pendant and Connor suddenly appears in her bedroom, begging for her help. He offers an outrageous adventure: travel to his time, marry him for a short time, and return home. But nothing goes as planned. Cate's trapped in the 13th century, the wedding's delayed, and someone's trying to kill her. And in the middle of all this, she realizes that she's falling in love with a man who can only be her husband for thirty nights. It will take more than the magic of the Fae to help them now. It will require the most powerful magic of all—the magic of true love.

Ian McCullough is neck-deep in his own trouble. A half-mortal descendant of Faeries, he's been a Guardian for more than six hundred years, but he's never encountered a woman like Sarah. Assigned to protect her, he finds the job tougher than he could have imagined. Oh, he can handle the stalker, and even the renegade Faeries trying to kidnap her. But falling in love means forsaking his role as Guardian -- which is some-thing he could never do. But there is no denying the passion that exists between two souls fated to be together.

ANDREW MACALISTER longs for a cure to free him from the excruciating pain caused by an old wound, but when he rescues a drowning woman, he has no idea how much his life is about to change. All Drew knows is that this mysterious woman is hiding secrets—and that he's never felt such a consuming desire before. Yet he cannot deny her request for help, even if it means bringing the detested English army to his Highland clan's home. LEAH NOBLE MCQUARRIE still harbors a deep hatred of the Fae who tortured her eleven years ago, forcing her to escape back in time to the thirteenth century. A descendant of the Fae, Leah denies her heritage and her magical healing abilities. But the English army is holding her beloved adoptive grandfather captive, so Leah must seek help from the Fae—and the captivating man whose touch she craves. Then Drew discovers Leah's secrets, and he's torn between

old loyalties and trusting a woman who has the power to give him the future he's sought—but could destroy his clan forever. . . .

When COLIN MACALISTER is cursed by the Faerie Queen and ends up in the bed of a twenty-first-century woman—who also happens to be the most beautiful creature he's ever laid eyes on—he's torn between anger and lust. Colin is determined to see Scotland free of English control and must return to the fourteenth century, yet he cannot forget the woman who haunts his dreams and stirs him with scorching desire. ABIGAIL PORTER can't believe her luck. After making a wish to find her soul mate, she wakes up to find a gorgeous man in her bed! Can he really be a medieval Highlander summoned by her Faerie Magic, however? It seems crazy, but when Abby discovers someone wants to enslave her because of her Faerie heritage, she agrees to flee with Colin to 1306 Scotland to avoid capture. Thwarting danger at every turn, Abby and Colin surrender to an irresistible passion. But is the magic of true love powerful enough to save them?

MALCOLM MACDOWYLT sees himself a failed warrior, haunted by the death of the woman he married to become laird of Clan MacGahan. Neither his Viking heritage nor his claim to descend from Norse gods can restore his confidence in his ability to protect his people. His sister is held captive, her life in jeopardy, and his Magically powerful half brother wants him dead. The last thing he needs is more responsibility, but that's exactly what he gets when his Faerie mother-in-law arrives seeking justice for her daughter in the form of an enticing woman from seven hundred years in the future. DANIELLE DEARMON has waited fifteen years to discover the life she is supposed to live. She just never dreamed she'd end up in the thirteenth century with a handsome Scot bent on saving everyone but himself. Now, she must save the last Daughter of the MacKiernan family...who was murdered in 1295. Transported back in time at her request, Mairi finds herself captured by the same evil men as before! Is this the price the Faerie Magic requires of her this time? Ramos Servans has dedicated his dreams to service as a Guardian, but when he discovers the evil unleashed on the Mortal Plain by his father and their people, he swears he will atone by ridding the world of Nuadian deceit. Part of his mission involves rescuing a lovely Highland lassie, and in the passion that grows between them, Ramos and Mairi find a new dream.
