This book is going to make you question tradition!! Is it really a good idea to go with the norms of society based on gender, sexuality, and others? The story is about a hermaphrodite, and his struggle to face the daily challenges and find his own identity in the world. This book is far from its age, as people go through similar traditional chaos.

How to combat stress and anxiety to be calmer, happier and more fulfilled

"From the creator of @Drawings of Dogs comes this illustrated examination of empathy and the necessity of being kinder. Building on his academic studies in metaethics and using his signature animal cartoons, the author explores the sources and the limitations of human empathy and the many ways that we can work toward being our best selves for the people around us and the society we need to build"--

'Take on January with new-found serenity with this series of self-help books' Stylist Find success in both your professional and your personal life. Success means different things to different people, yet there are essential key skills and knowledge that will help you to achieve your goals, whatever they are - be it progressing in your career, getting a pay rise, setting up your own business or negotiating Christmas dinner arrangements with your in-laws. This Book Will Make You Successful is a straight-talking and practical guide to getting what you want out of life. Using extensive research, plus interviews with professionals across all fields of expertise, Jo Usmar delivers strategies for becoming successful in both your work and your day-to-day life. This little book covers everything from networking, conflict resolution, stress management, productivity and being more persuasive, to not feeling like a fraud and moving on from setbacks. Prepare to feel both motivated and motivational, confident, productive and courageous. So many other books on 'success' confine themselves to target-hitting and positive thinking. This is broader, hugely useful, and entertaining to read. Chapters include: goal-setting exercises, anti-procrastination techniques, stress management, persuasion strategies, negotiation tips, mistake management, productivity tools, creativity boosters, work-life balance, managing difficult conversations (and difficult people). Praise for the This Book Will series:
