THREE DECADES OF STORIES is
a unique collection of
Patrick Gale's two volumes
of dark, moving, often witty
and eccentric stories,
GENTLEMAN'S RELISH and
DANGEROUS PLEASURES. It also

Online Library Three Decades The Story Of The

includes the acclaimed long story, CAESAR'S WIFE. Ranging from a lonely prisoner governor's wife, to a housewife desperate for a makeover; a father's trip to his former school to a long-term mistress offered an unexpected marriage, this is a volume that highlights Patrick Gale's skill of digging beneath the surface of relationships and exposing the often brutal mechanisms that drive them.

For over three decades the work of Antonia I. Castañeda

Online Library Three Decades The Story Of The

has shaped the fields of Western History and Chicana Studies. From her early articles on Chicana representation and political economy, to her most recent work mapping gendered violence and gendered resistance in the history of the U.S. Southwest, her work is consistently taught in classrooms and cited extensively. Yet Castañeda's work has been scattered throughout journals and anthologies, a "paper chase" for historians to track down. *Three Decades of Engendering History* ends the chase. This volume, edited by Linda Heidenreich, collects ten of Castañeda's

Online Library Three Decades The Story Of The

best articles, including the widely circulated article "Engendering the History of Alta California, 1769-1848," in which she took a direct and honest look at sex and gender relations in colonial California. Demonstrating that there is no romantic past to which we can turn, she exposed stories of violence against women, as well as stories of survival and resistance. Other articles included are the prize-winning "Women of Color and the Rewriting of Western History," and two recent articles, "Lullabies y Canciones de Cuna" and "La Despedida." The latter two represent Castañeda's most

Online Library Three Decades The Story Of The

recent work excavating, mapping, and bringing forth the long and strong post-WWII history of Tejanas.

Finally, the volume includes three interviews with Antonia Castañeda, conducted by Luz María Gordillo, that contribute the important narrative of her lived experiences, political perspective, her commitment to initiate and develop scholarship that highlights gender and Chicanas as a legitimate line of inquiry, and her drive to center Chicanas as historical subjects.

First Published in 1996.

Online Library Three Decades The Story Of The State Electricity, Taylor & Francis, an informa company. Commission Of Victoria From Its Inception To December 1948

Anthony Collings found himself in his share of difficult situations in his thirty-four years as a newsman. Like being captured by AK-47-toting Syrians in Lebanon in 1981 while looking for missiles that threatened a new outbreak of hostilities with Israel, or being “detained” by the KGB in Moscow in 1967 during his first foreign posting for the Associated Press filing stories about Soviet

Online Library Three Decades The Story Of The

dissidents. Name a hot spot, and Collings has likely been there. From AP correspondent to Newsweek bureau chief to CNN reporter, he covered the Middle East, Rome, Moscow, London, Paris, and Washington. Now he has gathered stories about his work in a book that is both a journalist's memoir and a commentary on the current ethical crises in the news media and how to address them. Brimming with entertaining stories about journalism, especially the chaotic early years at CNN when he and his colleagues established the first major cable news network, Collings's book reveals the

Online Library Three Decades The Story Of The

dangers and pressures of covering the news and the difficulties of overcoming obstacles to the truth. He recalls smuggling tapes out of Poland after the Communists had imposed martial law; flying dangerously near Libya's "Line of Death"; interviewing world figures from Brezhnev to Kaddafi and Arafat; and winning awards for covering Iran-Contra and the Oklahoma City bombing. Collings brings fresh insights to the Oliver North affair and examines how the press was suckered in its coverage of the Jessica Lynch prisoner-of-war story in 2003. He voices his

Online Library Three Decades The Story Of The

concerns regarding oversimplified reporting of complex issues and poses provocative questions about covering terrorism. In this book, Collings presents an insider's appraisal of the American news media's failings and accomplishments. Easy to read, informative, and thoughtful, *Capturing the News* will enlighten general readers interested in how journalists cover current affairs, while offering newsmen food for thought about the craft and ethics of journalism.
