**Undisputed Truth My Autobiography**

This book is Mike Tyson's life story, in Mike Tyson's words, as told to a writer. It might not be the undisputed truth, but it is his truth, and it's his entire truth. It is brutally, unforgivingly honest, and while he has few kind words for the likes of King, Robin Givens, and Desiree Washington, no one fares worse in these pages than Tyson himself.

**Undisputed Truth: My Autobiography: Mike Tyson ...**

In my sixth decade, after a lifetime of reading, I think that "Undisputed Truth" is the most honest autobiography I've ever encountered. An official of the New York Public Library has likened it to Augustine's "Confessions," but perhaps a more apt comparison would be to "The Education of Henry Adams."

Be sure to check out IRON AMBITION: My Life with Cus D'Amato by Mike Tyson “Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life.”—Wall Street Journal
Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.

XMAS GIFT GUIDE The extraordinary story of the rise and fall and rise again of Tyson Fury... THE GYPSY KING. A Manchester lad from Irish Traveller stock, born three months premature and weighing just a pound at birth, Tyson (named after his father's boxing hero) grew up to become one of the most unlikely heavyweight champions in history. This 'dream come true' soon turned to nightmare, however, as alcohol and cocaine abuse took hold and Tyson was stripped of his titles. What followed was the darkest moment of his life - detailed in this book for the first time - in which he came within seconds of ending everything. THE PEOPLE'S CHAMPION. Like all the greatest stories, though, there is redemption and Tyson defies all the odds and literally drags himself to his feet. 10 million people around the globe watched Fury fight Wilder in the biggest fight of the boxing calendar. Speaking candidly about his struggles with mental health, this is Tyson Fury as you have never seen him before. A BRITISH ICON.

'An unusual, heartening story, nicely told. There is much to amaze and admire' SUNDAY TIMES

From the former heavyweight champion and New York Times–bestselling author comes a powerful look at the life and leadership lessons of Cus D'Amato, the legendary boxing trainer and Mike Tyson’s surrogate father. "[Iron Ambition] spells out D'Amato's techniques for building a champion from scratch." – Wall Street Journal
When Cus D'Amato first saw thirteen-year-old Mike Tyson spar in the ring, he proclaimed, “That’s the heavyweight champion of the world.” D’Amato, who had previously managed the careers of world champions Floyd Patterson and José Torres, would go on to train the young Tyson and raise him as a son. D’Amato died a year before Tyson became the youngest heavyweight champion in history. In Tyson’s bestselling memoir Undisputed Truth, he recounted the role D’Amato played in his formative years, adopting him at age sixteen after his mother died and shaping him both physically and mentally after Tyson had spent years living in fear and poverty. In Iron Ambition, Tyson elaborates on the life lessons that D’Amato passed down to him, and reflects on how the trainer’s words of wisdom continue to resonate with him outside the ring. The book also chronicles Cus’s courageous fight against the mobsters who controlled boxing, revealing more than we’ve ever known about this singular cultural figure.

THE GREATEST BOXING COACH IN HISTORY
'The Cus D'Amato Mind' teaches the principles and philosophies of the great trainer D'Amato, which took young boys such as Mike Tyson and Floyd Patterson to the heavyweight championship in a few short years.
THE MAN WHO MADE MIKE TYSON
In 1980, a young Mike Tyson was in the Tryon school for juvenile delinquents. By the age of 13, Mike had already been arrested dozens of times, had suffered bullying, and often engaged in criminal activities like armed robbery and house burglary. He was heading down a certain path to death or a life of prison. Fast forward six years later, and Mike Tyson had become the youngest heavyweight champion at 20 years old, after destructively crafting a route to the top. What had happened? How could such a change happen in such a short space of time? The answer is Cus D'Amato. The great boxing coach Cus D'Amato was a revolutionist. He was a modern-day philosopher. He was a leader who changed the lives of those he helped. Cus would literally take juvenile kids of the street, and house them in his fourteen-room mansion. Impressively, he was able to instill them with the character of champions, so they would be able to go out and conquer the world, whether they were fighters or not. Cus D'Amato created champions. LEARN HIS SECRETS
In this book, we break down the mental strategies that any fighter (or anyone) can use in order to excel towards greatness. Fighters all over the world are able to acquire trainers that can teach technique. But they are unable to find teachers, like the Cus D'Amato's and the Angelo Dundee's, who can instill them with charismatic confidence, and help them deal with anxiety and fear before matches. The book consists of five sections. Each section is designed to empower you in a different area. The five sections are:
\* Character
\* Fear
\* Anxiety
\* Resistance
\* Leadership
Without knowing what makes a champion, and how you can become one too, you will never be able to achieve it. After learning what makes 'The Cus D'Amato Mind', you will be more charismatic, confident, with a greater sense of control over your path to boxing greatness.

They called him “Manos de Piedra”—Hands of Stone—and he was one of the greatest boxers of all time. Now Roberto Durán tells his unbelievable story: from the streets of Panama to being crowned one of the “Four Kings,” along with Hearn, Leonard, and Hagler, as he blazed a trail through the Golden Age of Boxing. Born into abject poverty, barely able to read or write, Durán quickly realized that his fists could both protect him on the streets and put food on the table. His reputation was established on the day when, for a bet, he knocked down a horse with a single punch. At the age of twenty-one, he claimed his first world title, against Ken Buchanan at Madison Square Garden. The legend of Manos de Piedra was born, but his most glorious moment was yet to come. In 1980, Durán delivered one of the greatest upsets in boxing history by defeating the previously unbeatable Sugar Ray Leonard. But greater fame brought greater distractions, and Durán’s endless partying took its toll before the two superstars faced each other again. Here, for the first time ever, Durán confronts the debacle of the rematch that entered sporting folklore, and the truth behind the moment he was heard to utter the infamous words “No más”—No more. Durán’s explosive performances in the ring were matched only by the volatility of his life outside it. He lurched from living like royalty to bankruptcy and, after being written off as a boxing also-ran, made a bloody, legendary comeback that gave his career the ultimate ending, and finally brought redemption. He came from nothing, and changed the world. I Am Durán is the autobiography of one of boxing's most iconic legends.

In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by Sports Illustrated and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance living it?

Former lightweight champion and acclaimed biographer Jose Torres has written this first, full-scale portrait of boxing's most explosive, intriguing and dominating champion--Mike Tyson. 16-page photo insert.
