INDIEFAB Book of the
Year Awards -- 2014
GOLD Winner for
Popular Culture Written
by Halston's niece and

Online Library Thrift Store Diva

confidante, this is the first monograph to chronicle the designer's life and his glamorous, minimalist aesthetic that personified American fashion in the electric 1970s. After rising in the fashion world from his beginnings as a milliner for Bergdorf Goodman, Roy Halston Frowick (1932–1990) launched his eponymous

Online Library Thrift Store Diva

womenswear label in 1968, buoyed by his connections with socialites and celebrities. As the creator of Jackie Kennedy's signature pillbox hat and as Liza Minnelli's fashion guru throughout the 1970s and '80s, Halston was synonymous both with American style's modern, glamorous look

Online Library Thrift Store Diva

and an A-list clientele.

The Halston look continues to be revered today as a marker of American fashion at its peak. This book chronicles the ultrachic Halston's journey from his homespun roots to the acme of urban fame, illustrated through the lens of the author's personal archives and early sketches, as well

Online Library Thrift Store Diva

as unseen Joe Eula and Stephen Sprouse drawings. His story unfolds through the author's interviews with Jane Holzer, Marisa Berenson, Joel Schumacher, and Jeffrey Bilhuber, among others, all of whose personal narratives are essential to Halston's enduring legacy. Spotlighting his most important design

achievements and his collaborations with luminaries such as Martha Graham, Elsa Peretti, and Hiro, this book presents to readers the untold story of Halston and solidifies his place as a key designer in American fashion.

of Sunshine Girl*, in
active development for

Weinstein Company, a

Online Library Thrift Store Diva

hit paranormal YA series based on the wildly popular YouTube channel about an "adorkable" teenager living in a haunted house. Shortly after her sixteenth birthday, Sunshine Griffith and her mother Kat move from sunny Austin, Texas, to the rain-drenched town of Ridgemont,

Washington. Though Sunshine is adopted, she and her mother have always been close, sharing a special bond filled with laughter and inside jokes. But from the moment they arrive, Sunshine feels her world darken with an eeriness she cannot place. And even if Kat doesn't recognize it, Sunshine knows that something

Online Library Thrift Store Diva

about their new house is just ... creepy. In the days that follow, things only get stranger.

Sunshine is followed around the house by an icy breeze, phantom wind slams her bedroom door shut, and eventually, the laughter Sunshine hears on her first night evolves into sobs. She can hardly believe it, but as the

spirits haunting her house become more frightening-and it becomes clear that Kat is in danger-Sunshine must accept what she is, pass the test before her, and save her mother from a fate worse than death.

The Chinese city of Yangzhou has been of great cultural

Online Library Thrift Store Diva

significance for many centuries, despite its destruction by invaders in the 17th and 19th centuries. It was a site of virtual pilgrimage for aspiring members of the Chinese educated class during the Ming and Qing periods. Moreover, because it was one of the foremost commercial centres during the late imperial

Online Library Thrift Store Diva

period, it was the place where the merchant and scholarly classes merged to set new standards of taste and to create a cultural milieu quite unlike that of other cities, even other major centres in the region. The luxurious elegance of its gardens and the eminence of its artistic traditions meant that Yangzhou set aesthetic

standards for the entire realm for much of the late imperial age. Over the years, particular regional forms of art and entertainment arose here, too, some surviving into the present time.
