REVIEW: THROB BY VI KEELAND – Head Over Books What it is about Kate and Cooper meet and instantly hits it off but they can't date because Kate is taking part in a Bachelor-type dating show. POV- dual first person

*REVIEW: THROB BY VI KEELAND – Head Over Books*

Vi Keeland, begins with the definition of Throb and it's important. It's also inline with heartthrob cover model, Josh Kloss. He's perfect for this story. The reader learns there is one more throb definition, reality television dating show. It's clever and makes an interesting storyline. Main characters are Kate, Flynn & Cooper.

Actually the first book I read by author Vi Keeland was Book 2 " BEAT", and I loved Flynn Beckham and Lucky Valentine so much. That I had to step back and read "Throb" and I am so very glad I did. Because frankly, me personally. I just loved this book THROB even better. Cooper Montgomery was just an amazing date, boyfriend, and eventually husband.

Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal.

A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. When I first encountered Ford Donovan, I had no idea who he was...well, other than the obvious. Young, gorgeous, successful, smart. Did I mention young? If I did, it bears repeating. Ford Donovan was too young for me. Let's back up to how it all started. My best friend decided I needed to start dating again. So, without my knowledge, she set up a profile for me on a popular dating site—one that invited men ages twenty-one to twenty-seven to apply for a date. Those nicknamed Cunnilingus King were told they'd go straight to the top for consideration. The profile wasn't supposed to go live. Another point that bears repeating—it wasn't supposed to. Nevertheless, that's how I met Ford, and we started messaging. He made me laugh; yet I was adamant that because of his age, we could only be friends. But after weeks of wearing me down, I finally agreed to one date only—my first after twenty years of being with my high school sweetheart. I knew it couldn't last, but I was curious about him. Though, you know what they say...curiosity kills the cat. My legs wobbled walking into the restaurant. Ford was seated at the bar. When he turned around, he took my breath away. His sexy smile nearly melted my panties. But...he looked so familiar. As I got closer I realized why. He was the son of the neighbor at our family's summer home. The boy next door. Only now...he was all man. I hadn't seen him in years. I left the restaurant and planned to put the entire crazy thing behind me. Which I did. Until summer came. And guess who decided to use his family's summer home this year?

My honeymoon was almost everything I dreamed it would be, a tropical paradise, turquoise water, romantic walks on the beach, and loads and loads of mind shattering sex. The only thing missing was the groom. After seven years of coasting through a relationship with Michael, my senses were numb. A week of passion with a stranger was just what I needed to clear my head and take back control of my life. But how do you move on when the man that was only supposed to be a fling somehow seeps into your soul and steals your heart?

A new, sexy standalone novel from #1 New York Times Bestseller, Vi Keeland. Terminated for inappropriate behavior. I couldn't believe the letter in my hands. Nine years. Nine damn years I'd worked my butt off for one of the largest companies in America, and I was fired with a form letter when I returned home from a week in Aruba. All because of a video taken when I was on vacation with my friends—a private video made on my private time. Or so I thought... Pissed off, I cracked open a bottle of wine and wrote my own letter to the gazillionaire CEO telling him what I thought of his company and its practices. I didn't think he'd actually respond. I certainly never thought I'd suddenly become pen pals with the rich jerk. Eventually, he realized I'd been wronged and made sure I got my job back. Only...it wasn't the only thing Grant Lexington wanted to do for me. But there was no way I was getting involved with my boss's boss's boss. Even if he was ridiculously gorgeous, confident, and charming. It would be completely wrong, inappropriate even. Sort of like the video that got me into trouble to begin with. Two wrongs don't make a right. But sometimes it's twice as fun.

From New York Times & USA Today Bestseller, Vi Keeland, comes a sexy new novel. The first time I met Brody Easton was in the men's locker room. It was my first interview as a professional sportscaster. The famed quarterback decided to bare all. And by all, I don't mean he told me any of his secrets. No. The arrogant ass decided to drop his towel, just as I asked the first question. On camera. The Super Bowl MVP quickly adopted a new hobby—screwing with me. When I pushed back, he shifted from wanting to screw with me, to wanting to screw me. But I don't date players. And it's not because I'm one of the few women working in the world of professional football. I'd date an athlete. It's the other kind of player I don't date. You know the type. Good looking, strong, cocky, always looking to get laid. Brody Easton was the ultimate player. Every woman wanted to be the one to change him. But the truth was, all he needed was a girl worth changing for. Turned out, I was that girl. Simple right? Let's face it. It never is. There's a story between once upon a time and happily ever after... And this one is ours. Author's note - The Baller is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18

From New York Times & USA Today Bestselling Author Vi Keeland and Dylan Scott comes a heart-wrenchingly beautiful new story... Two stories so deeply intertwined, you'll think you know how they intersect...but you'll be wrong.... Zack Martin The day I met Emily Bennett my whole world changed. Sure, we were just kids, but I was old enough to know my life would never be the same. She was my best friend. My destiny. My fate. I wasn't wrong...I just didn't know how twisted fate could be. Nikki Fallon After the death of my mother, moving from my dark and dreary trailer park to sunny California, I was focused on one thing – finding a sister I'd only just learned existed. Falling in love with him wasn't part of the plan. But he filled a void I never knew was possible to fill. He had to be my fate. My destiny. Until the day I finally found out who my sister was...and how twisted fate could be.

Jack and Syd spent a week in paradise. It was only supposed to be a fling. But life can be funny sometimes, and circumstances brought them back together again. Together they seemed to have found their happy ever after. But when Sydney is offered a chance at the career she has always wanted, she must leave Jack behind to follow her dreams. Can their love survive long distance? Sydney's touring with a man every woman wants, but he only has eyes for Syd. And an unexpected tragedy leaves Jack feeling remorseful. Can the two find a way through to forever?

Life changed for me in three days - the day my mother died, the day my dad married Candice and the day I met Kennedy Jenner. From the moment I saw him, I was drawn to him. Like a moth to a flame, I couldn't keep away from the irresistible heat of the fire. That knowing, confident smile...those beautiful pale blue eyes...and those dimples....simply delicious. Who could resist such a beautiful strong man? Hope York transformed herself from boring small town girl into a flawless beauty on the outside. But inside, she never changed. Kennedy Jenner was a successful, wealthy and jaw dropping handsome man that could have whatever he wanted, on his own terms. And he wanted Hope. But would he still want her after he saw her for who she really was, instead of what she carefully planned for everyone to see? And will his own secret past stand in his way for getting what he really wants?
