvas. Teaching you how to use essential oils to affect the very fabric of your being, Candice Covington details how the Tattvas Method of essential oils allow you to access the deepest, most hidden aspects of Self, those beyond the reach of the mind, the very energetic causation patterns that set all behaviors and thoughts into motion. The author provides energetic profiles of each tattva, chakra, and essential oil, explains their relationships to one another, and details how to identify what tattva or chakra is dominant at any given time. Exploring the energetic signatures of the tattvic essential oils, she details their elemental make-up, animal and deity archetypes, sacred geometry symbols, sacred syllables, and colors. She reveals how to discover the energy patterns responsible for directing unhealthy life patterns and explains how to identify your personal vibrational signature, purify your energy body, and craft your own unique ritual practice with essential oils. Showing how essential oils are powerful vibrational tools for effecting change, the author reveals how they allow each of us to deliberately steer our own destiny, fulfill our personal dharma, and be all that our souls intended us to be.
