Sam's One True Love is certainly still out there, but he knows now that real life is nothing like fiction. He's cultivated the necessary fortitude to say "no" to the next Mr. Wrong, no matter how hot, exciting, and/or erotic-novel-worthy he may be. Until he meets Ian.

"Find your one true love and live happily ever after." The trials of love and desire provide perennial story material, from the

Romancelandia to Disney's princesses, but perhaps most provocatively in the romance novel, a genre known for tales of fantasy and desire, sex and pleasure. Hailed on the one hand for its women-centered stories that can be sexually liberating, and criticized on the other for its emphasis on male/female coupling and mythical happy endings, romance fiction is a multi-million dollar publishing phenomenon, creating national and international societies of enthusiasts, practitioners, and scholars. Catherine M. Roach, alongside her romance-writer alter-ego, Catherine LaRoche, guides the reader deep into Romancelandia where the smart and the witty combine with the sexy and seductive to explore why this genre has such a grip on readers and what we can learn from the romance novel about the nature of happiness, love, sex, and desire in American popular culture.

When Plan A fails, turn to Man A. Thanks to Collin Montes, Theta Alpha Gamma now welcomes gay and bisexual students. Persuading his Uncle Monty, president of the TAG Alumni Association, that the open approach won't adversely affect TAG's reputation is Collin's own first step toward coming out. As long as there are no repercussions, he'll escape the closet by graduation. Enter repercussions, stage left: someone rigs the TAG House water heater to launch through the ceiling, then plants a bomb — thankfully unsuccessful — in the fraternity's basement. Now Collin has his hands full not only trying to convince his uncle that this might not be the work of homophobes, but also dealing with a fratful of brothers worried about their kegger fridge. Paramedic Eric Dixon can't stop thinking about the kid he met during a call at his former college fraternity house.

The age gap between them is trumped by sexy eyes, so when Eric sees Collin again at the bomb scene, he pursues him. Soon, Eric is dreaming of being a househusband, fighting to keep Collin safe from whoever's trying to destroy the fraternity, and helping his sweet young thang realize that repercussions sometimes have silver linings.

It's all fun and games until someone puts his heart out. After being outed to his hockey team and then changing schools, Jock figures he's due for something good — like the sex he missed out on in the closet. Toby, the hot grad student he meets at a frat party, seems like a great place to start, and their night together is an awesome introduction to the fine art of hooking up. Toby's heart takes a bruising after the near-perfect experience with Jock leads to...nothing. He's been left on the outside

as his friends pair up into blissful coupled-om, and he's in danger of never completing (or starting) his thesis. Can't something go right? Then Toby's coerced into chaperoning a Theta Alpha Gamma trip to France. Not that he's complaining. What better place to finish his thesis and get over that frat boy? Except Jock's outing is leaked to the press, turning him into an unwilling gay rights martyr, and he decides France would be a great escape, too. It's a break from reality for both guys, but they soon find their connection is as real as it gets.

On the cusp of his twenty-fifth birthday, Bo Sanford grows frustrated with his directionless life. Slaving away at his father's construction company all week and partying every weekend leaves him little time for introspection, but he knows it's time for a change. When his best

friend, Mac, drags him to a college party, Bo catches sight of a girl. But not just any girl—the girl of his dreams: a delicate blonde-haired beauty with a pink scarf and a smile that promises warmth and humor. There's just one problem: she isn't a girl.

It's just a friend thing. Before confessing his gayness to his best friend, Tierney Terrebonne's sex life is strictly restroom. After confessing his gayness to his best friend...it doesn't improve much. Why bother trying when the man he's loved for fourteen years (see: "best friend") is totally unattainable? Good thing Tierney is an old hand at accepting defeat; all it takes is a bottle of bourbon. Or fifty. Repeat as needed. Dalton Lehnart has a history of dating wealthy, damaged, closeted, lying, cheating, no-good, cowardly men, so of course he's immediately attracted to Tierney Terrebonne. Fortunately, Tierney

is so dissolute that even Dalton's feelings for the man would be better described as pity. Which becomes sympathy as they get to know each other. Followed by compassion, concern, caring, and hopefulness as Tierney struggles to change his life. When the man comes out very publicly and enters rehab, Dalton finds himself downright attached to Tierney. And as everyone knows, after attachment comes... Uh oh. But post-rehab Tierney can't handle more than friendship, so Dalton should be safe from repeating his own past mistakes, right? Right?

Sebastian does more than notice Brad; he takes him to bed. Brad's been with plenty of girls, but with Sebastian, the sex is something else entirely. Not, mind-blowing, affirming, and a little domineering in a way that drives him wild. But when great sex turns into something

more, Brad must face the crushing realization that Sebastian doesn't feel the same. Unless, of course, he does. After all, even grad students can be idiots about matters of the heart.

Lucas Wilder's best friend is a traitor. First, Audrey moved back to their hick-infested hometown, Bluewater Bay, and now she's marrying a local. His own brother, in fact. And as her man of honor, Lucas gets coerced into returning for an extended stay. Although, between his unfaithful ex-boyfriend and his artist's block, going home isn't the worst thing that could happen. Even if the best man is Gabriel Savage, Lucas's first crush, first hookup, and first heartbreak. The only reason Gabe hasn't been waiting for Lucas to return to Bluewater Bay is because he never thought it'd happen. Not that it matters now that Lucas is

back—Gabe's still a logger who's never been anywhere (Canada doesn't count), and Lucas is now a famous sculptor who's been everywhere twice. Plus, there's that shared past. When Audrey asks Lucas to make her wedding favors, the only place to set up a kiln is at Gabe's tree farm. Soon, they pick up where they left off twelve years before, then blow past it, discovering why neither of them forgot the other. Now they have to choose how much of their history they'll repeat, and what future they'll make together.

After the execution of her father, the young and beautiful Lady Asano is in grave danger from the powerful Lord Kira. In order to save herself Asano must find Oishi, the leader of the fighting men of her clan. She believes he is three hundred miles to the southwest in the imperial city of Kyoto. Disguising her loveliness in the

humble garments of a traveling priest, and calling herself Cat, Lady Asano travels the fabled Tokaido Road. Her only tools are her quick wits, her samurai training, and her deadly, six foot-long naginata. And she will need them all, for a ronin has been hired to pursue her, a mysterious man who will play a role in Cat's drama that neither could have ever imagined. . . . To Have and to Hold (1899) is a novel by American author Mary Johnston. It was the bestselling novel in the United States in the following year (1900). To Have and to Hold is the story of an English soldier, Ralph Percy, turned Virginian explorer in colonial Jamestown. Ralph buys a wife for himself - a girl named Jocelyn Leigh - little knowing that she is the

escaping ward of King James I, fleeing a forced marriage to Lord Carnal. Jocelyn hardly loves Ralph - indeed, she seems to abhor him. Carnal, Jocelyn's husband-to-be, eventually comes to Jamestown, unaware that Ralph Percy and Jocelyn Leigh are man and wife. Lord Carnal attempts to kidnap Jocelyn several times and eventually follows Ralph, Jocelyn, and their two companions - Jeremy Sparrow, the Separatist minister, and Diccon, Ralph's servant - as they escape from the King's orders to arrest Ralph and carry Jocelyn back to England. The boat they are in, however, crashes on a desert island, but they are accosted by pirates, who, after a short struggle, agree to take Ralph as their captain, after he pretends to be the pirate "Kirby". The pirates gleefully play on with Ralph's masquerade, until he refuses to allow them to rape and pillage those aboard Spanish ships. The play is up

when the pirates see an English ship off the coast of Florida. Ralph refuses to fire upon it, knowing it carries the new Virginian governor, Sir Francis Wyatt, but the pirates open fire, and Jeremy Sparrow, before the English ship can be destroyed, purposefully crashes the ship into a reef. The pirates are all killed, but the Englishmen (and woman) are rescued by the Governor's ship.
