Tune In (The Beatles: All These Years, #1) by Mark Lewisohn

While songs written by Lennon or McCartney were always credited to "Lennon–McCartney", the pair wrote many songs completely separately. These include " Come Together ", " Strawberry Fields Forever " and " Nowhere Man " (Lennon) and " Hey Jude ", " Let It Be " and " Yesterday " (McCartney), the last of which is one of the most covered songs of all time.

In 2018, the music staff of Time Out London ranked "All You Need Is Love" at number 4 on their list of the best Beatles songs. In November 1967, "All You Need Is Love" was included on the American LP version of Magical Mystery Tour, together with the band's other singles tracks from that year.

All You Need Is Love - Wikipedia

The Beatles: All These Years is a three-part series of books about the Beatles and their cultural impact, written by English historian Mark Lewisohn. The project was begun in the early 2000s and has yet to be completed. He described the endeavour as a response to the "poor" standard of research typically afforded to the band's history. The first volume, Tune In, was published in 2013.

Here is the Beatles story as it really was. Throw away what you think you know and start afresh.

This is Part One of Volume One. This extended special edition of Mark Lewisohn's magisterial book *Tune In* is a true collector's item, featuring hundreds of thousands of words of extra material, as well as many extra photographs. It is the complete, uncut and definitive biography of the Beatles' early years, from their family backgrounds through to the moment they're on the cusp of their immense breakthrough at the end of 1962. The ebook of the extended special edition comes in two parts, mirroring the two hardbacks that make up the deluxe print edition. Each part is sold separately and this is Part One, taking the story from the very beginning to their first, famous trip to Hamburg in 1960. Readers wishing to buy the whole extended special edition of *Tune In* in ebook should be sure to buy Part One and Part Two. Mark Lewisohn's biography is the first true and accurate account of the Beatles, a contextual history built upon impeccable research and written with energy, style, objectivity and insight. This extended special edition is for anyone who wishes to own the complete story in all its stunning and extraordinary detail. This is, genuinely and without question, the lasting word from the world-acknowledged authority.

The Beatles have been at the top for fifty years, their music remains exciting, their influence is still huge, their acclaim and achievements cannot be surpassed. But who really were the Beatles, and how did they and everything else in the 1960s fuse so explosively? - Mark Lewisohn's biography is the first true and accurate account of the Beatles, a contextual history built upon impeccable research and written with energy, style, objectivity and insight. This first volume covers the crucial and less-known early period - the Liverpool and Hamburg years of a hungry rock and roll band, when all the sharp characters and situations take shape.

****NOTE: EBOOK DOES NOT INCLUDE ANY IMAGES**** Every album and every song ever released by the Beatles?from "Please Please Me" (U.S. 1963) to "The Long and Winding Road" (U.S. 1970)?is dissected, discussed, and analyzed by two music historians in this lively and fully illustrated work. All the Songs delves deep into the history and origins of the Beatles and their music. This first-of-its-kind book draws upon decades of research, as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song, the recording process, and the instruments used. Here, we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri, which he bought for £100 in 1960 in Hamburg, Germany. We also learn that "Love Me Do," recorded in Abbey Road Studios in September 1962, took 18 takes to get right, even though it was one of the first songs John and Paul ever wrote together. And the authors reveal that when the Beatles performed "I Want to Hold Your Hand" on The Ed Sullivan Show in 1964, John's microphone wasn't turned on, so viewers heard only Paul singing. All the Songs is the must-have Beatles book for the any true Beatles fan.

As soon as The Beatles became famous, the spin machine began to construct a myth--one that has continued to this day. But the truth is much more interesting, much more exciting, and much more moving. In this bestselling book, Bob Spitz has written the biography for which Beatles fans have long waited. 32 pages of b/w photos.

That the Beatles were an unprecedented phenomenon is a given. In *Can't Buy Me Love*, Jonathan Gould explains why, placing the Fab Four in the broad and tumultuous panorama of their time and place, rooting their story in the social context that girded both their rise and their demise. Nearly twenty years in the making, *Can't Buy Me Love* is a masterful work of group biography, cultural history, and musical criticism. Beginning with their adolescence in Liverpool, Gould describes the seminal influences—from Elvis Presley and Chuck Berry to The Goon Show and Alice's Adventures in Wonderland—that shaped the Beatles both as individuals and as a group. In addition to chronicling their growth as singers, songwriters, and instrumentalists, he highlights the advances in recording technology that made their sound both possible and unique, as well as the developments in television and radio that lent an explosive force to their popular success. With a musician's ear, Gould sensitively evokes the timeless appeal of the Lennon-McCartney collaboration and their emergence as one of the most creative and significant songwriting teams in history. Behind the scenes Gould explores the pivotal roles played by manager Brian Epstein and producer George Martin, credits the influence on the Beatles' music of contemporaries like Bob Dylan, Brian Wilson, and Ravi Shankar, and traces the gradual escalation of the fractious internal rivalries that led to the group's breakup after their final masterpiece, *Abbey Road*. Most significantly, by chronicling their revolutionary impact on popular culture during the 1960s, *Can't Buy Me Love* illuminates the Beatles as a charismatic phenomenon of international proportions, whose anarchic energy and unexpected import was derived from the historic shifts in fortune that transformed the relationship between Britain and America in the decades after World War II. From the Beats in America and the Angry Young Men in England to the shadow of the Profumo Affair and JFK's assassination, Gould captures the pulse of a time that made the Beatles possible—and even necessary. As seen through the prism of the Beatles and their music, an entire generation's experience comes astonishingly to life. Beautifully written, consistently insightful, and utterly original, *Can't Buy Me Love* is a landmark work about the Beatles, Britain, and America.

In 1979, Beatles expert Mark Lewisohn set about establishing a complete list of the group's live appearances from 1957 through 1966, when they stopped giving concerts; the research took seven long years and was published as the book *The Beatles Live!* Shortly thereafter, EMI Records invited Lewisohn to be the only person outside of the Beatles and their production staff to go into Abbey Road and listen to the entire collection of Beatles session tapes and to interview practically everyone involved in their making. The result was published in 1988 as *The Complete Beatles Recording Sessions*, and sold over 150,000 copies. This book artfully combines and updates all the vital material in Lewisohn's earlier two books with his definitive account of the Beatles' work in radio, television, film, and

video to create a complete day-by-day summary of the group ' s entire oeuvre. First published in 1992, The Complete Beatles Chronicle has become the Beatles Bible, the one book no fan can live without, and a perfect companion to the bestselling Beatles Anthology, which recounted their story in their own words.

Hundreds of books have been written about The Beatles. Over the last half century, their story has been mythologized and de-mythologized and presented by biographers and journalists as history. Yet many of these works do not strictly qualify as history and the story of how the Beatles ' mythology continues to be told has been largely ignored. This book examines the band ' s historiography, exploring the four major narratives that have developed over time: The semi-whitewashed " Fab Four " account, the acrimonious breakup-era Lennon Remembers version, the biased " Shout! " narrative in the wake of John Lennon ' s murder, and the current Mark Lewisohn orthodoxy. Drawing on the most influential primary and secondary sources, Beatles history is analyzed using historical methods.
