#1 NEW YORK TIMES BESTSELLER A BEST BOOK OF THE YEAR: Washington Post | Maureen Corrigan, NPR | Paste | Seattle Times | Entertainment Weekly | Esquire | Slate | Buzzfeed | Jezebel | Philadelphia Inquirer | Publishers Weekly | Kirkus Reviews | Library Journal | Bustle | Mother Jones | Real Simple | Crime Reads | Book Riot | Bookish | Amazon | Barnes and Noble |Hudson Booksellers New York Public Library | Chicago Public Library Winner of the Goodreads Choice Awards for Nonfiction | SCIBA Book Award Winner | Finalist for the Edgar Award for Best Fact Crime | Longlisted for the Carnegie Medal for Excellence The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster.... Propulsive, can't-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called “the Golden State Killer.” Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. I’ll Be Gone in the Dark—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman’s obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle’s dream: helping unmask the Golden State Killer.

“Tim Wise is one of the great public moralists in America today. In his bracing new book, *Under the Affluence*, he brilliantly engages the roots and ramifications of radical inequality in our nation, carefully detailing the heartless war against the poor and the swooning addiction to the rich that exposes the moral sickness at the heart of our culture. Wise’s stirring analysis of our predicament is more than a disinterested social scientific treatise; this book is a valiant call to arms against the vicious practices that undermine the best of the American ideals we claim to cherish. Under the Affluence is vintage Tim Wise: smart, sophisticated, conscientious, and righteously indignant at the betrayal of millions of citizens upon whose backs the American Dream rests. This searing testimony for the most vulnerable in our nation is also a courageous cry for justice that we must all heed.”—Michael Eric Dyson, author of *The Black Presidency: Barack Obama and the Politics of Race in America* Tim Wise is one of America’s most prolific public intellectuals. His critically acclaimed books, high-profile media interviews, and year-round speaking schedule have established him as an invaluable voice in any discussion on issues of race and multicultural democracy. In *Under the Affluence*, Wise discusses a related issue: economic inequality and the demonization of those in need. He reminds us that there was a time when the hardship of fellow Americans stirred feelings of sympathy, solidarity for struggling families, and support for policies and programs meant to alleviate poverty. Today, however, mainstream discourse blames people with low income for their own situation, and the notion of an intractable “culture of poverty” has pushed our country in an especially ugly direction. Tim Wise argues that far from any culture of poverty, it is the culture of predatory affluence that deserves the blame for America’s simmering economic and social crises. He documents the increasing contempt for the nation’s poor, and reveals the forces at work to create and perpetuate it. With clarity, passion and eloquence, he demonstrates how America’s myth of personal entitlement based on merit is inextricably linked to pernicious racial bigotry, and he points the way to greater compassion, fairness, and economic justice. Tim Wise is the author of many books, including *Dear White America* and *Colorblind*.

Meet Renee, an up and coming professional in the world of loans and financing. She didnt come to this path easily, surviving a childhood in East Los Angeles in a single parent home with plenty of siblings to forge a less than successful path for her. But Renee saw something different out there for herself, a world full of opportunity and promise. The fact that she was a big girl never stopped her from pursuing a career, until the 10-year friendship with Robert bloomed into romance. Tall and rather lean, Robert was not at all what you would call a leading man but Renee fell in love with Robert and he fell hard for her. Things looked promising until the Colonel, Roberts father, met Renee. All bets were off. Suddenly Renees weight became the deal breaker. You will laugh, you will cry, but ultimately you will be fighting this battle right along with Renee, cheering her on, while shes putting on her big girl panties.

A New York Times Bestseller! New York Times bestselling crime writer John Glatt tells the true story behind the kidnappings and long-overdue rescue of three women found in a Cleveland basement. *The Lost Girls* tells the truly amazing story of Amanda Berry, Gina DeJesus and Michelle Knight, who were kidnapped, imprisoned, and repeatedly raped and beaten in a Cleveland house for over a decade by Ariel Castro, and their amazing escape in May 2013, which made headlines all over the world. The book has an exclusive interview and photographs of Ariel Castro's secret fiancé, who spent many romantic nights in his house of horror, without realizing he had bound and chained captives just a few feet away. There are also revealing interviews with several Castro family members, musician friends and several neighbors who witnessed the dramatic rescue.

Book and author featured in Nexos, an American Airlines' inflight magazine *** Free ebook with print purchase. Click on "MatchBook on Kindle site for details.** *The Street or Me* is the true story of Judith Glynn, a divorcee who can barely make ends meet in New York City. Judith is drawn to befriend Michelle, a homeless drunk in her neighborhood. Previously a beauty queen in Italy, Michelle had come to the states when an American photographer convinced her that fame awaited. Drugs and alcohol got in the way of that dream. Putting her life aside and risking her own safety, Judith is determined to recover Michelle's dignity and return her to her family in Italy. But is Michelle too far gone, preferring street life and possible death in a gutter over Judith's guiding light back into society? Note: This book contains scenes and profanity relevant to street life, told by the author to create an authentic read and handled in good taste.

In recent years, celebrities from George Clooney to Bono to Angelina Jolie have attempted to play an increasingly important role in global politics. Celebrity activism is an ever-growing, internationally visible phenomenon—yet the impact of these high-profile humanitarians on public awareness, government support, and mobilization of resources remains under-researched. Bringing together a diverse group of contributors from media studies and public diplomacy, *Transnational Celebrity Activism in Global Politics* aims to fill that void with a new interdisciplinary framework for the analysis of celebrity activism in international relations.

“Political correctness’ has taken politeness and turned it into a weapon of censorship and intimidation. In the workplace, on social media, and even at the dinner table, Americans are confronted daily with a laundry list of words they’re ‘not allowed’ to say--and that list is updated constantly and without warning. How did so absurd a concept become so dangerous--and come to dominate our public discourse over the last quarter-century? [This book]...traces the history and effects of political correctness from the early twentieth century to the present, revealing its insidious roots, exposing the power-hungry language architects behind its ever-growing control, and examining what this concerted manipulation of speech means for the future of American culture, politics, and minds”--Publisher.

America's first families are among the most private public figures on earth. From the mystique of the glamorous Kennedys to the tumult that surrounded Bill and Hillary Clinton during the president's impeachment to the historic yet polarizing residency of Barack and Michelle Obama, each new administration brings a unique set of personalities to the White House—and a new set of challenges to the fiercely loyal and hardworking people who serve them: the White House residence staff. No one understands the president of the United States, and his family, like the men and women who make the White House run every day. Now, for the first time, their stories of fifty years, ten administrations, and countless crises, large and small, are told in *The Residence*. Drawing on hundreds of hours of interviews with butlers, maids, chefs, florists, doormen, and other staffers—as well as former first ladies and first family members—Kate Andersen Brower, who covered President Obama's first term, offers a group portrait of the dedicated professionals who orchestrate lavish state dinners; stand ready during meetings with foreign dignitaries; care for the president and first lady's young children; and cater to every need the first couple may have, however sublime or, on occasion, ridiculous. In the voices of the residence workers themselves—sometimes wry, often affectionate, always gracious and proud—here are stories of The Kennedys—from intimate glimpses of their marriage to the chaotic days after JFK's assassination The Johnsons—featuring the bizarre saga of LBJ's obsession with the White House plumbing The Nixons—including Richard Nixon's unexpected appearance in the White House kitchen the morning he resigned The Reagans—from a fire that endangered Ronald Reagan late in his second term to Nancy's control of details large and small The Clintons—whose private battles, marked by shouting matches and flying objects, unsettled residence workers The Obamas—who danced to Mary J. Blige on their first night in the White House And just as compelling are the stories of the workers themselves, including Storeroom Manager Bill Hamilton, who served eleven presidents over fifty-five years; Executive Housekeeper Christine Limerick, who married a fellow residence worker; Chief Usher Stephen Rochon, who became the first African American to hold the post; Executive Pastry Chef Roland Mesnier, who feuded fiercely with Executive Chef Walter Scheib; and Butler James Ramsey, who made friends with presidents Bill Clinton and George W. Bush, and whose spirit animated the White House through six administrations before his death in 2014. Working tirelessly to provide impeccable service and earning the trust and undying admiration of each new first family, these extraordinary White House workers served every day in the midst of history—and lived to tell the tales.

Aaron Spelling is one of the most successful showmen of all time. No one else has produced as many television programs nor enjoyed such career longevity--35 years and still counting. Now, Spelling tells his story--personal, revealing, and filled with stories about Hollywood greats such as Michelle Pfeiffer, Heather Locklear, Sharon Stone, and Nick Nolte. of photos.
