As the day of her twin brother’s wedding approaches, Soraya must decide if she’s willing to step outside of the shadows for the first time. Below in the dungeon is a demon who holds knowledge that she craves, the answer to her freedom. And above is a young man who isn’t afraid of her, whose eyes linger not with fear, but with an understanding of who she is beneath the poison. When nineteen-year-old huntress Feyre kills a wolf in the woods, a terrifying creature arrives to demand retribution. At least, he's not a beast all the time. As she adapts to her new home, her feelings for the faerie, Tamlin, transform from icy hostility into a fiery passion that burns through every lie she's been told about the beautiful, dangerous world of the Fae. But something is not right in the faerie lands. An ancient, wicked shadow is growing, and Feyre must find a way to stop it, or doom Tamlin—and his world—forever. From bestselling author Sarah J. Maas comes a seductive, breathtaking book that blends romance, adventure, and faerie lore into an unforgettable read.

On a cold day deep in the heart of winter, Rowan's father returns from an ill-fated hunting trip bearing a single, white rose. The rose is followed by the Huntress, a figure out of legend. Tall, cruel, and achingly beautiful, she brings Rowan back with her to a mountain fastness populated solely by the creatures of the hunt. Rowan, who once scorned the villagers for their superstitions, now finds herself at the heart of a curse with roots as deep as the mountains, ruled by an old magic that is as insidious as the touch of the winter rose. Torn between her family loyalties, her guilty relief at escaping her betrothal to the charming but arrogant Avery Lockland, and her complicated feelings for the Huntress, Rowan must find a way to break the curse before it destroys everything she loves. There is only one problem—if she can find a way to lift the curse, she will have to return to the life she left behind. And the only thing more unbearable than endless winter is facing a lifetime of springs without the Huntress.
