draws on international evidence throughout, but provides particular insights into Africa and other less developed countries. It makes a major contribution to a more coherent, cross-disciplinary and sensitive approach to the tourism-poverty debate."--Back cover.

Mitchell

Encouraging tourism in

Page 32/70

Ashley Caroline

Online Library Tourism And

poor countries is, surprisingly often, an effective way of achieving poverty reduction through inclusive economic growth. But not always. Sometimes international tourism development does little for the local economy and the livelihoods of the poor. Our understanding of how tourism affects the

Page 33/70

Ashley Caroline

Online Library Tourism And

poor is often based on partial and shallow analysis. Researchers from different disciplines and practitioners with different objectives generally work in splendid isolation from each other and from the mainstream of development economics. Rhetoric, based on

Page 34/70

Ashley Caroline

Online Library Tourism And

unsubstantiated facts,
abounds. Detailed
economic analysis
remains buried and is
rarely challenged for
policy implications, let
alone poverty
implications. This book
provides an overview
and synthesis of a broad
array of analyses of how
tourism affects poverty.
First, it pulls these
together to identify three

Ashley Caroline

Online Library Tourism And

main pathways by which impacts on poverty can be delivered. Second, it reviews the empirical evidence on the scale and significance of impact of each pathway, exploring where comparisons can be made and where they cannot. Finally, it considers the different methods used to gather

Online Library Tourism And

and collect data.

'Tourism and Poverty Reduction' draws on international evidence throughout, but provides particular insights into Africa and other less developed countries.

The key aims are to enhance understanding of how tourism can affect poverty; the conditions under which poverty reduction can be

Page 37/70

Ashley Caroline

Online Library Tourism And

achieved and the type of data and analysis policy-makers need in order to do this. It makes a major contribution to a more coherent, cross-disciplinary and sensitive approach to the tourism-poverty debate.

Development
Tourism is a key export for many developing countries, and this industry can play a

Page 38/70

Ashley Caroline

Online Library Tourism And

significant role in promoting balanced sustainable development which generates benefits for poorer communities.

This report reflects this concern by examining the contribution which tourism development can make to the elimination of poverty in developing countries, as well as making recommendations for

Online Library Tourism And

action by governments,
the industry,
development agencies
and local communities.

Prosperity

Poverty alleviation is
high on the global
policy agenda, its
importance being
emphasised by its place
as the first of the United
Nation's Millennium
Development Goals. As
a potentially significant

Online Library

Tourism And

source of economic growth in developing countries, tourism may also play a major role in poverty reduction and alleviation under the right circumstances. The incorporation of tourism into development policy and Poverty Reduction Strategies has special poignancy for those Least Developed Countries where natural

Online Library Tourism And

resources exist to support a tourism industry and there are limited development alternatives. This book offers a holistic, explicit and detailed introduction to the relationship of poverty and tourism within the context of developing countries. The book is divided into distinct sections, progressing

Ashley Caroline

Online Library Tourism And

from an evaluation of the key concepts of poverty, tourism and development; to the causal factors of poverty; to the mechanisms of how tourism is being implemented in policy and practice to reduce poverty and finally to an analysis of the relationship between tourism to poverty

Page 43/70

Ashley Caroline

Online Library Tourism And

alleviation in the future.

The adopted analytical approach of the key themes is multi-

disciplinary,

incorporating tourism studies, human

geography, political

economy, economics,

development and

environmental studies. It

integrates examples and

original case studies

from varying

Page 44/70

Ashley Caroline

Online Library Tourism And

geographical developing
regions including

Africa, South Asian and
East Asia and the

Pacific, to lend practical
insights into tourism's

role in poverty

alleviation. The text will

be of particular interest

to higher education

students from tourism

studies, geography,

political economy,

environmental and

Page 45/70

Ashley Caroline

Online Library Tourism And

development studies,
and sociology
backgrounds. It will also
be of relevance to
government and policy
makers, alongside those
who have a more
general interest in
poverty alleviation.

This publication
contains details of
private or public tourism
projects that have been

Page 46/70

Ashley Caroline

Online Library Tourism And

presented by WTO
Member States as
examples of good,
sustainable practices for
poverty reduction
through tourism. They
are drawn from 26 case
studies from 20
countries including
three LDCs (least
developed countries) of
Ethiopia, Mali and
Mozambique, and
include examples of

Online Library Tourism And

projects relating to agro-tourism, tourism micro-entrepreneur networks, village tourism, community-based hotels, parks or protected areas, guide training and handicraft development.

Development
This volume uses recent research from the World Bank to document and analyze the bidirectional

Page 48/70

Ashley Caroline

Online Library

Tourism And

relationship between
poverty and migration in
developing countries.

The case studies
chapters compiled in
this book (from
Tanzania, Nepal,
Albania and Nicaragua),
as well as the last,
policy-oriented chapter
illustrate the diversity of
migration experience
and tackle the
complicated nexus

Page 49/70

Ashley Caroline

Online Library Tourism And

between migration and poverty reduction. Two main messages emerge: Although evidence indicates that migration reduces poverty, it also shows that migration opportunities of the poor differ from that of the rest. In general, the evidence suggests that the poor either migrate less or migrate to low return destinations. As a

Page 50/70

Ashley Caroline

Online Library

Tourism And

consequence, many developing countries are not maximizing the poverty-reducing potential of migration.

The main reason behind this outcome is difficulties in access to remunerative migration opportunities and the high costs associated with migrating. It is

shown, for example, that reducing migration costs

Online Library Tourism And

Recovery makes migration more pro-poor. The volume shows that developing countries governments are not without means to improve this situation. Several of the country examples offer a few policy recommendations towards this end.

1st Edition By
Over the past decade,
there have been an
increasing number of

Page 52/70

Ashley Caroline

Online Library Tourism And

Publications that have analysed and critiqued the potential of tourism to be a mechanism for poverty reduction in less economically developed countries (LEDCs). This book showcases work by established and emerging researchers that provides new thinking and tests previously made assumptions, providing

Page 53/70

Ashley Caroline

Online Library Tourism And

an essential guide for students, practitioners and academics. This book advances our understanding of the changes and ways forward in the field of sustainable tourism development. Five main themes are illustrated throughout the book: (1) measuring impacts of tourism on poverty; (2) the need to evaluate

Page 54/70

Ashley Caroline

Online Library Tourism And

whether interventions that aim to reduce poverty are effective; (3) how unbalanced power relations and weak governance can undermine efforts; (4) the importance of the private sector's use of pro-poor business practices; and (5) the value of using multidisciplinary and multi-method research

Online Library Tourism And

approaches.

Furthermore, the book shows that academic research findings can be used practically in destinations, and how practitioners can benefit from sharing their experiences with academic scholars. This book was based on a special issue and various articles from the Journal of Sustainable Tourism.

Online Library Tourism And

efforts are often seen to be in conflict with local livelihoods and resource use - the park versus people debate.

Responsible tourism and Ecotourism are often invoked as a third way that serve both ends. Yet do they actually work in practice? This volume delves deep into practice in southern Africa, the hotbed of innovation on

Online Library Tourism And

the issue, and provides a comprehensive, evidence-based examination of what works and what fails, using a wealth of information from scholars and practitioners working in the region. This book opens with an overview of the issues, looks at what sustainable and responsible tourism are

Page 62/70

Ashley Caroline

Online Library Tourism And

in practice and how they may contribute to conservation, poverty alleviation and local economic development.

Part 1 examines policies and institutional activities in responsible tourism by

governments, donor agencies and nongovernmental

organizations, and

addresses the market for

Page 63/70

Ashley Caroline

Online Library Tourism And

Responsible travel. Part 2 considers responsible nature-based tourism, the economics of wildlife tourism and ecotourism, transfrontier conservation areas, ecological impacts of tourism and other issues. Part 3 looks at more detailed case studies of community-based tourism projects, and highlights the

Page 64/70

Ashley Caroline

Online Library Tourism And

Reasons for successes and failures in this sector. The book concludes with a synthesis of the key findings with implications for policy, destination planning, business management, and future private sector and donor interventions. Published with the Southern
