Teagan "I wanted to go home." "Moving to America wouldn't have been so bad if it weren't for the family next door, but because of my so-called guardian - and I used that term lightly - we were the latest family to take up residency in Thirteenth Street, and I was the sole target of the bitch over the fence."But, for me, life was a lot to get a lot worse."Noah Messina, Ellie's step-brother, had decided to join her torment-the-new-girl-until-she-cracks mission."There had been a fight in their driveway last weekend - between Noah and some other tattooed douchebag - that had progressed into our yard, resulting in the windshield of my car being smashed when Noah pummeled his opponent through it. Thinking back now I had to admit that I sort of overreacted when I stalked outside in nothing but a Coldplay t-shirt and a black thong and tossed an entire can of white gloss paint over the hood of Noah's black Lexus in retaliation. I guess it had felt damn good to fight back instead of letting them walk all over me..."Destroying Noah's car with paint was like waving a red rag in front of a bull. He lost it. Right there in my driveway, with his t-shirt ripped from his body and blood dripping from his eyebrow, Noah Messina had thrown the biggest man-tantrum I'd ever seen before declaring war on me..."Noah "I was going to lose my shit over the girl-next-door."God, three months of having her live next door to me and I still felt like slamming my head into the garden wall - now worse than ever since she had challenged me."The defiance in her eyes as she stared at me down before bending over the hood of my baby and emptying the can of paint was something that struck a chord inside of me. I'd never been so angry or turned on in my life."Pure rage had flooded my veins, driven on even further when Teagan taunted me with her potty mouth and yeah, I'd kind of lost it with her. Problem was I had an even uglier temper, and Friday night Teagan Connolly ignited it like no one had before.When she slapped me and pressed her tight little body against mine, taunting me with that sharp tongue of hers, I'd never been so close to putting my hands on a woman in my life."Except instead of hurting her, I wanted to toss her sexy little ass on the hood of my car and take her right there, not caring who saw us. The urge to be inside her was like nothing I'd ever felt in my life..." Warning: Due to its explicit content Treacherous is recommended for readers of eighteen years or above."

\* A heavyweight title up for grabs \*\* A family to protect \*\* Enemies closing in \*With a baby on the way and a mob family hot on his heels, Noah must once again dust off his gloves and fight. This time, there's more on the line than ever before. With his best friend dead and the career he worked so hard to build crumbling around him, Noah must make some unfavorable decisions.Making a deal with the devil himself, Noah thinks that at least one of problems will be taken care of... or will it backfire in his face? And when tragedy strikes, will anything be okay again? In the ultimate grab for power, the question is not "who will win?" but "who will lose the most?"In the explosive final installment of Noah and Teagan's story, paths will cross and lives will shatter. Can love overcome all obstacles, or will uncertainty of the future prove too much? Only one thing is for sure - nothing will ever be the same again.\*\*\*\*\* Warning \*\*\*\*\*Due to its explicit content, bad language, fighting scenes, and graphic sexual content, Torment (Carter Kids #4) is recommended for readers of eighteen years and above.
