Teaching English Online - Business English through Coaching and Conversation - Lesson Plan Ebook - 92 pages
Are you an existing Online English Teacher with a desire to incorporate Business English into your teaching arsenal? This Ebook could be for you! As an experienced Online English Teacher with a background in HR and over 20 years of work experience, I largely specialise in Business English, teaching via the popular language-learning platform, Italki, in addition to offering private lessons on my website. The vast majority of my students are B1-C2 level ADULT PROFESSIONALS based in Russia, and across Europe. Many work in particular fields such as IT, Banking and HR. Students such as these may be working for an international company, are relocating to an English-speaking country, or may simply want to focus on their interview technique. The issue is, however, is that much of the Business English material available to teachers has a tendency to focus on overly-formal language, outdated situations and generalised vocabulary which may not be relevant to individual students. Also, professionals may be able to describe the technical intricacies of their job role, but struggle when it comes to discussing behaviours. 2020 has also seen a change in Business English. Boardroom meetings have turned into Zoom calls, Job Interviews take place over Skype, and the use of informal language on modern communication platforms has become far more prominent. This Ebook is effectively the second half of my

Download Free This Business English Lesson Plan Engthu

FULL Business English Ebook - this option is for any existing, experienced who are simply looking for some structured, conversational lesson plans to use with students. Classroom lessons and textbooks for advanced students are not necessarily useful. Advanced students want to have a conversation, build their confidence and learn new, relevant vocabulary. This Ebook consists of over 60 behavioural, skills-based, issues-based, and industry-specific conversational lesson plans. Each lesson plan contains useful prompts for the teacher, relevant phrasal verbs, idioms, and collocations for the student to use during a lesson, in addition to pre-work/technical prompts for both the student and teacher in the industry-specific topics. These lesson plans will last you forever!! You can also find examples of behavioural interview questions which are typically asked in modern times, particularly around failure and reflection, leadership skills and more, instead of the typical "What are your strengths and weaknesses" questions. Overall, Business English students need support with confidence. This can only be achieved through 1-2-1 coaching and conversation. If you are a new teacher who would simply like further detail and guidance on the WHY and HOW of Business English through Coaching and Conversation, you can pick up the FULL Ebook on this site. Happy Teaching!

This book is more than a collection of activities or ready-made lesson plans to add to a teaching repertoire. Instead, Goal-Driven Lesson Planning is intended to empower teachers and help them create a principled framework for their teaching—a framework that will shape the varied activities of the ESL classroom into a coherent teaching and learning partnership. After reading this book, teachers and prospective teachers will be able to articulate their individual teaching philosophies. Goal-Driven Lesson Planning shows readers how to take any

Download Free This Business English Lesson Plan Engthu

piece from English language materials—an assigned text, a random newspaper article, an ESL activity from a website, etc.—and use it to teach students something about language. Readers are walked through the process of reflecting on their role in diagnosing what that “something” is—what students really need—and planning how to get them there and how to know when they got there in a goal-driven principled manner. This book has chapters on the theory of setting specific language goals for students; how to analyze learner needs (including an initial diagnostic and needs-analysis); templates to use when planning goal-driven English language lessons; explicit instruction on giving corrective feedback; how to recognize and assess student progress; and the mechanics and logistics that facilitate the goal-driven language classroom.

ESL Conversation Book for Business English: ESL Lessons for Business Speaking. A Collection of ESL Conversation Cards, Grammar Activities & Speaking Activities for the Business English Classroom.No Prep Business English Speaking Lessons for Busy Teachers! assess your students' performance Ways to inject some fun into your classes Insider information on the best jobs around the world 'An invaluable manual for anyone thinking of embarking on a TEFL journey. Michelle Maxom's step-by-step guide provides practical tips to get you started and offers key advice to help unleash the creative English language teacher within.' – Claire Woollam, Director of Studies & a Teacher Trainer at Language Link London

Due to globalization, the ability to converse in English has become an incredibly important skill to possess. Business people, students, and the general public alike have become increasingly aware of the advantages provided by English literacy, and are therefore willing to go to great lengths to become proficient in the language. ESL stands for "English as a Second Language." ESL teachers teach the English language to non-native English speakers all over the world. Thus, English becomes the student's second language. While teaching ESL can be challenging, it can also be a very rewarding experience. This book is designed to help you, the ESL teacher, become better equipped to create enjoyable and effective ESL lessons for your students. Here, you'll learn everything that you need to know to plan great lessons for your classes so that you and your students can make learning English easy, stress-free, and fun.

Gives background to the business learner's world and strategies for approaching the training task, focusing on the learner's professional knowledge and experience. This book is suitable for teachers, trainers, and course organizers in the field of Business English or considering a move into it.

Instant English lessons – learn in a flash! TEFL Lesson Plans For Dummies is a ready-made course manual for TEFL teachers. With fully fleshed-out lessons, activities, tools, games, and resources, this book contains what is essentially an instant TEFL course. Use the ready-made materials directly in the classroom, or follow along with the detailed planning models and frameworks to grow your skills while designing your own lesson plans more effectively. The book includes access to online materials you can print for use in class, and the lessons can be used with or without the aid of technology in the classroom. You'll find expert advice on teaching all age levels and class sizes, including ideas for taking the lessons out into the world. Many EFL/ESL teachers have little or no experience, and may have only been in the profession for a limited time. TEFL Lesson Plans For Dummies saves the day with materials, ideas, and activities that can be implemented quickly and easily, making lessons more productive and fun. From quick exercises to larger-scale plans, this book contains hundreds of ways to help your students become more proficient English speakers. Implement expertly-designed planning models with step-by-step advice Teach lessons designed for students of all ages and classes of all sizes Integrate technology when it's available, or do without it when it's not Move your lessons outside of the classroom for deeper immersion Whether you're taking a TEFL training course, about to head out on your first job, or a veteran of the field, this book provides you with the tools you will need to get things moving in class. If you're looking to cut down on planning time without sacrificing student engagement, TEFL Lesson Plans For Dummies is the classroom-ready resource you need.

an existing Online English Teacher with a desire to incorporate Business English into your teaching arsenal? Or, perhaps, you're planning to pursue Online Teaching as either a full-time profession or side-hustle. Whichever box you fall into, this Ebook could be for you! As an experienced Online English Teacher with a background in HR and over 20 years of work experience, I largely specialise in Business English, teaching via the popular language-learning platform, Italki, in addition to offering private lessons on my website. The vast majority of my students are B1-C2 level ADULT PROFESSIONALS based in Russia, and across Europe. Many work in particular fields such as IT, Banking and HR. Students such as these may be working for an international company, are relocating to an English-speaking country, or may simply want to focus on their interview technique. The issue is, however, is that much of the Business English material available to teachers has a tendency to focus on overly-formal language, outdated situations and generalised vocabulary which may not be relevant to individual students. Also, professionals may be able to describe the technical intricacies of their job role, but struggle when it comes to discussing behaviours. 2020 has also seen a change in Business English. Boardroom meetings have turned into Zoom calls, Job Interviews take place over Skype, and the use of informal language on modern communication platforms has become far more prominent. This Ebook is split into three simple parts - WHY, HOW, AND WHAT. The 'Why' section is aimed at teachers who may have little to no experience in teaching Business English. What types of student need to improve their Business English through coaching and conversation? For what reasons? In what situations do students need to improve their Business English? The 'How' section describes useful teaching techniques I have used, such as an adapted PPP lesson plan, methods of building

Download Free This Business English Lesson Plan Engthu

writing capability, a behavioural interview focus, and much more! Classroom lessons and textbooks for advanced students are not necessarily useful. Advanced students want to have a conversation, build their confidence and learn new, relevant vocabulary. Keeping this in mind, the 'What' section consists of over 60 behavioural, skills-based, issues-based, and industry-specific conversational lesson plans. Each lesson plan contains useful prompts for the teacher, relevant phrasal verbs, idioms, and collocations for the student to use during a lesson, in addition to pre-work/technical prompts for both the student and teacher in the industry-specific topics. These lesson plans will last you forever!! You can also find examples of behavioural interview questions which are typically asked in modern times, particularly around failure and reflection, leadership skills and more, instead of the typical "What are your strengths and weaknesses" questions. Overall, Business English students need support with confidence. This can only be achieved through 1-2-1 coaching and conversation. If you are an existing, experienced teacher who would simply like to have some useful lesson plans to hand, you can purchase the lesson plans-only version from this site. Happy Teaching!

This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and
