icon of the civil rights movement, Ruby Bridges chronicles each dramatic step of this pivotal event in history through her own words.

Over the years many things have happened in my life. They remain vivid even today. Each incident is a story written in memories recalled, or at the time of the event. Even the poems express my thoughts and inspired me to share those thoughts with an interpretation that show the influence people had on my life. This book is only a small portion of what I have gathered over the years. They are meant to make the reader laugh and cry with me. I hope you enjoy it.

Robert Attenello pays tribute to his amazing wife, Lillian, in *Her Journey through My Eyes*. At first blush, they may have seemed like an odd pair: She was a real estate and immigration paralegal and he was a construction worker with rough edges. But opposites attract—and they were perfect together. They had lots of fun and enjoyed lots of romance, but their story took a tragic turn when Lillian was diagnosed with breast cancer. The doctors planned to perform a double mastectomy and remove the cluster of lymph nodes affected by the cancer. But further scans revealed bad news: Lillian ' s cancer had spread to her bones. Doctors, however,

were still hopeful that the cancer could be treated. Lillian put on her warrior face and steeled herself for what was to come. Some days, she barely had the strength to get out of bed or her recliner. But she always fought through those awfully long and difficult days. Join the author as he recounts the highs and lows of his time with his loving wife of twenty-three years and the three years of support, trials, and unwavering faith during her battle with breast cancer. Whether you 've been diagnosed with cancer or have a loved one affected by the disease, you 'll be inspired by Lillian 's courage in Her Journey through My Eyes.

Amina lives on the edges of Mogadishu. Her family's house has been damaged in Somalia's long civil war, but they continue to live there, reluctant to leave their home. Amina's world is shattered when

government forces come to arrest her father because his art has been officially censored, deemed too political. Then rebel forces kidnap Amina's brother, forcing him to become a soldier in Somalia's brutal ongoing war. Although her mother and grandmother are still with her, Amina feels vulnerable and abandoned. Secretly, she begins to create her own artwork in the streets and the derelict buildings to give herself a sense of hope and to let out the burden of her heart. Her artwork explodes into Mogadishu's underground world, providing a voice for people all over the city who hope for a better, more secure future. 'This touching story brings home vividly the dangers of creating art that seeks to be true - and all the more so during a vicious civil war, interwoven with religious extremism. Thankfully, Amina's teenage curiosity and courage also signal hope.' - Beverley Naidoo, author of
