Dragon Lady Amelia Delaney is known for her sharp tongue, no-nonsense attitude, and sizable fortune.

Numerous suitors have tried to win her hand for the money, for the challenge, and for a rather unfortunate bet. She knows the unflattering reasons behind her numerous proposals; can she ever accept that a man would want to marry her just for herself? Jameson Pendrake is a devil-may-care dandy who cares for naught but fun and fashion. But behind his laughing green eyes lies a dark history, and he calls off his wedding because of his fear of repeating the past. He can not simply give up on the

idea of marriage; a wife is the best defense against the yearly crop of scheming mothers and their frilly daughters. But to allay his fears he needs a woman strong enough to laugh in the face of his past. A woman unflappable, unwavering, and unbroken. He knows just the woman. The trick, it seems, is in getting her to accept. To Wed The Widow A man with a Future, the Honorable George Sinclair would rather poke his eye out than take his place beside his brother and learn How To Be An Earl. But when an earl orders, a brother obeys. And when an earl tries to make his brother steady and responsible and old and gray, well... it just might kill them both. A woman with a Past, Lady Haywood is a scandalous distraction that no honorable gentleman can ignore. Especially one who's just been

toled that his very happy life is changing irrevocably to the boring. But even if a scandalous distraction is what George wants, what he needs is a wife. A virgin wife. A scandal-less wife...The earl would be the first to say that his brother has always had a problem choosing what he needs over what he wants. Lady Haywood would say that very few women who have buried five husbands would bother with a sixth. And George would say... why, this sounds like fine fun.130,000 words ~520 pages

A New York Times Book Review Notable Book “Whom to marry, and when will it happen—these two questions define every woman’s existence.” So begins *Spinster*, a revelatory and slyly erudite look at the pleasures and possibilities of remaining single. Using her own experiences as a starting point, journalist and cultural critic Kate Bolick invites us into her carefully considered, passionately lived life, weaving together the past and present to examine why she—along with over 100 million American women, whose ranks keep growing—remains unmarried. This

File Type PDF To Catch A Spinster The Reluctant

unprecedented demographic shift, Bolick explains, is the logical outcome of hundreds of years of change that has neither been fully understood, nor appreciated. Spinster introduces a cast of pioneering women from the last century whose genius, tenacity, and flair for drama have emboldened Bolick to fashion her life on her own terms: columnist Neith Boyce, essayist Maeve Brennan, social visionary Charlotte Perkins Gilman, poet Edna St. Vincent Millay, and novelist Edith Wharton. By animating their unconventional ideas and choices, Bolick shows us that contemporary debates about settling down, and having it all, are timeless—the crucible upon which all thoughtful women have tried for centuries to forge a good life. Intellectually substantial and deeply personal, Spinster is both an

File Type PDF To Catch A Spinster The Reluctant

unreservedly inquisitive memoir and a broader cultural exploration that asks us to acknowledge the opportunities within ourselves to live authentically. Bolick offers us a way back into our own lives—a chance to see those splendid years when we were young and unencumbered, or middle-aged and finally left to our own devices, for what they really are: unbounded and our own to savor.

and yet somehow, unexpectedly and most reluctantly, find love. To Tempt The Saint Many years ago, George St. Clair loved and lost-- his heart, his faith, his future. Now, he is content to watch not-so-silently as life happens to his friends, secure in the knowledge that no woman could tempt him again. Absolutely certain that no woman is worth the risk. Confident that he is protected from the pain... Honora Kempe lost everything after her fall from grace-- her family, her life, a future. Now, Hell hath no fury like a disgraced vicar's daughter and she is determined to get back what was hers. By hook or by crook. Man by man. Lie by lie. Until one man makes her wonder if love really can heal all pain. And if too late really is too late... ~The Reluctant Bride Collection~ (books can be read in any order) To Catch A

Her love died on a battlefield. He carries a torch for a woman he's never met. Can the tragic death of a soldier entwine the souls of two strangers? Colorado, 1920. Josephine Barnes wrote every day to her beloved fiancé battling in the trenches of the Great War. Devastated when he's killed in action, she vows never to marry and buries her grief in the construction of the town's first library. But she's left breathless when she receives a request from a gracious gentleman to visit and return the letters containing her declarations of desire. Philip Baker survived the war but returned home burdened with a

distressing secret. Though he knows it's wrong, he can't stop reading through the beautiful sentiments left among his slain comrade's possessions. Plagued by guilt, he's unable to resist connecting with the extraordinary woman who captured his heart with her words. When Josephine invites Philip to join her gregarious family for the holidays, she's torn by her loyalty to a ghost and her growing feelings for the gallant man. And as Philip prepares to risk everything by telling her the truth about her dead fiancé, he fears he could crush Josephine's blossoming happiness forever. Will they break free from their painful pasts to embrace a passion meant to be? The Spinster is the second book in the heartwarming Emerson Pass historical romance series.
