Online Library Traveler American Edition Elementary A1 Workbook

This book offers research-based models of exemplary practice for educators at all grade levels, from primary school to university, who want to integrate human rights education into their classrooms. It includes ten examples of projects that have been effectively implemented in classrooms: two from elementary school, two from middle school, three from high school, two from community college, and one from a university. Each model discusses the scope of the project, its rationale, students' response to the content and pedagogy, challenges or controversies that arose, and their resolution. Unique in integrating theory and practice and in addressing human rights issues with special relevance for communities of color in the US, this book provides indispensable guidance for those studying and teaching human rights.

The world speaks English is a six book English course from beginner A1 to pre-intermediate B1 in six clear stages specifically designed for high school students who need to achieve a B1 level. Although primarily aimed at high school grades 6 to 11 the course can equally be utilized by English students of all ages either in educational institutes or for personal use. Learn English with the latest

communicative techniques where roleplays and games are at the heart of the process. Produced by native English teachers living and working in South America, each book is a fully integrated student syllabus with free downloadable online audio for classwork and self study.

The Chinese Grammar Wiki began in 2012 as a modest website with a bold vision: to record all of the grammar structures in the Chinese language, categorize them by difficulty level, explain each one in clear, jargon-free English, and link them all together. Initially the wiki was a resource exclusively for the clients of AllSet Learning's Shanghai-based learning consultancy. But five years later, its popularity among learners has exploded, and the Chinese Grammar Wiki has become the #1 online resource for Chinese grammar among independent learners and college students alike. This book is the third major volume, covering all essential grammar points that an upper intermediate (B2) learner needs to master. Together with the Elementary and Intermediate volumes, the series comprises the most complete single resource on Chinese grammar in print. This volume features:- 160 Upper Intermediate (B2) grammar points- 200+ separate grammar structures- 1,700+ examples (with pinyin and English translation)- Extensive interlinking of similar grammar points- Bilingual glossary of grammar terms- Learner-centric design

Online Library Traveler American Edition Elementary A1 Workbook

With its communicative syllabus, authentic business material, and expert tips from a leading management school, plus interactive multi-media, Business Result helps students learn the communication skills they need for work quickly and effectively.

English File Elementary Student's Book is suitable for CEFR level A1-A2 English File, third edition, provides a balance of grammar, vocabulary, pronunciation and skills to give students the right mix of language and motivation to get them talking. With lively lessons and engaging topics, classes are enjoyable and provide opportunity for students to practise and improve. Support for teachers includes a Teacher's Book with over 100 photocopiables along with extra tips and ideas. The Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook on-screen and interactive.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.
