### **Amazon.com: Customer reviews: Trafalgar: The Nelson Touch ...**

Nelson is portrayed as a leader with uncommon touch for bold military strategy and even more uncommon touch for leading men with affection and rapport. This was very unusual in 1800. This book also portrays the battle of Trafalgar in the terrible ways of naval battle with 800 men ships demolishing each other at point blank range.

While on shore leave, in August 1805, Nelson told his friend, Lord Sidmouth, about his ideas for his next sea battle. This collection of ideas he dubbed the Nelson Touch. Nelson planned to divide his fleet into three sections. The largest part would engage closely with one section of the enemy's fleet crushing it with greater numbers. The other ships, sailing in two columns, would cut the enemy line and prevent them from coming to the aid of their comrades.

### **Trafalgar - The Nelson touch: howarth, David: Amazon.com ...**

The book touches upon Nelson's personal life, but more so Nelson's admiration of his shipmates in the Royal Navy fleet, and the impact and aftermath of his demise after the Battle of Trafalgar. The details and placement of the ships throughout the battle is necessarily dry and slows the read a bit, but it brings with it the understanding of how the fleet was devastated by storm after the battle.

## **Trafalgar : the Nelson touch : Howarth, David Armine, 1912 ...**

This design commemorates the career of English naval hero Vice Admiral Horatio Lord Nelson (1758–1805) with scenes representing his foreign victories and inscriptions, including his famous words, "England expects every man to do his duty," spoken at the Battle of Trafalgar.

Here is a vivid account of Nelson's life, from his childhood and early career at sea to gripping accounts of his greatest sea battles. What emerges is a man of strength of mind amounting to genius, frequently generous, always fascinated with women, often uneasy with his superior officers, and absolutely fearless. This superbly written biography will prove essential for giving readers a true feel for the life of this military hero.

An account of the British naval commander's life and career explores his leadership style, his victory against the Spanish fleet at Cape St. Vincent, and his relationships with women and family members.

Lord Nelson's widely admired approach to leadership and management is distilled into a series of practical insights for today's managers.

This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815. More than 4,000 popular, standard and official histories, important articles in journals and periodicals, anthologies, conference, symposium and seminar papers, guides, documents and doctoral theses are covered so that the emphasis is the broadest possible. But the work is far, far more than a listing. The works are all evaluated, assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student, scholar, and enthusiast alike. It is divided into twenty-one chapters which cover resource centres, significant naval writers, pre-eminent and general histories, the chronological periods from Julius Caesar through the Vikings, Tudors and Stuarts to Nelson and Bligh, major naval personalities, warships, piracy, strategy and tactics, exploration, discovery and navigation, archaeology and even naval fiction. Quite simply, no-one with an interest and enthusiasm for naval history can afford to be without this book at their side.

An explosive chronicle of history's greatest sea battle, from the co-author of the forthcoming Gibraltar: The Greatest Siege in British History (March 2018) In the tradition of Antony Beevor's Stalingrad, Nelson's Trafalgar presents the definitive blow-by-blow account of the world's most famous naval battle, when the British Royal Navy under Lord Horatio Nelson dealt a decisive blow to the forces of Napoleon. The Battle of Trafalgar comes boldly to life in this definitive work that re-creates those five momentous, earsplitting hours with unrivaled detail and intensity.
